## **SALAZAR HINTON**

---

*A History of the Buckeye State* BoD - Books on Demand  
Longlisted for the PEN/Hemingway Award for Debut Novel  
“Cuyahoga is tragic and comic, hilarious and inventive—a 19th-century legend for 21st-century America” (The Boston Globe). Big Son is a spirit of the times—the times being 1837. Behind his broad shoulders, shiny hair, and church-organ laugh, Big Son practically made Ohio City all by himself. The feats of this proto-superhero have earned him wonder and whiskey, but very little in the way of fortune. And without money, Big cannot become an honest husband to his beloved Cloe (who may or may not want to

be his honest wife). In pursuit of a steady wage, our hero hits the (dirt) streets of Ohio City and Cleveland, the twin towns racing to become the first great metropolis of the West. Their rivalry reaches a boil over the building of a bridge across the Cuyahoga River—and Big stumbles right into the kettle. The resulting misadventures involve elderly terrorists, infrastructure collapse, steamboat races, wild pigs, and multiple ruined weddings. Narrating this “very funny, rambunctious debut novel” (Los Angeles Times) tale is Medium Son—known as Meed—apprentice coffin maker, almanac author, orphan, and the younger brother of Big. Meed finds himself swept up in the action, and he is forced to choose between brotherly love and his own ambitions. His uncanny voice—plain but profound, colloquial but poetic—elevates a slapstick frontier tale into a “breezy fable of

empire, class, conquest, and ecocide” (The New York Times Book Review). Evoking the Greek classics and the Bible alongside nods to Looney Tunes, Charles Portis, and Flannery O’Connor, Pete Beatty has written “a hilarious and moving exploration of family, home, and fate [and] you won’t read anything else like it this year” (BuzzFeed).

*Hearings Before a Special Anti-racketeering Subcommittee of the Committee on Government Operations, House of Representatives, Eighty-third Congress, Second Session ...* Tin House Books

As the state of Ohio prepares to celebrate its bicentennial in 2003, Andrew R. L. Cayton offers an account of ways in which diverse citizens have woven its history. *Ohio: The History of a People*, centers around the many stories Ohioans have told about life in their state. The founders of Ohio in 1803 believed that its success would depend on the development of a public culture that emphasized what its citizens had in common with each other. But for two centuries the remarkably diverse inhabitants of Ohio have repeatedly asserted their own ideas about how they and their children should lead their lives. The state's public culture has consisted of many voices, sometimes in conflict with each other. Using memoirs, diaries, letters, novels, and paintings, Cayton writes Ohio's history as a collective biography of its citizens. Ohio, he argues, lies at the intersection of the stories of James Rhodes and Toni Morrison, Charles Ruthenberg and Lucy Webb Hayes, Carl Stokes and Alice Cary, Sherwood Anderson and Pete Rose. It lies in the tales of German Jews in Cincinnati, Italian and Polish immigrants in Cleveland, Southern blacks and white Appalachians in Youngstown. Ohio is the mingled voices of farm

families, steelworkers, ministers, writers, schoolteachers, reformers, and football coaches. Ohio, in short, is whatever its citizens have imagined it to be.

*Reverse Underground Railroad in Ohio*, The John Wiley & Sons  
This carefully crafted ebook: "Winesburg, Ohio (A Group of Tales of Ohio Small-Town Life)" is formatted for your eReader with a functional and detailed table of contents. This ebook is a series of loosely linked short stories set in the fictional town of Winesburg, mostly written from late 1915 to early 1916. The stories are held together by George Willard, a resident to whom the community confide their personal stories and struggles. The townspeople are withdrawn and emotionally repressed and attempt in telling their stories to gain some sense of meaning and dignity in an otherwise desperate life. The work has received high critical acclaim and is considered one of the great American works of the 20th century. Sherwood Anderson (1876 – 1941) was an American novelist and short story writer, known for subjective and self-revealing works. Anderson published several short story collections, novels, memoirs, books of essays, and a book of poetry. He may be most influential for his effect on the next generation of young writers, as he inspired William Faulkner, Ernest Hemingway, John Steinbeck, and Thomas Wolfe.

