Discovering God's Extravagant Love in Unexpected Places Vintage

"Now there arose a new king over Egypt, who did not know Joseph" (Exodus 1:8). With that introduction, we enter into the story of the Hebrew people in the Book of Exodus. No longer under the protection of their forefather Joseph, the children of Israel became slaves to the Egyptians. But God was raising up a deliverer in Moses, to lead His people from bondage to freedom so they could worship Him. In this 10-session verse-by-verse study of

Exodus 1-18, journey alongside God's people from Egypt to Mt. Sinai to unpack the deeper meaning behind stories that may already be familiar to you: the struggle of God's people in slavery to the Egyptians, the birth and life of Moses, the plagues God leveled against Pharaoh, and God's great provision in the parting of the Red Sea. Discover how God fights for His children and prioritizes their worship of Him above all else. Additional purchase or renting of the video teaching sessions is recommended for the best experience of this Bible study book. Features: Leader helps to guide questions and discussions within small groups Personal study segments to complete among 10 weeks of group sessions Ten essential teaching videos, approximately 30-45 minutes per session, available for purchase or rent Benefits: Learn the deeper theological implications of stories you've known for years. Understand how God protects His children and prioritizes their worship of Him above all else. Explore how God provided deliverance for His children to be able to worship Him freely and how it affects our lives today.

United States Army Cap Insignia 1902-1975 By: Michael F. Tucker America was entering a new century. Fresh from defeating Spain in the Spanish-American War, the young country was assuming its new position in the old world order. Filled with confidence and economic strength, the United States looked towards the future with the many opportunities and changes presented to it and its people. These changes also applied to the United States Army and its uniforms, in particular, the uniform cap and its insignia. Presented here are those changes in US Army cap insignia during the twentieth century. Shown in photographs and words drawn from US Government and US Army archives, with dimensions and close-up images of insignia, a thorough history can now be revealed!

What comes after 1 + 1? Just about anything! In this fanciful collection, Amy Krouse Rosenthal puts together unexpected combinations that always add up to something special. Whether it's "wishes + frosting = birthday" or "birds + buds = spring," each equation is a small delight. This Plus That shows again and again that life's total experience is always greater than the sum of its parts.

Have you ever wished certain passages weren't in the Bible? It can be all too easy to trade the truth of God's grace and mercy for a skewed view of certain biblical texts that seem to paint God as oppressive, distant, or difficult to understand. Upon closer examination, this harsh view of God is the exact opposite of His true character. God welcomes His children with deep compassion and care, while holding all power and authority. In this 7-session study, discover God's extravagant love in some of Scripture's most misunderstood passages. Because the God of the Old Testament is the same redemptive, loving, and grace-filled God we see through Christ in the New Testament. How Much More will show you that God is for you--even in the places He may have seemed silent before. Features: Leader helps to guide questions and discussions within small groups Personal study segments to complete among 7 weeks of group sessions Seven enriching teaching videos, approximately 30-40 minutes per session, available for purchase or rent Benefits: Tackle some overlooked or misunderstood passages in Scripture, uncovering how they ultimately show God's kind character. Explore the historical-cultural context of biblical texts to grasp their deeper meaning. Learn about God's real redemption from real stories in the Bible and how He longs to redeem your story too. Allow a renewed understanding of God's perfect compassion and perfect holiness to drive you to deeper intimacy and trust in Him.

The classic work about meetings and decision-making. Meetings are a crucial part of all our lives, but too often they go nowhere and waste valuable time. In Six Thinking Hats, Edward de Bono shows how meetings can be transformed to produce quick, decisive results every time. The Six Hats method is a devastatingly simple technique based on the brain's different modes of thinking. The intelligence, experience and information of everyone is harnessed to reach the right conclusions quickly. These principles have been adopted by businesses and governments around the world, ending conflict and confusion in favour of harmony and productivity. The Six Hats strategy will fundamentally change the way you work and interact. 'An inspiring man with brilliant ideas. De Bono never ceases to amaze with his clarity of thought.' Sir Richard Branson

In his most extraordinary book, the bestselling author of *Awakenings* and "poet laureate of medicine" (The New York Times) recounts the case histories of patients inhabiting the compelling world of neurological disorders, from those who are no longer able to recognize common objects to those who gain extraordinary new skills. Featuring a new preface, Oliver Sacks's *The Man Who Mistook His Wife for a Hat* tells the stories of individuals afflicted with perceptual and intellectual disorders: patients who have lost their memories and with them the greater part of their pasts; who are no longer able to recognize people and common objects; whose limbs seem alien to them; who lack some skills yet are gifted with uncanny artistic or mathematical talents. In Dr. Sacks's splendid and sympathetic telling, his patients are deeply human and his tales are studies of struggles against incredible adversity. A great healer, Sacks never loses sight of medicine's ultimate responsibility: "the suffering, afflicted, fighting human subject."

It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. R is for Rushdie. Set in an exotic Eastern landscape peopled by magicians and fantastic talking animals, Salman Rushdie's classic children's novel *Haroun and the Sea of Stories* inhabits the same imaginative space as *Gulliver's Travels*, *Alice in Wonderland*, and *The Wizard of Oz*. Haroun, a 12-year-old boy sets out on an adventure to restore the poisoned source of the sea of stories. On the way, he encounters many foes, all intent on draining the sea of all its storytelling powers.

God of Deliverance - Bible Study Book

From two former military officers and award-winning authors, a chillingly authentic geopolitical thriller that imagines a naval clash between the US and China in the South China Sea in 2034--and the path from there to a nightmarish global conflagration.On March 12, 2034, US Navy Commodore Sarah Hunt is on the bridge of her flagship, the guided missile destroyer USS John Paul Jones, conducting a routine freedom of navigation patrol in the South China Sea when her ship detects an unflagged trawler in clear distress, smoke billowing from its bridge. On that same day, US Marine aviator Major Chris "Wedge" Mitchell is flying an F35E Lightning over the Strait of Hormuz, testing a new stealth technology as he flirts with Iranian airspace. By the end of that day, Wedge will be an Iranian prisoner, and Sarah Hunt's destroyer will lie at the bottom of the sea, sunk by the Chinese Navy. Iran and China have clearly coordinated their moves, which involve the use of powerful new forms of cyber weaponry that render US ships and planes defenseless. In a single day, America's faith in its military's strategic pre-eminence is in tatters. A new, terrifying era is at hand.So begins a disturbingly plausible work of speculative fiction, co-authored by an award-winning novelist and decorated Marine veteran and the former commander of NATO, a legendary admiral who has spent much of his career strategically outmaneuvering America's most tenacious adversaries. Written with a powerful blend of geopolitical sophistication and human empathy, 2034 takes us inside the minds of a global cast of characters--Americans, Chinese, Iranians, Russians, Indians--as a series of arrogant miscalculations on all sides leads the world into an intensifying international storm. In the end, China and the United States will have paid a staggering cost, one that forever alters the global balance of power.Everything in 2034 is an imaginative extrapolation from present-day facts on the ground combined with the authors' years working at the highest and most classified levels of national security. Sometimes it takes a brilliant work of fiction to illuminate the most dire of warnings: 2034 is all too close at hand, and this cautionary tale presents the reader a dark yet possible future that we must do all we can to avoid.
