*New Age Journal* Anchor  
Comprehensive coverage  
of classic and  
contemporary approaches  
to argument, including  
Aristotle, Toulmin, and a  
range of alternative  
views, making it a  
versatile text. Readings  
on contemporary  
controversies (including

the purpose of a college  
education, immigration, a  
peacetime draft, and  
obesity) and classic  
philosophical questions  
(such as, "How free is the  
will of the individual?")  
are sure to spark student  
interest and lively  
discussion and writing.  
Refined through seven  
previous editions, it has  
been revised to address  
current student interests  
and trends in argument,  
research, and writing, and

has been updated with  
compelling new topics  
and readings and more on  
analyzing visuals and  
presenting oral  
arguments.

People who can't or won't  
negotiate on their own  
behalf run the risk of  
paying too much, earning  
too little, and always  
feeling like they're getting  
gypped. Negotiating For

Dummies, Second, Edition offers tips and strategies to help you become a more comfortable and effective negotiator. And, it shows you negotiating can improve many of your everyday transactions—everything from buying a car to upping your salary. Find out how to: Develop a negotiating style Map out the opposition Set goals and limits Listen, then ask the right question Interpret body language Say what you mean with crystal clarity Deal with difficult people Push the

pause button Close the deal Featuring new information on re-negotiating, as well as online, phone, and international negotiations, Negotiating for Dummies, Second Edition, helps you enter any negotiation with confidence and come out feeling like a winner.

#### Deliverance of the Brain Frog Books

A mention of flatulence might conjure up images of bratty high school boys or lowbrow comics. But one of the most eloquent—and least expected—commentators

on the subject is Benjamin Franklin. The writings in *Fart Proudly* reveal the rogue who lived peaceably within the philosopher and statesman. Included are "The Letter to a Royal Academy"; "On Choosing a Mistress"; "Rules on Making Oneself Disagreeable"; and other jibes. Franklin's irrepressible wit found an outlet in perpetrating hoaxes, attacking marriage and other sacred cows, and skewering the English Parliament. Reminding us

of the humorous, irreverent side of this American icon, these essays endure as both hilarious satire and a timely reminder of the importance of a free press.

*Against The Grain*

HarperCollins UK

Has your life been a failure? Let's make your death a success. With the twenty-first century just a distant memory and the world in environmental chaos, many people have lost the will to live. And business is brisk at The Suicide Shop. Run by the

Tuvache family for generations, the shop offers an amazing variety of ways to end it all, with something to fit every budget. The Tuvaches go mournfully about their business, taking pride in the morbid service they provide. Until the youngest member of the family threatens to destroy their contented misery by confronting them with something they've never encountered before: a love of life.

A collection of Professor Oliver's most telling articles, essays and book reviews garnered from the pages of Liberty Bell Magazine's 'Postscripts'. *Assholes* Enthea Press  
Once languages become written, they change. Only in writing does language develop the artfulness and richness that we associate with a Shakespeare, a Proust or a Whitman. Yet over the last forty years, the English-language has effectively gone into reverse - taking our lead from America and the

legacy of the 1960s, our culture increasingly privileges the oral over the written, spurning the art of elaborated, 'written'-style language in favour of returning to the state of a spoken culture. Parallel developments have occurred in music. In this controversial and thought-provoking book, John McWhorter argues that the 1960's rejection of cultural traits associated with the Establishment, as well as a democratic celebration of what anyone can do over what requires

training or talent, has led to our culture being increasingly impoverished, both intellectually and artistically...  
*Dare to Be Yourself*  
 Spectra  
 A bestselling linguist takes us on a lively tour of how the English language is evolving before our eyes -- and why we should embrace this transformation and not fight it Language is always changing -- but we tend not to like it. We understand that new words must be created for

new things, but the way English is spoken today rubs many of us the wrong way. Whether it's the use of literally to mean "figuratively" rather than "by the letter," or the way young people use LOL and like, or business jargon like What's the ask? -- it often seems as if the language is deteriorating before our eyes. But the truth is different and a lot less scary, as John McWhorter shows in this delightful and eye-opening exploration of how English has always been in

motion and continues to evolve today. Drawing examples from everyday life and employing a generous helping of humor, he shows that these shifts are a natural process common to all languages, and that we should embrace and appreciate these changes, not condemn them. Words on the Move opens our eyes to the surprising backstories to the words and expressions we use every day. Did you know that silly once meant “blessed”? Or that ought was the original past

tense of owe? Or that the suffix -ly in adverbs is actually a remnant of the word like? And have you ever wondered why some people from New Orleans sound as if they come from Brooklyn? McWhorter encourages us to marvel at the dynamism and resilience of the English language, and his book offers a lively journey through which we discover that words are ever on the move and our lives are all the richer for it. *Asshole No More* Inst for Historical Review

In the spirit of the mega-selling *On Bullshit*, philosopher Aaron James presents a theory of the asshole that is both intellectually provocative and existentially necessary. What does it mean for someone to be an asshole? The answer is not obvious, despite the fact that we are often personally stuck dealing with people for whom there is no better name. Try as we might to avoid them, assholes are found everywhere—at work, at home, on the road, and in the public sphere.