*Everything I Never Told You* Palgrave Macmillan

The story of Ohio--from its geographical position to its cultural mix and economic development--and its centrality to Americans inside and outside the state.

**The Ohio Guide** Adventure Publications

"As part of the Treaty of Paris, in which Great Britain recognized the new United States of America, Britain ceded the land that

comprised the immense Northwest Territory, a wilderness empire northwest of the Ohio River containing the future states of Ohio, Indiana, Illinois, Michigan, and Wisconsin. A Massachusetts minister named Manasseh Cutler was instrumental in opening this vast territory to veterans of the Revolutionary War and their families for settlement. Included in the Northwest Ordinance were three remarkable conditions: freedom of religion, free universal education, and most importantly, the prohibition of slavery. In 1788 the first band of pioneers set out from New England for the Northwest Territory under the leadership of Revolutionary War veteran General Rufus Putnam. They settled in what is now Marietta on the banks of the Ohio River. McCullough tells the story through five major characters: Cutler and Putnam; Cutler's son Ephraim; and two other men, one a carpenter turned architect, and the other a physician who became a prominent figure in American science. They and their families created a town in a primeval wilderness, while coping with such frontier realities as trees of a size never imagined, floods, fires, wolves, bears, even an earthquake, all the while negotiating a contentious and sometimes hostile relationship with the native people. Like so many of McCullough's subjects, they let no obstacle deter or defeat them. Drawn in great part from a rare and all-but-unknown collection of diaries and letters by the key figures, *The Pioneers* is a uniquely American story of people whose ambition and courage led them to remarkable accomplishments."--Dust jacket.

*The Riflemen of the Ohio* It Happened in  
Thirty episodes from the history of the Buckeye State, including memorable events such as the Kent State Riots, but also

featuring lesser-known tales.

*The Great Book of Ohio* Skyhorse Publishing Inc.

An on-the-ground look at the diverse challenges facing Ohio, in light of its national significance as the state that has aligned with presidential election winners more than any other -- from an award-winning author and essayist dubbed "the Bard of Akron" (New York Times). The question of America's identity has rarely been more urgent than now, and no American place has ever been more reflective of that identity than Ohio. David Giffels, a lifelong resident of the "bellwether" state, has spent a quarter century writing and thinking about what it means to live in what he calls "an all-American buffet, an uncannily complete everywhere." With Cleveland as the end of the North, Cincinnati as the beginning of the South, Youngstown as the end of the East, and Hicksville (yes, Hicksville) as the beginning of the Midwest, Ohio offers important insight into the state of the nation. As a historic 2020 presidential election approaches, *Barnstorming Ohio* is Giffels' account of a year on Ohio's roads, visiting people and places that offer valuable reflections of the national questions and concerns, as well as astounding electoral clairvoyance -- since 1896, Ohio has accurately chosen the winner in twenty-nine of thirty-one presidential elections, more than any other state. With lyricism and a native's keen eye, *Barnstorming Ohio* takes readers into the living room of a man whose life was upended just shy of retirement by General Motors' shutdown of its Lordstown assembly plant. It offers an exclusive view into the presidential campaign of Ohio Democratic hopeful Tim Ryan. It takes us into the sodden soybean fields of farmers struggling to outlast the dual punch of a protracted trade war and

historic rainfall, and to an indie rock music festival in Dayton a week after a mass shooting there. We enter the otherworld of long-dormant shopping malls as Amazon transforms them into vast new fulfillment centers. On the lighter side, Giffels makes a "beer run" into Ohio's booming craft brewing industry and revisits the legend (and the bird-nest toupee) of Jim Traficant, a larger-than-life Ohio politician whom many have called the "proto-Trump." In a year when Americans are seeking answers, Barnstorming Ohio offers rare and carefully nuanced access to the people who have always held them.

