Memoir of a Childhood in the Warsaw Ghetto

Penguin

Her story reflects the experiences common to many Indian communities in Latin America today. Rigoberta suffered gross injustice and hardship in her early life: her brother, father and mother were

murdered by the Guatemalan military. She learned Spanish and turned to catechist work as an expression of political revolt as well as religious commitment. The anthropologist Elisabeth Burgos-Debray, herself a Latin American woman, conducted a series of interviews with Rigoberta Menchu. The result is a book unique in contemporary literature which records the detail of

everyday Indian life. Rigoberta's gift for striking expression vividly conveys both the religious and superstitious beliefs of her community and her personal response to feminist and socialist ideas. Above all, these pages are illuminated by the enduring courage and passionate sense of justice of an extraordinary woman.

PROCEEDS OF THIS BOOK donated to Civil Liberties Defense Center in Eugene, Ore. which assists varied groups protecting Mother Earth. (www.cldc.org). This book is a mythological telling of memoir, based on true events that happened to the author in and around Dineh (Navajo) lands in Arizona, USA. And within the "hippy" movement in the Pacific Northwest during the 1970's and 1980's. Dineh (Navajo) asked rag tag hippies and the active environmental movement of the time, for

help in their resistance to forced relocation by the U.S. Government. Hippies responded happily. "Legends" depicts their converging paths and the treacheries involved in demanding human rights for American Indian nations. Using both mythology and memoir the endnotes of this book help readers to learn about facts of Big Mountain resistance, and the overall landscape of white and Red worlds, meeting. The story weaves truths otherwise unseen. With Love, as the

theme.

This is the story of an Irish family from Cork Ireland. It documents how they survived in the 50's and 60's and will take you on a roller coaster ride of every emotion, sometimes all on the same page. Here you will read of an inspiring mother, always encouraging her six children to laugh at life, and believe in tomorrow. She did this inspiring while battling a domineering old

grandmother, and an alcoholic husband, as her children drank tea from their jam jars, and read by a candle. Its a book filled with humor, drama, and dreams that come true, culminating in the author meeting his American dream. It's said the book is like, Irish Stew for the Soul. You will feel uplifted when you finish reading a book that seems to be everyone's story.

BESTSELLER 'Hunger was a constant, reliable friend in Mei Guo. She came second only to loneliness.' In China she was the daughter of professors. In Brooklyn her family is 'illegal.' Qian is just seven when she moves to America, the 'Beautiful Country', where she and her parents find that the roads of New York City are not paved with gold, but crushing fear and scarcity. Unable to speak English at first, Qian and her parents must work wherever they can to survive, all while she battles hunger and

loneliness at school. Thus begins an extraordinary story that describes, in vivid colours, days labouring in sweatshops and sushi factories, nights scavenging the streets for furniture, and the terrifying moment when the family emerges from the shadows to seek emergency medical treatment for Qian's mother. Qian Julie Wang's memoir is an unforgettable account of what it means to live under the perpetual threat of deportation and the small joys and sheer

determination that kept her family afloat in a new land. Told from a child's perspective, in a voice that is intimate, poignant and startlingly lyrical, Beautiful Country is the story of a girl who learns first to live - and then escape - an invisible life. 'A powerful, gripping insight into the world of an undocumented migrant in New York . . . beautifully written, with vivid scenes that linger in the mind long after finishing it' Helena Merriman 'A story that needs to be heard.

Moving, beautiful, heartbreaking and even funny . . . I never wanted it to end' Philippa Perry 'Deeply compelling . . . I was moved by the love and resilience of this family thrust into darkness. The book casts an urgent light on a reality that extends way beyond America's borders' Hisham Matar, author of A Month in Siena and The Return 'Astonishing . . . In restrained but beautiful prose, Wang honours her family's sacrifices, but alerts us to the urgent

realisation that they should not be necessary' Nesrine Malik

A Memoir of Mythology

Boston : Ticknor and Fields

My father's suspicious death, perhaps at the hands of a small town sheriff's department, forced my mother to flee our hometown--Idamay, West Virginia--a few days after he died in 1954. She was told that he'd hung himself in a jail cell in Fairmont, West Virginia, where he was being held for driving while intoxicated. She was

afraid they would do something to her and leave us kids orphaned. Though we left Idamay, that town and our devastating loss followed us. My father's absence, though seldom spoken about, was "present" everywhere we turned. My mother never looked back. But when she died forty-two years later, his death came back to me in full force. I felt compelled to investigate further. I'd heard conflicting stories all my life. This book documents an investigation that yields

more questions than answers for the seven-year-old survivor who has an insatiable need to know. This book is about this seven-year-old whose entire life was indelibly marked by this tragic loss that she experienced when she had just reached what is often called the age of reason. Her quest for the truth takes her to places she'd never dreamed she could go. Because there is so much she doesn't know, she finds herself leaning heavily on her imagination to help her to

navigate this mysterious and fatherless world.