Encountering one causes great difficulty and personal strain, especially because we often cannot understand why exactly someone should be acting like that. Asshole management begins with asshole understanding. Much as Machiavelli illuminated political strategy for princes, this book finally gives us the concepts to think or say why assholes disturb us so, and explains why such people seem part of the human social condition, especially in an age of raging narcissism and

unbridled capitalism. These concepts are also practically useful, as understanding the asshole we are stuck with helps us think constructively about how to handle problems he (and they are mostly all men) presents. We get a better sense of when the asshole is best resisted, and when he is best ignored—a better sense of what is, and what is not, worth fighting for. *Why English Won't - and Can't - Sit Still (Like, Literally)* Enthea Press  
Chantal Heide, the leading

voice in *Conscious Dating*, helps singles hit the refresh button in the dating world with her sound advice and techniques offered up in *No More Assholes*. Through simple explanations and anecdotal stories, learn the science of attraction and human behaviour, avoid dating pitfalls, and attract the ideal relationship you want faster. Chantal leads ground-breaking seminars designed to teach women how to connect with themselves and others,

including the kind of partner who will treat them with the utmost love and respect. Her seven steps are invaluable tools for life, not just dating. You'll gain a greater sense of your own true worth and increased confidence knowing how to communicate what you want in a relationship, without the fear of sounding needy or unrealistic. From getting over an ex to conflict resolution once you meet the right person, Chantal teaches you how to find and keep a loving

relationship that will satisfy your soul. She helps you understand human behaviour and recognize our amazing ability to create a fulfilling spiritual connection. Chantal skillfully sets you on a path of intimacy with yourself and teaches you how to engage with others in a way that opens the door to a deeply loving and lasting relationship. If you're looking for a book that will enrich your love life "for life," this is the one! "Very, very effective. Great advice, and concise.

What people really need to know to move into a really great love." - Chris Patton, author of *Showing Up, Becoming The Me I Want To Be*  
[Deadheads](#) Random House  
 Explains how success in life can be achieved by being mean, selfish, and disrespectful to others, using humorous anecdotes from the author's life as a guide.  
**Motion and Time Study**  
 Mountain of Fire and Miracles Ministries  
 The good Dr. X. Crement continues to wage his

battle against the creeping tide of assholeism. Having studied assholes and their behavior all of his life, he is now ready to make his greatest revelation of all: that the spread of assholeism during the last century has been orchestrated as part of a secret, international conspiracy! Until now, we have believed that the problems of society could be blamed on poverty, ignorance, and exploitation. But we were wrong. These problems have all been engendered

by well-placed assholes who have kept society stirred up and confused. The School Principal Xlibris Corporation Death and War, two of the feared Horsemen, are sent to stop a group of renegades from locating a hoard of weapons possessing ultimate power and malice and unleashing total destruction. **Dear Thing** Henry Holt and Company "The book focuses on the precursors to World War II and the war's aftermath, rather than on the events

of the war itself, Chamberlin begins with an analysis of World War I and its consequences and describes the factors that led to the outbreak of war in Europe during the 1950s. He then turns to World War II and presents his opinions on the conflict at home regarding direct U.S. engagement in the war. He details the events and diplomatic decisions that eventually led to the U.S. entrance into the Atlantic and Pacific conflicts."--BOOK JACKET. **The No Asshole Rule** St.

Martin's Press  
Until recently, it was almost impossible to find anyone who would take the disease of assholism seriously. Compulsively rode treatment of others was viewed only as a character flaw, not as an addiction over which the asshole had no real control. Dr. Crement, who began his career in proctology but has since switched to psychiatry, corrects this glaring omission with this encyclopedic treatment of assholism. The book is written primarily as a self-

help guide for recovering assholes -- people who have come to grips with their addiction and are trying to learn what it means to be a decent human being. But it also includes a thorough description of the causes of assholism and the terrible waste this menace creates.

**A Theory** John Wiley & Sons  
Short Stories you gotta Loveem You Just Cant Put It Down is considered to be highly entertaining and cleverly suspenseful turn of events that has it all.

The Hamilton girls will have you on the edge of your seat as will the Old Lady Cora. However, Bella will remind you how good it feels to fall head over hills in love again. And you are going to enjoy meeting Little Emily Annette Brown and will admire her courage but wont believe her actions. Im Not Ready to Be A Golden Girl, well lets just say, the name says a lot. The Madison House, last but not lease. Its refreshing and heartwarming and will leave you wanting more.

