In early 2000, the authors were given the opportunity to travel to India and Egypt. Sai Baba: the avatar of the age and Egypt: land of mystery. You will cry with them as they first lay eyes on Sai Baba, laugh at the antics of their Indian mentor, Obules, and be thrilled as they cross the misty desert sands by moonlight to the Great Pyramids of Giza. They were led by Mr. Frank their spiritual guide in Egypt. He recognized Jeanette as a priestess from the past. Written in journal form, you will be charmed by their divergent views and opinions as they experience India and Egypt from their ringside seat in Obules' rickshaw—Rickshaw 110, Road to Sai Baba.

Bhagawan has announced Himself as the Divine Teacher of Truth, Beauty, and Goodness. By precept and example, through His writings and discourses, letters and conversations, He has been instilling the supreme wisdom and instructing all mankind to translate it into righteous living, inner peace, and universal love. When the Ramakatha Rasavahini, the uniquely authentic, nectarine stream of the Rama's story, was serialised in full in the Sanathana Sarathi, Bhagawan blessed readers with a new series, which He named Bharatiya Paramartha Vahini (The Stream of Indian Spiritual Values). While these precious essays, on the basic truths that foster and feed Indian culture since ages before history began, were being published, Bhagawan decided to continue the flow of illumination and instruction under a more comprehensive and meaningful name, Sathya Sai Vahini - the Ganga from the Lotus Feet of the Lord - "The Flow of Divine Sai Grace". This book, therefore, contains the two Vahinis that have merged in one master stream. Inaugurating these series, Bhagawan wrote for publication in the Sanathana Sarathi, "Moved by the urge to cool the heat of conflict and to quench the agonising thirst for 'knowledge about yourself' that you are afflicted with, see, here it comes, the Sathya Sai Vahini, wave behind wave, with the Sanathana Sarathi as the medium between you and Me." With infinite compassion, this Sathya Sai incarnation of the Omniwill is giving millions of persons in all lands freedom from disease, distress, and despair, narcotics, narcissism, and nihilism. He is encouraging those, who suffer gloom through wilful

blindness, to light the Lamp of Love in order to see the world and the Lamp of Wisdom to see themselves. "This is a tantalising, true-false world. Its apparent diversity is an illusion. It is One, but is cognised by the maimed, multiple vision of humans as Many," says Bhagawan. This book is the twin Lamp He has devised for us. **Sathya Sai Vahini** Sri Sathya Sai Sadhana Trust, Publications Division

A vast and diversified religious movement originating from Sai Baba of Shirdi, is often referred to as "the Sai Baba Movement." Through the chronological presentation of Sai Baba's life, light is shed on the various ways in which the important guru figures in this movement came to be linked to saint of Shirdi. "The world is teaching man innumerable lessons all the time. Each one should try to discover for himself the secret of his life and the Universal Consciousness that is inherent in him. The first requisite for each one is to make himself his own guru," said Bhagawan in a discourse at Sri Sathya Sai University (then, Sri Sathya Sai Institute of Higher Learning) on July 3rd, 1986. This book is the story of the efforts made by the author in obedience to that instruction and of some of the ways she has been assisted in her inner search by Baba's simple, but very effective teaching methods. This book does not attempt to tell anyone else how to live his life. It does not include any experiences, except those of which the author has first-hand knowledge. No attempt is made to describe or explain Sathya Sai Baba, but the author illustrates by incidents in her personal story what knowing Him has meant to her. This book is the first volume in the quartet, the other volumes being, "Life Is A Challenge, Meet It!", "Life Is A Dream, Realize It!", "Life is Love, Enjoy It!".

Nearly a century after his death, the image of Sai Baba, the serene old man with the white beard from Shirdi village in Maharashtra, India, is instantly recognizable to most South Asians (and many Westerners) as a guru for all faiths—Hindus, Muslims, and others. During his lifetime Sai Baba accepted all followers who came to him, regardless of religious or caste background, and preached a path of spiritual enlightenment and mutual tolerance. These days, tens of thousands of Indians and foreigners make the pilgrimage to Shirdi each year, and Sai Baba temples have sprung up in unlikely places around the world, such as Munich, Seattle, and Austin. Tracing his rise from small village guru to global phenomenon, religious studies scholar Karlina McLain uses a wide range of sources to investigate the different ways that Sai Baba has been understood in South Asia and beyond and the reasons behind his skyrocketing popularity among Hindus in particular. Shining a spotlight on an incredibly forceful devotional movement that avoids fundamental politics and emphasizes unity, service, and peace, *The Afterlife of Sai Baba* is an entertaining—and enlightening—look at one of South

Asia's most popular spiritual gurus.

