KAISER SWEENEY

Daily Reading Comprehension, Grade 4 Evan Moor Educational Publishers

Supplement your science curriculum with 180 days of daily practice! This invaluable classroom resource provides teachers with weekly science units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze and evaluate scientific data and scenarios, improve their understanding of science and engineering practices, answer constructed-response questions, and increase their higher-order thinking skills. Each week covers a particular topic within one of three science strands: life science, physical science, and Earth and space science. Aligned to Next Generation Science Standards (NGSS) and state standards, this resource includes digital materials. Provide students with the skills they need to think like scientists with this essential resource!

Daily Science, Grade 5 Skill Sharpeners Science

Daily instruction on reading strategies and skills needed to improve comprehension and raise test scores.

Grade 3, Class Pack Teacher Created Materials

Supplement your science curriculum with 180 days of daily practice! This invaluable classroom resource provides teachers with weekly science units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze and evaluate scientific data and scenarios, improve their understanding of science and engineering practices, answer constructed-response questions, and increase their higher-order thinking skills. Each week covers a particular topic within one of three science strands: life science, physical science, and Earth and space science. Aligned to Next Generation Science Standards (NGSS) and state standards, this resource includes digital materials. Provide students with the skills they need to think like scientists with this essential resource!

Daily Bell Ringers Evan Moor Educational Publishers

Lesson plans and activities to teach science to middle school students.

Daily Geography Practice Evan-Moor Corporation

Describes the philosophy of the Daily 5 teaching structure and includes a collection of literacy tasks for students to complete daily.

Daily Learning Drills, Grade 3 Daily Science, Grade 5

Supplement your language arts block with 180 days of daily spelling and word work practice! This third grade spelling workbook provides teachers with weekly spelling and word study units that are easy to incorporate into the classroom or home. Perfect for after school, intervention, or homework, teachers and

parents can help students gain daily practice through these quick activities that correlate to state and national standards. Arranged into weekly units, the worksheets feature fun activities for third grade students such as analogies, word sorts, homophones, sentence completions, sentence types, inflectional endings, prefixes, suffixes, synonyms, antonyms, and more! The repetitive structure helps students focus on the words rather than the activities and allows for more independent practice. Provide fun, engaging, and purposeful practice for your students with this must-have student workbook that includes digital materials.

Daily Learning Drills, Grade 3 Evan-Moor

Connect students in grades 5-8 with science using General Science: Daily Skill Builders. This 96-page book features two short, reproducible activities per page and includes enough lessons for an entire school year. It provides extra practice with physical, earth, space, and life science skills. Activities allow for differentiated instruction and can be used as warm-ups, homework assignments, and extra practice. The book supports National Science Education Standards.

180 Days of Science for Second Grade Evan-Moor Corporation

The teacher's edition contains reproducible student activity pages, and accompanying teacher support, answer key, and skills charts.

Daily Skill Practice Mark Twain Media

Lesson plans and activities to teach science to elementary level students.

Daily Math Practice, Grade 3 Evan-Moor Corporation

Supplement your science curriculum with 180 days of daily practice! This invaluable classroom resource provides teachers with weekly science units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze and evaluate scientific data and scenarios, improve their understanding of science and engineering practices, answer constructed-response questions, and increase their higher-order thinking skills. Each week covers a particular topic within one of three science strands: life science, physical science, and Earth and space science. Provide students with the skills they need to think like scientists with this essential resource!

Daily Academic Vocabulary, Grade 3 Evan-Moor

Lesson plans and activities to teach science to elementary level students.

Daily Language Review, Grade 4 Daily Reading Comprehension

General Science: Daily Bell Ringers for grades 5 to 8 features daily activities that prepare students for assessment expectations. Aligned to current state standards, this science supplement offers review and additional practice to strengthen

skills and improve test performance. --Mark Twain Media Publishing Company specializes in providing engaging supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, this product line covers a range of subjects including math, science, language arts, social studies, history, government, fine arts, and character.

Daily Science Stenhouse Publishers

Lesson plans and activities to help teach basic science to elementary school level students.

Common Core Science 4 Today, Grade 3 Teacher Created Materials

Make sure students use their skills, not lose them, with a daily dose of oral language! Daily Oral Language is a comprehensive guide for third- through fifth-grade teachers to prepare readers and writers with grammar, editing, and vocabulary skills and familiarize students with standardized test-taking practices. It includes 180 brief daily oral exercises with instructions for use, 18 multiple choice assessments with instructions for use, extension activities, a reproducible guide to proofreader's marks, and an answer key. This 96-page book aligns with Common Core State Standards, as well as state, national, and Canadian provincial standards.

Carson-Dellosa Publishing

Provide your students with frequent, focused skills practice with this Reproducible Teacher's Edition. The reproducible format and additional teacher resources give you everything you need to help students master and retain basic skills.

Grade 3 Daily Fundamentals

Fit standards-based science instruction into your curriculum! Help your grade 2 students develop a genuine understanding of standards-based scientific concepts and vocabulary using the 150 engaging activities in Daily Science! A variety of rich resources, including vocabulary practice, hands-on science activities, and comprehension tests in multiple-choice format, help you successfully introduce students to earth, life, and physical science concepts.

Daily Geography Practice, Grade 4 Evan-Moor

Common Core Science 4 Today: Daily Skill Practice provides the perfect standards-based activities for each day of the week. Reinforce science topics and the math and language arts Common Core State Standards all year long in only 10 minutes a day! Weeks are separated by science topic so they may be completed in the order that best complements your science curriculum. Review essential skills during a four-day period and assess on the fifth day for easy progress monitoring. Common Core Science 4 Today series for kindergarten through fifth grade covers 40 weeks of science topics with engaging, cross-curricular activities. Common Core Science 4 Today includes a Common

Core Standards Alignment Matrix, and shows the standards covered on the assessment for the week for easy planning and documentation. Common Core Science 4 Today will make integrating science practice into daily classroom instruction a breeze!