**Glass House** Hachette UK

For readers of Hillbilly Elegy and Strangers in Their Own Land  
 WINNER OF THE OHIOANA BOOK AWARDS AND FINALIST FOR THE 87TH CALIFORNIA BOOK AWARDS | NAMED A BEST/MOST ANTICIPATED BOOK OF 2017 BY: New York Post • Newsweek • The Week • Bustle • Books by the Banks Book Festival • Bookauthority.com The Wall Street Journal: "A devastating portrait...For anyone wondering why swing-state America voted against the establishment in 2016, Mr. Alexander supplies plenty of answers." Laura Miller, Slate: "This book hunts bigger game. Reads like an odd?and oddly satisfying?fusion of George Packer's The Unwinding and one of Michael Lewis' real-life financial thrillers." The New Yorker : "Does a remarkable job." Beth Macy, author of Factory Man: "This book should be required reading for people trying to understand Trumpism, inequality, and the sad state of a needlessly wrecked rural America. I wish I had written it." In 1947, Forbes magazine declared Lancaster, Ohio the epitome of the all-American town. Today it is damaged, discouraged, and fighting for its future. In Glass House, journalist

Brian Alexander uses the story of one town to show how seeds sown 35 years ago have sprouted to give us Trumpism, inequality, and an eroding national cohesion. The Anchor Hocking Glass Company, once the world's largest maker of glass tableware, was the base on which Lancaster's society was built. As Glass House unfolds, bankruptcy looms. With access to the company and its leaders, and Lancaster's citizens, Alexander shows how financial engineering took hold in the 1980s, accelerated in the 21st Century, and wrecked the company. We follow CEO Sam Solomon, an African-American leading the nearly all-white town's biggest private employer, as he tries to rescue the company from the New York private equity firm that hired him. Meanwhile, Alexander goes behind the scenes, entwined with the lives of residents as they wrestle with heroin, politics, high-interest lenders, low wage jobs, technology, and the new demands of American life: people like Brian Gossett, the fourth generation to work at Anchor Hocking; Joe Piccolo, first-time director of the annual music festival who discovers the town relies on him, and it, for salvation; Jason Roach, who police believed may have been Lancaster's biggest drug dealer; and Eric Brown, a local football hero-turned-cop who comes to realize that he can never arrest Lancaster's real problems.

Investigation of Racketeering in the Cleveland, Ohio, Area

Sourcebooks Jabberwocky

Winner of the Ohioana Library's 2008 Ohio Legacy Citation 2014-2015 Choose to Read Ohio selection "A good place to be from." That's how some people might characterize the Buckeye State. The writings in *Good Roots: Writers Reflect on Growing Up in Ohio*, are testimony to the truth of that statement. By prominent writers such as P. J. O'Rourke, Susan Orlean, and Alix Kates Shulman, these contributions are alternately nostalgic, irreverent, and sincere, and offer us a personal sense of place. Their childhoods are as varied as their work. Some were raised in urban Cleveland, Akron, and Cincinnati, others in the small Ohio towns that typify the Midwest, and still others in the countryside. Yet what they have to tell us about their roots resonates with a shared heritage, a sense of what is universal and enduring about growing up in the heartland. Their collective résumé reads like a literary Who's Who, including four Pulitzer Prizes, several National

Book Awards, and many prestigious fellowships. *Good Roots* is also plain good reading from some of our country's most accomplished contemporary writers. Contributors include Jill Bialosky, Dan Cryer, Michael Dirda, Elizabeth Dodd, Anthony Doerr, Rita Dove, Ian Frazier, Dale Keiger, Andrea Louie, Kathleen Dean Moore, Mary Oliver, Susan Orlean, P. J. O'Rourke, Julie Salamon, Scott Russell Sanders, Alix Kates Shulman, Jeffery Smith, James Toedtman, and Mark Winegardner.