This account relates some of the achievements of Satya Sai Baba. His followers believe him to be the reincarnation of Sai Baba of Shirdi who died in 1918. He appears to have been born with phenomenal powers, which he used in childhood and has employed constantly and openly ever since. The author, a westerner devoted to science and logic, spent many months with Satya Sai Baba to substantiate these miracles.

The Goddess Pose Berrett-Koehler Publishers

"The key questions for today's managers and leaders", writes Jack Hawley, "are no longer issues of task and structure, but questions of spirit...not religion, spirit". We all yearn for spiritually rooted qualities at work - integrity, character, inspiration, belief, and even reverence - qualities that are key factors in an enterprise's success. Hawley provides a direct response to the widespread desire for spirituality at work, offering a practical vision of work permeated with "dharma" - deep integrity fusing spirit, character, human values, and decency. He shows how successful leaders or managers who are motivated by a spiritual vision liberate the best in people, and explains why all leadership is spiritual. He provides many examples of people actually living by their inner truth at work, and shows how such people can create an improved place to work and a better life as well as a more resilient, effective organization that is prepared to meet the challenges of the present and future.

What is death? What is the ultimate purpose of life? These are questions that have always perplexed humankind. The ancient wisdom on the subject has always been dense, esoteric, and cloaked in secrecy—available to a select few. A spiritual quest can seem like looking for a needle in a haystack because there's very

little literature that puts it all together. But here, at last, is a compact and digestible summary of main ideas. In a completely accessible, highly readable guide to self-realization, author Fassan Ramsaran has created a clear and colorful roadmap of the many paths to truth. Lively, expressive, and reader friendly, *Man to God* is a digest of Eastern and Judeo-Christian thought that illustrates how different roads can lead to the same place. *Man to God* is an exploration of man's relationship to his Maker. It asks if there really is a divine Creator and if so, why do people feel so estranged? With answers backed by thoughts from the great spiritual texts, *Man to God* is a journey that builds momentum with each succeeding chapter, leading to a deep truth that will be a gift and a revelation to its readers.

Sai Baba of Shirdi is a phenomenon. In all of India's history, there has never been another like him. He is no conventional saint, he wrote no critique of any holy work, made no ashram or peetham, yet he had profound insight into both Hindu and Islamic scriptures. He performed miracles but in no manner or means to impress anyone, devotees or otherwise. Sai Baba in every way remains unique. He came in his late twenties to Shirdi, an insignificant Hamlet in Ahmednagar District where he spent fifty years of his remaining life. Shirdi is no longer an obscure village. Today it is a centre of pilgrimage for lakhs of Sai Baba's devotees. This book translated into Hindi is a complete account of his life and mission. Hindi Rs. 95 / Telugu Rs. 125

Translated from original Marathi by Indira Kher, this work is a verse composition containing the known facts about Shri Sai Baba's life at Shirdi, and also his teachings seeks to meet a long-felt need. This is the Bible of Sai devotees in every sense of the term. In its veracity, sanctity, faith and devotion that it inspires and the deep satisfaction, a sense of fulfilment that it brings to the devotee, it has no equal. Its sanctity derives from the fact that its idea was conceived during Baba's lifetime and with his blessings and express permission. For those unaware of Shri Sai

Satcharita it is necessary to add that in the original it runs into 53 chapters and contains over 9,000 verses. Every chapter has a judicious mixture of philosophy, stories and anecdotes along with the Baba's teachings.

The Vedas originated from the breath of God; each syllable is sacred. Each word is a mantra. It exhorts all men to pursue the same holy desire. All hearts must be charged with the same good urge. All thoughts must be directed by noble motives towards holy ends. All men must tread the one path of truth, for all are manifestations of the One. The world is enchanting, because it is tantalising in appearance, though it is fundamentally untrue. It is a phenomenon, which is fading out. When this truth is realised, one becomes aware of the Cosmic Sport of God and the Eternal Universal Being. Leela Kaivalya Vahini (originally published in the *Sanathana Sarathi* periodical) is a cool, crystal clear stream that flows from the Divine pen of Bhagawan Sri Sathya Sai Baba to dissolve all obstacles, like doubts and dogmas, purposeless arguments, and flimsy fancies of the sadhaka (spiritual aspirant). We consider it be but yet another sign of His benign grace that these published in the periodicals could be given a book form and placed at the Lotus Feet, on the auspicious occasion of His 65th Birthday, which eventually falls on the 50th year of proclamation of Avatarhood. May this Vahini lead all seekers in the path of spiritual progress and fill us all with Ananda, the Bliss Absolute. *Sri Shirdi Sai Baba--The Unique Prophet Of Integration* Diamond Pocket Books (P) Ltd.

