Rick Rodgers  
presents more

sensational recipes that combine the newest tastes with traditional favorites, creating versatile and mouth-watering fondues that will thrill fondue lovers. Rediscover the pleasure of cooking food at the table with your friends and family as contemporary flavors and ingredients -- roast garlic, fresh ginger, sun-dried tomatoes, balsamic vinegar, and espresso--are stirred into

today's fondue pot. This is great food that is simple to make and perfect for entertaining. If you love the classic cheese version, try dipping cooked shrimp or artichoke hearts into Italian Fontina and Porcini Fondue; or vegetables and apples into Gorgonzola, Port, and Walnut Fondue. Dunk focaccia or Italian salami into Sun-Dried Tomato Pizza Fondue, bite-sized cubes of bread or even chicken breast

into Classic Swiss Fondue, made with three cheeses for a deliciously authentic masterpiece. Meat lovers will go for Fondue Bourguignonne, where chunks of table-fried meats (or poultry or fish) are dipped into a variety of quick-to-make sauces. Serve boneless leg of lamb with Balsamic Vinegar-Mint Sauce or turkey breast with Cranberry-Lime Mayonnaise.

Many Asian cuisines have their own versions of fondue that are popular choices for communal meals. Known as hot pots, they're an exotic mix of ingredients in a special savory stock. Try the famous Japanese version, Shabu-Shabu, with paper-thin slices of beef and a sesame dipping sauce, or the Classic Chrysan themum Hot Pot, composed of a variety of meats and fish to be dipped

in a soy-sherry sauce. For the confirmed dessert fanatic, nothing will please the palate more than sweet and rich tastes from your fondue pot. The choices are intoxicating-fresh strawberries, pineapples, and cherries, and chunks of pound cake can be swirled into Classic Chocolate Fondue. A sinful concoction of peanut butter and milk chocolate is made to be savored with

bananas or brownies. And who can resist dipping a cookie or two in Venetian Espresso Fondue? Intense in taste and flavors, innovative in form and preparation, fondue is the way we want to eat today.

Random House Digital, Inc. Richard Holbrooke was one of the most legendary and complicated figures in recent American history. Brilliant,

utterly self-absorbed, and possessed of almost inhuman energy and appetites, he was both admired and detested. From his days as a young adviser in Vietnam to his last efforts to end the war in Afghanistan, Holbrooke embodied the postwar American impulse to take the lead on the global stage. His power lay in an utter belief in himself and his idea of a muscular, generous foreign policy.

But his sharp elbows and tireless self-promotion ensured that he never rose to the highest levels in government. Holbrooke's story is the story of the rise and fall of America during its era of supremacy, its strength, drive, and sense of possibility, as well as its penchant for overreach and heedless self-confidence. [Head First JavaScript Programming](#) Barbara Sherman Stetson This stunning

fantasy inspired by Chinese folklore is a companion novel to Starry River of the Sky and the New York Times bestselling and National Book Award finalist *When the Sea Turned to Silver* In the valley of Fruitless mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her with old folktales of the Jade Dragon and

the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace

Lin, author of the beloved Year of the Dog and Year of the Rat returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, Where the Mountain Meets the Moon is a timeless story reminiscent of The Wizard of Oz and Kelly Barnhill's The Girl Who Drank the Moon. Her beautiful illustrations, printed in full-color, accompany

the text throughout. Once again, she has created a charming, engaging book for young readers.

Workman Publishing In Long Players, fifty of our finest authors write about the albums that changed their lives, from Deborah Levy on Bowie to Daisy Johnson on Lizzo, Ben Okri on Miles Davis to David Mitchell on Joni Mitchell, Sarah Perry on Rachmaninov to Bernardine Evaristo on

Sweet Honey in the Rock. Part meditation on the album form and part candid self-portrait, each of these miniature essays reveals music's power to transport the listener to a particular time and place. REM's Automatic for the People sends Olivia Laing back to first love and heartbreak, Bjork's Post resolves a crisis of faith and sexuality for a young Marlon James, while Fragile by Yes instils in George

Saunders the confidence to take his own creative path. This collection is an intoxicating mix of memoir and music writing, spanning the golden age of vinyl and the streaming era, and showing how a single LP can shape a writer's mind. Featuring writing from Ali Smith, Marlon James, Deborah Levy, George Saunders, Bernardine Evaristo, Ian Rankin, Tracey Thorn, Ben Okri, Sarah Perry,

Neil Tennant, Rachel Kushner, Clive James, Eimear McBride, Neil Gaiman, Daisy Johnson, David Mitchell, Esi Edugyan, Patricia Lockwood, among many others. *Curious Behavior* WeldonOwn+ORM Enjoy 300 easy and delicious fondue recipes perfect for any meal of the day with The Everything Fondue Cookbook. –Carmen Maria Machado A gripping set of stories about the forces that shape girls and the adults they become. A wise and brilliant guide to transforming the self and our society. In her powerful new book, critically acclaimed

author Melissa Febos examines the narratives women are told about what it means to be female and what it takes to free oneself from them. When her body began to change at eleven years old, Febos understood immediately that her meaning to other people had changed with it. By her teens, she defined herself based on these perceptions and by the romantic relationships

she threw herself into headlong. Over time, Febos increasingly questioned the stories she'd been told about herself and the habits and defenses she'd developed over years of trying to meet others' expectations. The values she and so many other women had learned in girlhood did not prioritize their personal safety, happiness, or freedom, and she set out to reframe those

values and beliefs. Blending investigative reporting, memoir, and scholarship, Febos charts how she and others like her have reimagined relationships and made room for the anger, grief, power, and pleasure women have long been taught to deny. Written with Febos' characteristic precision, lyricism, and insight, *Girlhood* is a philosophical treatise, an anthem for women, and a

searing study of the transitions into and away from girlhood, toward a chosen self.

The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of *How To Stop Time*

and The Comfort Book. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if

you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In The Midnight Library, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist;

she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place. **Simple Recipes for Cooking Through the Seasons** Simon and Schuster Explores the subtle, secret influences that affect the decisions we make--from what we buy, to the careers we choose, to what we eat. Peters & Small  
A young boy takes a trip on his own to visit his grandparents in Kentucky in this luminous entry in the acclaimed Port William series. In this “eloquent distillation of Berry’s favorite themes: the importance of family, community and respect for the land” (Kirkus Reviews), nine-year-old Andy Catlett embarks on a solo trip by bus to visit his grandparents in Port William,

Kentucky, during the Christmas of 1943. Full of “nostalgic, admiring detail” (Publishers Weekly), Andy observes the modern world crowding out the old ways, and the people he encounters become touchstones for his understanding of a precious and imperiled world. This beautiful, short memoir-like novel is a perfect introduction to Wendell Berry’s rich and ever-evolving saga

of the Port William Membership, filled with images “as though describing a painting by Edward Hopper” (The New York Times). *A Little Book That Teaches You When to Quit (and When to Stick)* Univ of North Carolina Press

The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondent s, writers, and

host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's

behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker

Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary,

with a reputation for calling bullshit and an ability to effect real change in the world.

Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal

moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows. *Our Man Melting Pot Restaurants* From its earliest days, *Women & Infants Hospital* has been a unique collection of people, disciplines, and talents.

Its patients and staff reflect the rich ethnicity of many different neighborhoods and heritages.
