The New Magnified Version of Isaiah in Plain English! Xulon Press

Traces the rise and career of the charismatic former president of Mexico, from his youth as the son of immigrants from the United States and Spain and his achievements as the youngest CEO in the history of Coca-Cola to his presidential efforts to reduce poverty, address corruption, and reform key social programs. 100,000 first printing. The DUH! Book of Management and Supervision CreateSpace

When a ventilator prevented her from speaking during her final hours, Jennifer started writing. After her death, her husband turns to those pages to tell her story of courage and faith. James had just walked through the door after a day's work when Jennifer told him the news that changed everything: it was cancer. In the following two years they would lose their sense of normalcy and their dreams for the future. But along the way, they would gain something even greater than their loss. Told through the eyes of a grieving husband is this true story of a young woman's fight for her life. Jennifer's final words, penned by hand when a ventilator prevented her from speaking, provide a powerful backdrop to this journey of faith and hope. A memoir that also offers a practical pathway for those struggling with loss, *The Last Seven Pages* is a testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing

promise.

The Life, Faith, and Dreams of a Mexican President Penguin

We hear about inadequate mental health care. We ask questions regarding a link between mental illness and violence. We do NOT hear as much about the stigma of mental illness that complicates one's ability to cope with a diagnosis that becomes a label, resulting in "self-stigma," discouraging individuals from seeking and/or complying with treatment. Too often community members only "experience" mental illness through dramatic or dire media stories that fail to inform us about the real world of mental illness. Thus, stigma feeds, and is fed by, myths and misunderstandings leading to a community sense of hopelessness and fear of mental illness. In contrast, Geel, a stigma-free community in Belgium, has a centuries' old history of accepting those with mental illness - even as boarders in their own homes. Geel acknowledges the human needs of those with mental illness and responds to those needs by providing social opportunities and meaningful work, within the community. While the U.S. does not have the same history as Geel, we do have programs that offer a fostering environment, offering hope for those with a diagnosis of mental illness as well as for the communities in which they live. In a language and style that can be understood by anyone and everyone, the author shares what she's learned and experienced regarding tolerance and inclusion - in Geel and in our own country - offering individuals and communities an opportunity to hear the encouraging "voices of hope for mental

illness." When the general population is freed of myths and misunderstandings regarding mental illness, we can focus on mental health fostered by community care that thrives in "caring communities."

Remembering Joy Createspace

The charismatic former president of Mexico offers a candid and provocative perspective on the state of world affairs. As president of Mexico, Vicente Fox brought true democracy to the country after seven decades of one party rule. Elected as a political outsider with a message of honesty, change, and hope, he is truly a hero of democracy, and this vivid book interweaves his inspiring personal story with his hopeful new vision for the future of the Americas. President Fox candidly reveals the ups and downs of his relationships with world leaders from George W. Bush and Tony Blair to Fidel Castro, Vladimir Putin, and Hugo Chávez. He also speaks out on hot global topics such as immigration, the war in Iraq, racism, the United Nations, free trade, and the moral imperative to heal the global divide between rich and poor nations. Outspoken, impassioned, sincere, and engaging, Vicente Fox embodies a quality that seems all too rare in world politics these days—the moral character of a genuine leader.

Going Through It CreateSpace

Two stolen Pakistani nuclear bombs, a conspiracy to manipulate the global market in rare earths and a plot to assassinate the President of the United States. It's going to be a busy week for Ali Monpour, special investigator for the National Security Advisor. *Rare Earths* is a fast-paced political thriller ripped from today's headlines! Action and intrigue intertwine from the deserts of Balochistan to the halls of power in

Washington, D.C.

Doctor Zhivago & an Anatomy of a Revolution James Pinnick

When entrepreneur Len Forkas learned that his nine-year-old son had leukemia, his own life changed forever. In 2003, Len founded Hopecam, a nonprofit that uses technology to connect young cancer patients with their friends at school. Ten years later, Len's fight against childhood cancer rose to a new level. He qualified as a solo competitor in Race Across America, a 3,000-mile bicycle race that traverses scorching deserts and 11,000-foot mountain elevations. As Len fought to finish the race is just 12 days, an all-volunteer crew supported him around the clock. *What Spins the Wheel* is a true story about fatherhood and fortitude, business grit and growth ? and the power of combining the right mission with the right team to help others.

Manifesting Your God Purpose Just Ink Press

1st Place Gold Award in the 2015 Feathered Quill Book Program for Science Fiction/Fantasy! Finalist in the 2014 Book Pipeline Contest! Travel to the future - it will only cost you everyone you love. Attacked and injected with a drug which slows his metabolism to a fraction of normal, Martin James becomes an unwilling time traveler who hurtles through the years. His children grow up, his wife grows older, and his only hope is finding the people who injected him in the first place- not an easy task when one day for Martin lasts four years. And while Martin James strives to find a cure before everyone he loves is gone, others are uncertain if his journey can be stopped at all. W. Lawrence weaves a dystopian future filled with the best and worst of humanity, highlights the blessings and

curses of technology, and pushes the limits of faith and hopelessness. Above all, Syncing Forward is a tale of one man's love for his family, and their devotion to saving him from being lost forever.