**Darksiders** College le  
 Overruns  
 Are you the type of leader  
 people want to follow?  
 You can be—but first,  
 you've got to understand  
 what sets great leaders  
 apart from all the rest.  
 Certainly, leaders need  
 people skills, execution  
 skills, a deep knowledge  
 of industry trends, the  
 ability to articulate a  
 vision, and more—they  
 must be competent—but  
 that's just the tip of the  
 iceberg. What's below the  
 waterline? What's deep  
 inside the best leaders  
 that makes them

different? Mark Miller  
 contends it is their  
 leadership character. In  
 his latest enlightening and  
 entertaining business  
 fable, he describes the  
 five unique character  
 traits exhibited by  
 exceptional leaders and  
 how to cultivate them.  
 The Heart of Leadership  
 begins with young and  
 ambitious Blake Brown  
 being passed over for a  
 desperately wanted  
 promotion, despite an  
 outstanding individual  
 performance. Confused  
 and frustrated, he turns to  
 his former mentor, Debbie

Brewster. Rather than  
 attempting to solve  
 Blake's problem for him,  
 she sends him on a quest  
 to meet with five of his  
 late father's colleagues,  
 each of whom holds a  
 piece of the puzzle he's  
 trying to solve. As Blake  
 puts the pieces together,  
 he discovers that in the  
 final analysis, a lack of  
 skills isn't what holds  
 most leaders back; skills  
 are too easy to learn.  
 Without demonstrated  
 leadership character,  
 however, a skill set will  
 never be enough. Most  
 often, when leaders fail to

reach their full potential, it is an issue of the heart. This is Blake's ultimate revelation. This book shows us that leadership needn't be the purview of the few—it is within reach for millions around the world. *The Heart of Leadership* is a road map for every person who desires to make a difference in the lives of others and become a leader people want to follow.

### **Doing Our Own Thing**

Business Plus

The immense popularity of Dr. Crement's first

book, *A\*\*hole No More*, has led him to write a sequel on the subject, *A\*\*holes Forever*. In this new book, Dr. Crement examines those sad cases in which the disease of assholism has become so severe that there is seemingly no cure for it. These are people who have chosen to be assholes forever. Dr. Crement laments that even though the cure for assholism is now well known -- thanks to *A\*\*hole No More* -- there are people who refuse to recognize their chronic

assholism as a disease and seek help. Dr. Crement lists the types of people and groups most prone to being assholes forever, documenting the tricks they use to take advantage of everyone else -- and explains what to do to spot 'em and to stop 'em.

*A Dalziel and Pascoe Novel* Gallic Books

'Humour and topicality along a cold enigmatic trail of murder' *Observer*  
*How I Got Rich & Happy by Not Giving a Damn about Anyone & how You Can, Too* Macmillan

It is 1919 and Elizabeth Hughes, the eleven-year-old daughter of America's most-distinguished jurist and politician, Charles Evans Hughes, has been diagnosed with juvenile diabetes. It is essentially a death sentence. The only accepted form of treatment - starvation - whittles her down to forty-five pounds skin and bones. Miles away, Canadian researchers Frederick Banting and Charles Best manage to identify and purify insulin from animal pancreases - a miracle soon marred by

scientific jealousy, intense business competition and fistfights. In a race against time and a ravaging disease, Elizabeth becomes one of the first diabetics to receive insulin injections - all while its discoverers and a little known pharmaceutical company struggle to make it available to the rest of the world. Relive the heartwarming true story of the discovery of insulin as it's never been told before. Written with authentic detail and suspense, and featuring

walk-ons by William Howard Taft, Woodrow Wilson, and Eli Lilly himself, among many others.

Small Press Record of Books in Print Moon Rock Books

On the long roads of Deverry ride two mercenaries whose fates like hidden deep in that of their own land. But Lord Rhodry, exiled from the dragon court of Aberwyn, has yet to discover his true parentage, and his swordmaster-lover, Jill, has barely glimpsed her awesome powers.

Meanwhile, the ancient sorcerer Nevyn, held back by his vows from boldly intervening in their lives, can only watch and wait as Rhodry and Jill move ever closer to danger. For as the two struggle to recover the Great Stone, the mystic jewel that guides the conscience of

the kingship of Deverry, malevolent dark masters are weaving terrifying spells against them--and displacing messengers of death. Katharine Kerr has extensively rewritten Darkspell, incorporating major changes in the text, making this her definitive edition. Here the epic saga that began with the

Daggerspell continues--a tale of might and magic, lust and glory, dark danger and poignant desires that echo from Deverry's sapphire waters to its secret mountain caverns. It's a spellbinding story destined to please fantasy lovers everywhere.