The Author's True Story about Her Bout with Cancer Verso

"Any attempt to reckon with Cuba's torturous twentieth century will have to take into account Arenas's monumental work ... an essential human testimony, joyful and enraged, a triumph of conscience." -- Garth Greenwell The acclaimed memoir of queer Cuban author Reinaldo Arenas chronicling his tumultuous yet luminary life, from his impoverished upbringing

in Cuba to his imprisonment at the hands of a Communist regime The astonishing memoir by visionary Cuban writer Reinaldo Arenas "is a book above all about being free," said The New York Review of Books--sexually, politically, artistically. Arenas recounts a stunning odyssey from his poverty-stricken childhood in rural Cuba and his adolescence as a rebel fighting for Castro, through his suppression as a writer, imprisonment as a homosexual, his flight

from Cuba via the Mariel boat lift, and his subsequent life and the events leading to his death in New York. In what The Miami Herald calls his "deathbed ode to eroticism," Arenas breaks through the code of secrecy and silence that protects the privileged in a state where homosexuality is a political crime. Recorded in simple, straightforward prose, this is the true story of the Kafkaesque life and world re-created in the author's acclaimed novels.

 The woman behind the icon known as Elvira, Mistress of the Dark, the undisputed Queen of Halloween, reveals her full story, filled with intimate bombshells, told by the bombshell herself. On Good Friday in 1953, at

only 18 months old, 25 miles from the nearest hospital in Manhattan, Kansas, Cassandra Peterson reached for a pot on the stove and doused herself in boiling water. Third-degree burns covered 35% of her body, and the prognosis wasn't good. But she survived. Burned and scarred, the impact stayed with her and became an obstacle she was determined to overcome. Feeling like a misfit led to her love of horror. While her sisters played with Barbie dolls, Cassandra built model kits

of Frankenstein and Dracula, and idolized Vincent Price. Due to a complicated relationship with her mother, Cassandra left home at 14, and by age 17 she was performing at the famed Dunes Hotel in Las Vegas. Run-ins with the likes of Frank Sinatra, Sammy Davis Jr., and Tom Jones helped her grow up fast. Then a chance encounter with her idol Elvis Presley, changed the course of her life forever, and led her to Europe where she worked in film and traveled Italy as lead

singer of an Italian pop band. She eventually made her way to Los Angeles, where she joined the famed comedy improv group, The Groundlings, and worked alongside Phil Hartman and Paul "Pee-wee" Reubens, honing her comedic skills. Nearing age 30, a struggling actress considered past her prime, she auditioned at local LA channel KHJ as hostess for the late night vintage horror movies. Cassandra improvised, made the role her own, and got the job on the spot. Yours Cruelly, Elvira

is an unforgettably wild memoir. Cassandra doesn't shy away from revealing exactly who she is and how she overcame seemingly insurmountable odds. Always original and sometimes outrageous, her story is loaded with twists, travails, revelry, and downright shocking experiences. It is the candid, often funny, and sometimes heart-breaking tale of a Midwest farm girl's long strange trip to become the world's sexiest, sassiest Halloween icon.

 Childhood memories become warm and rose colored, "and that's as it should be," so said an old friend of mine who shared more than a few with me. Mine, too, are warm and rose colored; but also vivid. Yes, I really do remember being in a crib. Folks challenge me on that once in a while. But for how much longer, I'm not sure. Once the mental concrete hardens, I'll be left with what I can glean from pictures and second

hand accounts. So I wrote this book. And of course, one memory led to another. Eleven years of them, the ones I spent growing up Brooklyn. What follows are the good stories of the people who mattered - still matter - to me. Today more than ever, I look at them with warm, rose colored sight, content that my earliest memories are true and valuable.