Toward an Hispanic Pentecostal Theology Sparkle Press, LLC

The non-fiction Common Core aligned readings and primary source Document Pamphlet series: Discovering America is designed to help students read for information and think critically while forming their own ideas. Students and adults alike will discover history by looking at artifacts constructed by the people who shaped the United States of America. Perfect for any classroom, from Fifth Grade to college, this series engages students and prompts them to think for themselves, question, reflect and gain a deeper understanding of history. In this edition, students discover the prolific Patrick Henry -- who some historians credit as firing the first figurative shot of the Revolution in his fiery "Give Me Liberty or Give Me Death" speech. Read select letters written by Henry, engage in his oratory, learn about his life and decide for yourself the impetus behind a man called one of the greatest Patriots in the history of America.

Grace is Born CreateSpace

The growth of the Pentecostal movement is often most evident among the poor and disenfranchised of society, as, for example, among the Hispanic-American community. As this community continues to develop, will Pentecostal theology be able to incorporate into its hermeneutics those issues that especially concern it? Solivan looks at relevant issues to this debate from a Hispanic-American perspective, presenting an overview of Hispanic

diversity, and its common roots and struggles. He talks of four critical issues in Hispanic theology (religious experience, suffering, the work of the Holy Spirit and the importance of language and culture) and other issues including acculturation and assimilation. He shows how a community's suffering and oppression can be transformed by the Holy Spirit into a liberating life, full of hope and promise.

Non-Fiction Common Core Readings Tate Publishing

Have you ever experienced brokenness, or perhaps you've encountered deep hurt, and battled with your self worth? This book will speak to the core of a broken spirit. Broken Wings: From Hurt to Hope This story chronicles a journey from a place of hurt to a place of hope and a place of freedom. Through real unfettered words, you will discover that a broken life can be mended again and pain is only temporary and that real victory comes after you made a decision to not give up on you. Hope is a Victor's trademark and is the fuel for life. In reading these pages you will gain insight on how to sustain your hope in the most darkest and challenging times of your life. Will you take this journey with me?

Spirit, Pathos and Liberation Penguin

Two things can happen through grief: we can become comfortable with it, allowing it to become an unwanted companion, or we can let hope rise. The latter is anything but easy; it's a journey. In Nothing to Hold but Hope, Jennifer Kostick takes us through her real life struggle of pain, telling us the story of her fifteen-year battle through miscarriage, stillbirth, and secondary infertility. She invites us to walk with her through the desert of grief while searching for hope. Throughout each step, Jennifer paints a candid portrait of

what the battle of grief looks like, while providing encouragement for the weary heart along the way.

The "New" Book of Revelations Random House Books for Young Readers
The Book of Isaiah is very Rich with Metaphors and Similes, if you are in Love with them, or not; but, most Poor People are not: beCause the Metaphors are far too "Foggy" for them to Understand, which Means that they must Practice Reading all such Books, just to get a Good Understanding of them. At any rate, this Version of Isaiah is by far the Best in the World, and is Rated as "Extremely Good" by Well-Educated People. Therefore, it is a "must read" Book, if anyone is Interested in Actually Understanding the Bible. Most People are not; but, that is not a Problem: because most People were not Born to be Masters. Indeed, most were Born to be Good Servants of Good Masters, which is Good: because the Masters are like the Head of the Body of Good Government, which Body must have many other Working Parts and Organs, just to Function Correctly as a Body. Therefore, do not let the Hands Despise the Eyes: beCause, what could the Hands Do without Eyes to Guide them, even if the Eyes belong to some other Person, who can See what is Needed. We suggest that Readers of this Inspired Book take their Sweet Time, and read only a few Chapters each Day, and do not attempt to read the entire Book during one Day, even though it will be Tempting to Finish it, quickly, just to Discover those Precious Parts that make it so Famous and Controversial among Religious Scholars, some of whom are very Perplexed by it: because no one can Rightly Deny that God, himself, is Speaking through "Isaiah," who may have been Reincarnated! Indeed, there

is the Possibility of it; but, do not let that "Buck you Out of the Saddle," as a Cowboy might say. Remember that this is a Companion Book of: "The New MAGNIFIED Version of The Book of MOORMUN!" (The Story of the White and Dark Indians in the Americas!), Book 040, which is perhaps the Best Modern Book in the whole World! Yes, unlike the Mutilated Bible, the Book of Mormon is much more Understandable, being "a New Revelation from God," you might say; but, it is nothing quite as Enlightening as the New MAGNIFIED Version, which most Definitely contains New Revelations from the Supreme Ruler of this Heaven and Earth. Therefore, do not let the Sun Set on another Day of Deprivation; but, PLEASE, for your own Sake, Educate yourself with all such Good Books: beCause that is True Wisdom on your part, which will make you Glad that you did. Guaranteed!

WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN
When Forbes Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new

home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy-especially after twelve years. Forbes isn't the same young man. He found his adventure-and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.

