Piercing the Darkness
Charisma Media
A guide to deliverance
ministry explains the
biblical record and
clarifies what a
deliverance ministry is
and how it functions in
the church of today.

The Bible is clear that
we face three different
types of opposition
while attempting to
successfully navigate
life as Ambassadors for
Christ. Our opposition
is identified in
Scripture as "the
world" (1 John
2:15-17), "the flesh"

(Romans 7:15-25), and "the devil" (1 Peter 5:8-9). The sad reality is that too many Christians lose more battles than they win and endure their walk with God rather than enjoy it because they often don't recognize how opposition through spiritual warfare actually works. More importantly, they have no idea how to effectively and efficiently respond to these attacks. Scripture nowhere indicates that a wish, a hope, a cliché, or a sincere guess represent adequate responses to attacks from these three very real enemies. Christians must be strategic in their responses to these clearly defined enemies, learning how to fight biblically rather

than just sincerely. In *Spiritual Warfare*, Dr. Karl Payne-- pastor of Leadership Development and Discipleship at Antioch Bible Church and former Chaplain for the NFL's Seattle Seahawks-- has written a guidebook for recognizing and responding to spiritual warfare that is simple, biblical, and transferable. Pragmatically speaking, the materials in this book are biblically sound, battle tested, and they work. As Christians we are supposed to live life as victors, not victims. It is past time we learn how to consistently walk our talk in the midst of conflict rather than passively sing songs or daydream about courageous Christian living.

Fight Back Vladimir Savchuk "Spiritual Warfare, " the sequel to Stella Davis's first book, "Giving God the Praise, " provides teachings on spiritual warfare for both priests and laity through the recounting of Davis's own experiences in ministry and those of her team. As a veteran missionary herself, Davis believed that various texts she had read available to the public and to priests did not treat spiritual warfare in the depth required, especially at a time when evil has so increased, and the need to know how to combat it is so great. Extraordinary supernatural phenomena have become more common in our day and cannot escape our attention.

Even those who consider themselves "enlightened," who maintain that the power of nature is unlimited, are put on their mettle by the undeniable facts of the preternatural. Intrigues of Satan are as active today as they were when God first called Davis to ministry. Hence, "Spiritual Warfare" attempts to address the need to deal with these occurrences, offering a call to repentance, healing, deliverance, and action.

In Ephesians 6:11, the Apostle Paul calls on all believers to put on the whole armor of God. We have many battles yet to fight but we do not fight to achieve victory; we fight from the victory already achieved on the cross. There are certain enemies whom God delivers you from, but there are other enemies He empowers you to have dominion over. Deliverance is

what God does in you; dominion is what He does through you. You can stop being tired of going from deliverance to deliverance. You can escape the disappointment in the spiritual wilderness that follows what you believed to have been your freedom. You can stop the enemy from coming back again and again with the same strategy, and put him “down for the count” at last. You have been given all the weapons and spiritual armor you need – as you read this book, you will be equipped to use them. Get ready to Fight Back. Pastor Vlad leads you to Biblical truths in the Scriptures, and through many of his numerous experiences. His inspirational stories will enable you to keep your feet walking daily

on the pathway of dominion in every area of your life. It is time – to put an end to battles that were passed onto you by others - to learn to use and master the spiritual weapons you have at your disposal - to overcome dark spiritual wildernesses and to renew your mind so that you can see the transformation in your personal life. 70 Rules of Spiritual Warfare Wnd Books
 Have You Unknowingly Invited Demonic Enemies into Your Life?
 Many Christians are being tormented by unseen demonic powers called “familiar spirits” that operate inconspicuously within the fabric of people’s thoughts, emotions, and mindsets—working so secretly that they usually remain

undetected. These demonic spirits can be attached to specific individuals, families, or bloodlines. Familiar spirits hinder believers' lives in numerous ways, diminishing their spiritual vision and seeking to prevent them from fulfilling their destinies. They may block people's ability to overcome negative patterns, attain lasting success, and even marry and conceive children. Without realizing it, we can invite such unseen enemies into our lives. We may have left open a door to their influence due to personal trauma, unforgiveness, bitterness, or false thinking. Then, we become trapped in a type of spiritual debt. We are restricted from being fully free in