 Mount Airy North Carolina was the birthplace of the late actor Andy Griffith

and Historian Tom Perry. In this memoir of their hometown, Perry tells the story of the real Mayberry and his thoughts of the most famous son of the piedmont North Carolina town. This book is part memoir, part biography and part tour guide about Andy Griffith and Mount Airy, North Carolina. Beginning on the day Andy Griffith died, July 3, 2012, Perry tells about the town that day and goes back in time to bring Griffith and his own family to Mount Airy to work in the factories in the

twentieth century. Sharing his connections with Griffith, Perry tells about the youth both shared in Mount Airy. The book then follows Andy Griffith to the University of North Carolina at Chapel Hill, Goldsboro to teach school and then Broadway, television and movies in a career that lasted decades. The book also details the effect of Andy Griffith on Mount Airy with the decades long tourism boom that began in the 1980s with the town taking on the persona of the fictional

Mayberry that Griffith obviously used to in his highly successful Andy Griffith Show that ran on CBS for eight years ending its run as the number one show on television.

Before Night Falls Vintage The Book of Knowledge and Wonder is a memoir about claiming a legacy of wonder from knowledge of a devastating event. In some ways it has the feel of a detective story in which Steven Harvey pieces together the life of his mother, Roberta Reinhardt Harvey, who

committed suicide when he was eleven, out of the 406 letters she left behind. Before he read the letters his mother had become little more than her death to him, but while writing her story he discovered a woman who, despite her vulnerability to depression, had a large capacity for wonder and a love of familiar things, legacies that she passed on to him. The book tackles subjects of recent fascination in American culture: corporate life and sexism in the fifties, mental illness and its

influence on families, and art and learning as a consolation for life's woes, but in the end it is the perennial theme of abiding love despite the odds that fuels the tale. As the memoir unfolds, his mother changes and grows, darkens and retreats as she gives up her chance at a career in nursing, struggles with her position as a housewife, harbors paranoid delusions of having contracted syphilis at childbirth, succumbs to a mysterious, psychic link with her melancholic

father, and fights back against depression with counseling, medicine, art, and learning. Harvey charts the way, after his mother's death, that he blotted out her memory almost completely in his new family where his mother was rarely talked about, a protective process of letting go that he did not resist and in a way welcomed, but the book grows out of a nagging longing that never went away, a sense of being haunted that caused the writer to seek out places alone-dribbling

a basketball on a lonely court, going on long solitary bicycle rides, walking away from his family to the edge of a mountain overlook, and working daily at his writing desk-where he might feel her presence. In the end, the loss cannot be repaired. Her death, like a camera flash in the dark, blotted out all but a few lingering memories of her in his mind, but the triumph of the book is in the creative collaboration between the dead mother, speaking to her son in letters, and the

writer piecing together the story from photographs, snatches of memory, and her words so that he can, for the first time, know her and miss her, not some made up idea of her. The letters do not bring her back-he knows the loss is irrevocable-but as he shaped them into art, the pain, that had been nothing more than a dull throb, changed in character, becoming more diffuse and ardent, like heartache.

LOST IN THE WOODS
Profile Books

Rich and Judy Hill had a dream: to build a simple handcrafted log home in Michigan's Upper Peninsula. But what began as a grand adventure soon morphed into a complex entanglement of blueprint designs, contractor problems, and unforeseen financial expense. Taking it upon themselves to complete the construction of a 2500 square-foot full-size log house while working with a very limited budget, the Hills unwittingly waded into the quicksand of dealing

with unreliable subcontractors, cost overruns, and winter blizzards, as well as the unpredictable nature of building with logs. Their venture in the north woods of Lake Superior would test their persistence and resolve and teach them a great deal not only about themselves but about the risks and rewards of pursuing an obsessive American dream. This is a most touching and emotional true story. of the author's battle with cancer. It is a detailed and personal account of how a very strong believer and family-oriented woman beat ovarian cancer. Although that type of cancer historically develops rapidly and has devastating effects, this true story shows how faith, family and love are a powerful force to reckon with. A must read for anyone with or without an illness! Eight years hence she is Cancer Free. It shows what faith in God

can do. God is really alive and can work miracles in our lives. We just have to believe. The Author relates events when her life and financial well-being were threatened by this dreadful disease. Her strong faith in God saw her through all the trials she had to undergo during her several months of treatment. Writing this book gives her the opportunity to demonstrate to others the meaning of prayer and family unity . Eight years hence, she is now Cancer Free and wants to shout it

to the world. The book serves as an inspiration for those in a similar situation to not give up but trust in god and continue fighting. She especially wants to acknowledge her loving husband who was a pillar of support throughout her ordeal.