Maybe you're a recent college graduate, looking for a successful start to your career. Or an experienced professional, feeling the need to try something new. Either way, a whole host of opportunities await you-but if you really hope to ace that interview and get the job you want, you'll need the right skills to get ahead. So when you're navigating the complex twists and turns of today's changing job market, let *I'll Get That Job!* serve as your road map and guide. Featuring advice from real HR professionals, headhunters, and team managers, this essential job-hunting companion will let you know exactly what you need to do to

increase your chances, from social media presence to writing a great CV. While shedding light on the many myths and outdated "rules" that may actually bog you down in today's job-seeking experience, *I'll Get That Job!* serves as a source of motivation and encouragement for modern job hunters. After all, with hard work and the right mind-set, it really is possible for you to get that job you've always wanted-and become the most successful version of yourself along the way!

From Prison to Peace Prize: One Woman's Struggle at the Crossroads of History Haymarket Books

Grace is Born, a beautifully illustrated poetic parable, is the perfect gift for "sages of all ages, wearing the face of every race, talking the tongue of every one." This spiritual guide to harmonious living awakens our gifts of divinity, inspiring us to InSparkle our world with Loving Acts of Compassion. Grace guides us to take each other's hands, promising that together we will "far surpass the stance of survival and become enraptured in the dance of revival." *Grace is Born* accompanies readers throughout their childhood into adulthood.

A 6x9 Lined Notebook A&C Black Hope Dies Last is the true story of twenty-something Eleni Zoe's pursuit of love, a boy who will sit still with her for a while and the perfect mantra. As a self-confessed perpetual singleton, she shares her tragicomic stories as if she's whispering her heart out to you over a girly dinner. From first kisses and what sex is really like to bruised egos and broken hearts, Eleni asks the questions we each have on our quest for love. The difference is, she's also got some answers.

"It was the best of church, it was the worst of church..." [not Charles Dickens]
 In some ways, the church has a horrendous track record and is deserving of much of the hate, accusation and mistrust it has received. But, in many other ways, the church has also been monumental in affecting great systemic change, being first on the scene in crisis and on the forefront of reaching out to and loving well those considered the least of these. To those of you who believe church is the worst thing ever: You're right! To those of you who believe church is the best thing ever: You're right! The church was God's idea and it is the plan He has chosen to bring transformation to a world desperately in need of a deeper experience of His love. He doesn't appear to have a plan B. We are it! I call this book, 'i, church' because more than a building or a meeting or a list of do's and don'ts, the church is about the people. It is about me. And it is about you. If you love Jesus and have chosen to follow Him, then you are the church. Let's figure out together how to be the best church we can be. "Brett Anderson weaves a picture of the church that is stark and real. He sees through church politics and denominational blinkers and defines the core of what the church is and isn't and what God desires

it to be." [Bruce Collins, legend and appreciator of good coffee]

What Spins the Wheel Createspace Independent Pub

What did one man do when faced with the unspeakable, untimely loss of his younger brother? He set out on a 2,186-mile thru-hike of the Appalachian Trail. Now he shares his journey of healing on the higher road in *Don's Brother: A Hike of Hope on the Appalachian Trail*. A tribute to faith, family, and personal fortitude, this moving account will captivate outdoor enthusiasts and anyone who is navigating the tough emotional terrain of grief. When the author's younger brother, Don, was diagnosed with ALS, Stephens promised to complete a thru-hike of the Appalachian Trail. However, the author may not have mentioned his method of doing so. Rather than carrying a full pack every day, he only occasionally slept in the woods, instead often opting for shuttles to nearby "trail towns" and beds. Along the way, he also committed to sharing Don's story, using the trail name "Don's Brother" and raising awareness for ALS. While reflecting on his brother's deep faith, devotion to family, and resolve in the face of his horrendous disease, the author's personal accomplishment and profound healing will move anyone to hit the road and take heart in the boundless capacity of brotherly love.

The 434 Revolution Createspace Independent Publishing Platform

Clearly, the "normal" way of life is the opposite of genuine sustainability, and it has an expiration date. Any way of life that is fully in balance with the family of life must be genuinely sustainable, a healthy path with a future. At present, too few really comprehend this concept. It would be wise to learn, and

Sustainable or Bust is a useful tool for the job. Seven-point-something billion people can't switch to sustainable living this afternoon, because it's temporarily impossible. But the collapse of industrial civilization is now in its early stages, and when it's done, the human sphere will be much smaller, slower, and simpler. Decades down the road, many new options will become possible, including genuine sustainability. We could help our descendants find a more direct path to health and balance by learning about sustainability now, and sharing this wisdom with the young ones. There's never been a better time to hit the books and feed our minds — before the lights go out. Nothing can change until ideas change. My first book, What Is

Sustainable, presented an introduction to genuine sustainability, with an emphasis on food. Sustainable or Bust is a collection of 64 book reviews, and 16 rants. It's a gallery of thinkers, scholars, and ideas that might make "normal" minds itch and squirm. This book is for pilgrims who are awake, alive, and weary of normal — minds hungry for outside-the-box ideas. I don't expect to see the end of the collapse. What the survivors, if any, choose to do is entirely beyond my control. I am not responsible for the decisions they make, but I am responsible for doing what I can to help them understand their history, predicament, and options. Who are we? Where are we from? How did we get here?