Get ready to ride! In this massive box set, you'll get the complete Great Wolves MC-Ohio series. We're talking five, full-length novels (over 1200 pages) featuring sinfully hot bad boy bikers who bleed for the club but burn for their women. This is sizzling romantic suspense that'll melt your heart while keeping you on the edge of your seat. This set includes: *Colt Kellan* *Brax* *Joker Torch* *Colt* *Everything they said about me when they ran me out of town* *was true*. *Black sheep* doesn't even begin to cover it. *Mayhem* follows me wherever I go and I've got nowhere left to ride. Even so, I shoulda kept on going. But then I saw Amy. She's too good, too pure for me and I damn well know it. But those lips, those curves. When she looks at me, I know it brings back pain she wants to forget. But not everyone who wears this cut is the

same. I won't let her get away without a fight and I'll kill any man who tries to hurt her again. No matter what patch he wears. Kellan Everything worth having is worth fighting for. I should know. I bear more battle scars than most. I lost half my leg when an IED blew a hole through my Humvee in Afghanistan. Since I got back, I've done things to protect my MC that would make you afraid of me. And you should be. When I laid eyes on Mallory, I knew she was worth fighting for too. I wasn't expecting it. She stepped into the spotlight in that hole in the wall bar singing the first slow, quiet notes of some rock song and that was all it took. I knew she was about to spin my world around and the timing couldn't be worse. On the verge of a club war, everyone close to me could be at risk. But, just one look from Mallory was enough to change my life forever. Because no matter what, I knew I had to make her mine. Brax As enforcer for the Great Wolves MC, bloody hands and deadly force were just another Tuesday in my world. I'm not sorry. I'm not on some quest for redemption. Sometimes it takes a monster to fight off something even worse and sleep tight . . . you need me to be that monster. But when Nicole walked back into my life asking for my help, she stirred things in me I like to keep buried. She was a one-night stand I'll never forget. She brought me light when it's better if I keep to the darkness. And now she's offered me the one thing I want from her if I agree to help her. It's dangerous to owe me something because I always collect. Joker There are two things in my life I'll protect above all else. My son Toby, and my club. I thought they were all I ever needed. Then, I saw Tara, my son's new teacher. She's sweet, innocent, and untouchable for a guy like me. I knew I should keep my distance. Keep things

professional. But, after one touch I knew she was mine. After one kiss, I knew I would kill for her. I just had no idea how quickly I'd be put to the test. Tara doesn't live in my world, but she's got me on my knees and it's too late to let her go. Darkness is coming for the Great Wolves M.C. Then, Maura walked into my club and spun my heart. Tough. Smart. Classy. But, she needs my protection even if she's too stubborn to see it. And I need to make her mine, no matter what it costs. Torch I've got no time for games. There's a war coming. Anyone close to me is bound to get hurt. Except I want Sydney anyway. She's a spoiled little rich girl. Expensive hair. Designer clothes. Living off her family's trust fund. When she bats those lashes at me, I know just how to ruin that pretty makeup. Because I don't flirt. I want to possess her. I want to make her beg for me. It's selfish of me, but I don't care. And now I'm in too deep to walk away. But, the devil's at my doorstep and he'll swallow us both whole. Book Themes MC Romance, Romantic Suspense, standalone full length romance novel, biker romance, motorcycle club romance series, action and adventure, possessive alpha male, strong female heroine, HEA, second chance romance, box set, complete series, omnibus Winesburg, Ohio (A Group of Tales of Ohio Small-Town Life) e-artnow

THE #1 NEW YORK TIMES BESTSELLER IS NOW A MAJOR-MOTION PICTURE DIRECTED BY RON HOWARD AND STARRING AMY ADAMS, GLENN CLOSE, AND GABRIEL BASSO "You will not read a more important book about America this year."—The Economist "A riveting book."—The Wall Street Journal "Essential reading."—David Brooks, New York Times Hillbilly Elegy is a passionate and personal analysis of a culture in crisis—that of

white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of *Hillbilly Elegy* plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, *Hillbilly Elegy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.