Night Falls Fast Simon and Schuster

An exceptional, deeply-moving memoir-a classic love story. In the late 1970s, a fragile thread linked a woman living on Park Avenue in Manhattan and a man in a guarded

house in West Africa. "I love you very much he whispered softly across 7,000 miles of ocean and up the East River."

Plunge! is a love story, exquisitely told. Sally was a New York career woman when David showed up in her life. Their first dinner date was July 13, 1977, the night of the New York Blackout. Six weeks later he told her he had accepted a job in Nigeria. After a romantic weekend at the Pierre Hotel, David left the city. "The noise of the engines was muffled through the window, and

as the plane taxied to the runway, the sound faded away, like a love song drawing to a melancholy close." As David struggled to clear a jungle to build a paper mill in West Africa, Sally worked at her fast-paced job, occasionally flew private planes, and led the tenants of her Park Avenue apartment building into battle against her notorious landlord. Over the next nine months, they corresponded-openly, often with humor-and had three brief reunions: in Nigeria, London and New

York. "Perhaps the distance that separated us, the lack of instant interaction, helped us both to communicate more thoughtfully, more honestly and even more passionately than we might have otherwise." "An amazing, beautiful literary accomplishment." - Carol Shaben, author of *Into the Abyss* "I can't remember the last book that affected me like *Plunge!* It's very moving and strong and honest and beautifully written. I was drawn in from the start-a gifted writer." -

Dalia Pagani, author of *Mercy Road* "So well written and so compelling." - Louise Crowley, Program Director, Vermont College of Fine Arts, MFA in Writing *Crow, the King of Sumo* Austin Macauley An intriguing, uncensored, inside view of the not-so-friendly skies through the eyes of former flight attendant, Margo Anderson. If you are a frequent flier, or if you plan to fly in the near future, fasten your seat belt for a turbulent read!

After five years of flying with a commuter airline based at Atlanta's Hartsfield-Jackson International Airport, Anderson draws on her personal experiences and conversations, painting a portrayal of life as a flight attendant--grueling twelve hour days, complaining and unfriendly passengers, and unexpected, almost unbelievable situations, especially in the days and weeks following 9/11. Anderson navigates the complex world of flight crews with clarity, insight,

wittiness, and her own special brand of humor. Readers are given a view of flying they may never have seen before, through the lens of the workhorse of the airline industry, regarded by many as the "puddle-jumpers," the commuter airlines.

"From the most unlikely of unlikely romances comes a deeply felt, touching, humorous exploration of what love and age mean in today's world. I can't recommend this book

highly enough." -- Stan Evans, Emmy-award winning writer, and author of *Box of Mustaches* When thirty-two-year-old actor Gregor Collins reluctantly interviewed for a job as a caregiver more out of a favor to a friend - he had no idea his life was about to change forever. Seconds into the chance meeting in 2008 with, it would turn out, a world-renowned Holocaust refugee named Maria Altmann, there was an unexplainable magic in the air - it felt as if they had already met. And

Collins was suddenly thrown into a situation with which he had never before been confronted: caring for someone other than himself. Gregor offers us a personal and unprecedented look at Maria over the three intimate years he cared for her - her thrilling escape from the Nazis, her fight and subsequent win in the landmark Supreme Court Case to return original Gustav Klimt artwork that belonged to her family in Austria, and the extraordinary people she

met along the way. But the real heart of the story transcends mere historical facts. Through a refreshingly raw portrayal of their unlikely and unbreakable bond, imbued with humorous, candid anecdotes about his mercurial relationship with Hollywood, Gregor takes us on a deeply emotional journey of how he opened up his heart to a 92-year-old woman in need - and in turn experienced the love he had been searching for his entire life.

 Michael Dante played the title role in *Winterhawk* (1975), a Western about a legendary Blackfoot Chief's character and his principles. In this novella sequel, he pens an ageless saga about ruthless railroad executives trying to assassinate him in order to build their railroad directly through his territory, taking the

Blackfoot land without provocation. Winterhawk and his tribe remain strong as long as they can, to protect the land of their people, the land they call home, before the invasion of progress imposes itself on America. This inspiring story of a brave man, who stands up to and fight against those who have their own agenda for his land, evokes the nostalgic atmosphere of Western series that Dante frequently appeared in during American television's Golden Era,

such as Death Valley Days, The Big Valley, Daniel Boone, Custer, The Texan, Bonanza, Maverick, and Cheyenne. Before Night Falls Createspace Independent Pub