Christ so that we constantly live with frustration, worry, anger, or a feeling of hopelessness. Overcoming Familiar Spirits by pastor and teacher Dr. Kynan Bridges powerfully exposes Satan's demonic agenda so you can be set free. You will learn to detect the presence of familiar spirits, such as the spirits of sabotage, calamity, rejection, jealousy, fear, infirmity, oppression, premature death, prevention, perversion, and more. You will gain a fresh revelation of who you are in Christ and your authority as a believer and be equipped with the tools to enjoy lasting freedom. Through his books, preaching, and counseling, Dr. Bridges has shown thousands

of believers how to address hindrances in their lives. Discover how to eradicate unseen familiar spirits and be released from spiritual bondage and debt!

The Horse and His Rider Independently Published

This book was birthed from the author's encounter with a student while lecturing on Spiritual Warfare at Bible School in Japan. The student was a Buddhist and had never been to church, she had never read the Bible or any book about God. During this encounter, the author explained to the student that if she was to know anything

about God or to decide if God is better than Buddha, she would need to read the Bible to know who God is. The student agreed to this line of reasoning and promised to read the Bible. As a result of this encounter along with other reasons, the Holy Spirit impressed upon the author to put together a Deliverance Workbook to help create an awareness and enlighten the upcoming generation on the important subject matter of deliverance. The book explains all the major aspects of deliverance and is strongly recommended to all Churches, Ministries, Ministers of God, Prayer Band/Intercessory Groups, Prayer Ministries, Bible Schools, Seminaries,

and all other Christian organizations worldwide. The book address such topics as: "What is Deliverance?", "Satanic Kingdoms", "Can A Christian Have Demons?", "Satanic Initiations", and much more. To reject the teachings on deliverance is sheer ignorance. It is time to rise up and build a militant army, to join hands with Jesus Christ in destroying the works of Satan (1 John 3: 8).

Are you aware of the spiritual battle being waged around you today? The truth is that

although spiritual warfare is a major theme in the Bible, many of us gloss over it--or ignore it completely. But 80 percent of the synoptic gospels addresses the battle with evil spirits, and Jesus and His disciples set a clear example for believers. We cannot afford to practice a powerless Christianity in a fallen world. In this essential, accessible resource, former evangelical seminary professor and missionary Charles Kraft helps you find your footing in the spiritual battle. Based on a solid biblical foundation and on decades of ministry experience, this book will help you: · Differentiate between myths and truths about spiritual warfare · Recognize the

everyday battles taking place around you · Learn what demons really are and what they actually do · Understand the rules for engaging the enemy · Achieve victory in daily battles with the help of the Holy Spirit Don't let fear keep you from engaging the spiritual forces at work around you. Some problems can't be overcome in any other way. "This book is a must-read for anyone looking to engage in spiritual warfare." --Larry Richards, author of *The Full Armor of God* "Dr. Kraft has removed the veil of mystery that has surrounded deliverance ministry for far too long. With truth and honesty, he has opened the door to the evangelical community and given

us the tools to set the captives free."--Tim Howard, president and founder, Wellsprings of Freedom International "For more than thirty years now, Dr. Charles Kraft has been studying and writing about spiritual warfare. In this latest book, Dr. Kraft summarizes his findings and shares from his years of experience his approach to inner healing and deliverance ministries. This book needs to be read by every student studying spiritual formation, by every missiologist engaged in missionary activities and by every pastor and church worker committed to making healthy disciples of the Lord Jesus Christ."--Douglas Hayward, department chair, Graduate Intercultural

