I may be a shy, lowly letter carrier, but when my beloved apartment building is threatened by a mysterious and reclusive billionaire, I'm willing to push the

envelope. I'm going to march right up to Malcolm Blackberg's fortress of fierceness and deliver a cease-and-desist notice he can't refuse. Except as soon as I get inside his gilded doors, things go sideways—I'm mistaken for Malcolm's court-ordered emotional intelligence coach—they think I'm acting out a wacky postal carrier cosplay. They drag me in, a sacrificial lamb for the big bad. Make that big, smolderingly sexy bad. So I make up a lesson involving a story about our building. He doesn't seem happy. Can he tell that I have no idea what I'm doing? Before I know it I'm flying around the country, up close and personality testing the most devilishly exasperating man I've ever met. He's scary for sure...but the way he sometimes looks at me turns my knees to jelly, and has me writing love letters to his gorgeous eyes, his mouthwatering smile, his impressive...package. Our coaching sessions are getting hot-hot-hot, but I can't let my guard down. If he ever finds out I'm a first-class fake, I'll lose everything I've ever loved in this world! \*\*\* \*\*The stand-alone romcoms in this series can be read in any order!\*\* Book 1. Teddy King excels at many things. Playing hockey. Check. Scoring on and off the ice. Check. Being stupidly attractive ... Double check. Despite his demanding schedule, he still finds time to annoy me. I knew him way back when. Before he was the guy everyone wanted a piece of, he was just a rebellious college co-ed and one of my more energetic study partners. But secrets

have a way of getting out, and a steamy encounter from our college days (that we probably shouldn't have filmed) is about to cause a major scandal. Unless we can work together to stop it. Teddy's no stranger to hard work ... but the thing he wants most? Is me. Note: This high-heat standalone is chock-full of scorching banter and steamy good times. He's a testosterone-dripping hockey player who wants a second chance. She's a tough as nails attorney intent on making partner. Frienemies to lovers. No cliffhanger. Enjoy! Your favorite hot jocks are back with an all new stand-alone novel. If you like sexy, confident men who know how to handle a stick (on and off the ice), and smart women who are strong enough to keep all those big egos in check, this series is perfect for you!

[Return Billionaire to Sender](#) Kendall Ryan Eliza Knight's bestselling Scottish historical romance series, *The Stolen Bride Series*, is back with another amazing tale of adventure, passion and love! Ceana Montgomery had notions of marrying for love after her first disastrous marriage ended in widowhood. But now Robert the Bruce has ordered her to marry a stranger, securing a strong alliance and ending a decades-old feud. Already used as a pawn once in marriage, she is devastated that she will once more have to give up her happiness in order to please the edicts of men. And while the braw warrior standing before her might incite feelings inside her she thought long since buried, desire is a far cry from love. The rivalry between Brochan Lamont and his twin brother, John, began in the womb, and only grew worse from there. They were pitted against each other in childhood, and their father left them with a legacy that was a

race to the finish-whoever has an heir first inherits the lands. The only problem is that Brochan has given his loyalty to the Scots, and his brother to the English. In order to keep the lands and ships under Scottish control, Robert the Bruce demands Brochan marry to break the iron-clad will. His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire. Aligned to strengthen the Scottish claims on the realm, Brochan and Ceana must work together to overcome the obstacles that bind them. But perhaps seeing their duties through does not have to be as painful as they both predicted. Is it possible that love can be forged from a union born in alliance? Maybe Fate knew all along just who was meant for who...

 "This heartfelt, witty addition to women's fiction will appeal to fans of Elizabeth Berg and Anna Quindlen." (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank

accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow's fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, *The Widow Waltz* explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, "What is family, really?"
