 The examiner-reviewed P5 Practice and Revision Kit provides invaluable guidance on how to approach the exam and contains past ACCA exam questions for you to try. The examiner has emphasised

that simply understanding the advantages and disadvantages of different performance management approaches will not be sufficient to pass the exam. You must apply specific knowledge to the scenarios in the exam questions. The questions in the Practice and Revision Kit reflect the scenario-based questions you will find on the exam.

practical application of financial theory to problems that managers face, such as investment appraisal, funding policies, risk management, growth, organic or through mergers and acquisitions and dividend policy. The paper also covers crucial issues such as corporate governance and ethical and environmental aspects of financial policy. The BPP text provides a

comprehensive treatment of the new ACCA syllabus for P4 and addresses all learning outcomes and the higher skills to be assessed in the professional examination in an integrated and practical way. The material, despite the technical nature of certain areas, follows a practical, common sense approach with plenty of case studies and real life business examples. The key points of

each topic are summarised in a chapter roundup and tested in a diagnostic quiz at the end of each chapter. A question bank at the end of the book provides practice on exam style questions. Accounting and an MBA.BPP Learning Media is an ACCA Official Publisher. F6, the first of the ACCA tax papers, covers the fundamentals of all the main UK taxes. The exam paper is mainly computational and requires you to demonstrate that you can compute income tax, corporation tax, VAT, capital gains tax and national insurance.Paper F6 deals with the taxation of

individuals as well as with the taxation of businesses.Practice, practice, practice. The key to passing paper F6 FA2008 is to practise as many exam standard questions as possible. BPP Learning Media's practice and revision kit allows you to do just this. Most of our questions are exam standard, although some are preparation questions which ease you into the topic you are studying.

Questions are grouped into topic areas so that you can easily identify those that cover particular areas. Our detailed solutions often provide top tips, advice on how to approach the question or advice on gaining easy marks. There is also a reference so that you know where the topics concerned are covered in the study text. Where a question is a past exam question we reproduce any relevant examiner comments for you.