The year is 1899. A dying aborigine in Tasmania gives anthropologist Philo Hoffman a ring engraved with the words Shirdi, Sathya, Prema. This ring takes Philo to a small town near Bombay, where he encounters a remarkable Indian holy man. Thus begins the sweeping, 160-year saga of romance, intrigue, tragedy, and enlightenment five generations (and reincarnations) of the Hoffman family find their lives impacted by the three Sai Baba avatars of modern India. As a beleaguered civilization struggles to survive during the 21st century, the transformation of consciousness fostered by the Sai avatars begins to take hold. But before the Golden Age can be realized, the long-awaited battle of Armageddon must be played out on a desolate, barren hilltop in the Holy Land. Nearly 100 million people worldwide have experienced the teachings of Sai Baba. The avatar's message: "The only religion is the religion of love".

Stories by Devotees of Sathya Sai Baba Abhinav Publications
About the Book "First I give you what you want so that gradually you will want what I have really come to give you- Liberation itself!" The vast number of visitors from all over the world, from all walks of life and all faiths has been converging at Prasanthi Nilayam in a remote region of Southern India just to have a glimpse of a Holy man, Sri Sathya Sai Baba, the Avatar of the present Age. Royalty, Heads of State, Politicians, Industrialists,

Judges, Priests, Doctors, Army Generals, Scientists, Actors, Cricketers, Teachers, Students, General Public - all congregate at this Abode of Supreme Peace. His Ashram resembles a mini United Nations of spiritual seekers, with groups of foreign devotees wearing different coloured scarves for country-wise identification. The book contains dramatic eye-witness accounts of extraordinary Sai phenomena and the wonders taking place in Sai Baba's Ashram. Never before in the history of the world have there been so many indications of the descent of the Full Avatar in human form. The miracles of Krishna and Jesus must be taken on trust and faith; those of Sri Sathya Sai Baba you can see for yourself. The author describes the various ways how Sri Sathya Sai Baba is transforming humanity; discusses the factors on which his devotees base their belief in him; outlines his Mission and explains how he is achieving it. The danger from which Man has to be rescued has never been so great and the evil over the Earth never so pronounced as now. Sathya Sai Baba's Mission starts with nothing less than the transformation of humanity; to reinstate the supremacy of the spirit over matter and offer liberation itself! Sathya Sai Baba is short in stature, has a huge halo of hair on his head, wears an orange robe, walks as though his feet are gliding on the floor, displays a majestic grace, works all day long but at the same time maintains an austere life style. He is a fountain of knowledge although he has never read any books; he speaks in the most profound way with remarkable clarity and spontaneity, as he has no need to think; he always gives discourses impromptu, as he has no need of any notes or preparation; he replies to searching questions by scientists, theologians and other intellectuals with a ready and spontaneous answer on any subject. This Avatar never engages in any spiritual practice: does no Japa, or reciting the holy name; no Dhyana, or meditating; and no Yoga, practising union with God. He knows no worship or prayer, for He is the Highest. He only teaches you to worship and pray. The Rishis and Saints of yore evolved through spiritual practice to high levels of consciousness and God realization to ascend heavenwards. The Avatar, by contrast, is already born fully divine and descends downwards. His humanitarian projects are unique like his Schools and Universities that provide free education; world-class Super-Specialty Hospitals in rural areas that provide free treatment to one and all; and massive water systems that provide drinking water to millions of people in drought-prone districts, all established in record time. Sathya Sai Baba's Global Education Programme based on human values aims to bring about worldwide social transformation, reduce strife and turmoil, and unite mankind to live as one family in peace and harmony. The author describes the worldwide Sai Movement, with special reference to Latin America where the Sai Spirit has spread like wild fire, crossing the barriers of language, religion and culture.