Studies, Cook School of Intercultural Studies, Biola University "Personally awakened to the spiritual nature of our Christian faith, Charles Kraft calls us to wake up as well. This book is a must-read for any who seek to understand God's work in the world today from the vantage point of an evangelical who daily engages in spiritual warfare."--Scott Moreau, professor of intercultural studies, Wheaton College Graduate School "Most Christians are blind to the spiritual realities around us. This book pulls back the veil into the unseen world, where there is a battle. This book will quickly become a classic. Charles is steeped in wisdom in the area of spiritual warfare and has dedicated his life

to bringing restoration to the church."--Judith MacNutt, M.A., president and co-founder, Christian Healing Ministries "Charles Kraft has taken a topic that is still controversial among some in the body of Christ--spiritual warfare--and boiled it down to something we can all agree on: There is an enemy countering expressions of God's love in the lives of believers and lost souls alike that we must combat."--Jennifer LeClaire, senior editor at Charisma magazine and director of Awakening House of Prayer in Fort Lauderdale "Again, Chuck Kraft has reminded us that 'we are at war with a cruel enemy.' This guide to the warfare reflects Dr. Kraft's passion for

God's people to experience the full measure of the Father's love. His writing is grace-filled, balanced, thoughtful and practical."--John Shultz, Ph.D., president, Ashland Theological Seminary Truth Or Territory Partridge Africa In presenting this book, which is a true story, I relate a dramatic chain of events featuring dynamic miracles. During a time frame of just over half a year, pertinent scriptures were quickened to me at a time of impending bankruptcy, after trials of childhood trauma, coping pshychologically with a twenty year old incurable wound, and the need for deliverance from evil spirits. The first chapter of this

testimony presents the mystery that the names of books, and the numbers of chapter and verse of scriptures spontaneously came to mind twice in relatively quick succession when I travailed before God to get a word.. I rejected the first word because it baffled me and seemed irrelevant; therefore I tried again, only to receive a different text with exactly the same meaning, which, I believe, defied coincidence:and whoever will not receive you, nor heed your words, when you depart from that house or city, shake off the dust from your feet. Matthew 10:14 (italics mine) similar text from Luke 9:5 After recording the events of this book, I dwelt on amplifying the

personification of the word city in an unrelated scripture:and you shall be called Sought Out, A City Not Forsaken, Isaiah 62:12 A mystery is thus unfolded to those of my readers, who will embrace this testimony of victory in the spirit and echo the words which are the theme of this book, the song of praise and thanksgiving that Moses sang when God brought the Israelites safely through the Red Sea: Sing unto the Lord For He has triumphed gloriously The horse and his rider Hath He thrown into the sea Exodus 15:1

[Strategic Spiritual Warfare-Winning Your Battles within and without\(Expanded Version\)](#) Charisma Media

This book offers a critique of common spiritual warfare practices including binding Satan,

renouncing curses, spiritual mapping and exorcisms. Using Scripture, and Scripture alone, Pastor Jim Osman shows that true spiritual warfare is not a battle over territory, but a battle for the truth. The book is divided into four sections: Establishing Biblical Principles, Exposing Unbiblical Practices, Explaining Biblical Perspectives and Examining a Biblical Passage. A biblical approach to spiritual warfare recognizes the Bible as the sole authority, rejects unbiblical and man-made methods, and rests in Christ and His finished work for victory. Many in the modern spiritual warfare movement teach a methodology of spiritual warfare that is more akin to

something you would find in a Harry Potter novel (renouncing curses and using prayer mantras to seize territory) than anything described in Scripture. Many of these practices reflect a theology built on anecdotes, experience, and interviews with demons rather than a sound exegesis of Scripture. Footnoted quotations of authors like Mark Bubeck, Neil T. Anderson, and others are compared against Scripture to show that modern spiritual warfare "experts" have abandoned the authority of Scripture and opted for man-made methods to wage spiritual battle. The chapters include a study of the three enemies that every Christian faces: the

world, the flesh, and the devil. Pastor Osman answers from Scripture the questions: Can a Christian be demon-possessed? Is Christ's authority ours? and, What about exorcisms? One chapter includes a helpful discussion of the link between spiritual warfare and a believer's sanctification. The foreword is written by international conference speaker Justin Peters (justinpeters.org). This book is being published as an e-book as a fundraiser to finish the new church building of Kootenai Community Church (www.kootenaichurch.org) of which Jim is one of the pastors. All the proceeds go the building fund for the completion of that

project. You can see regular updates at <http://www.truthorterritory.com>.
