First Spanish Dictionary Capstone
The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

PLEASE NOTE - this is a replica of the print book and you will need a pen and paper to complete the exercises. Your first 1,000 Italian words - five words a day. Over the course of a year, Italian for Everyone Junior: Five Words a Day teaches new vocabulary to children who are starting to learn Italian. Presenting 20 new words between Monday and Thursday, the final day of each week's teaching allows children to practice the vocabulary they have just learned. A mix of nouns and verbs are taught through beautifully illustrated scenes, with each new word clearly labeled. Five Words a Day first encourages children to copy out the words before covering them with the flaps on the jacket and testing their new knowledge. Accompanying audio means that children are also able to practice their Italian pronunciation as many times as they want. With over 1,000 Italian words, Five Words a Day is a colorful, clear, and comprehensive workbook that will lay the foundations for your child's journey in learning and understanding Italian, at school or at home.

Longman Children's Picture Dictionary Merriam Webster

Gives exciting new meaning to the old

adage that a picture is worth a thousand words Perfect for children ages four-nine, these references employ stunning illustrations and photographs to bring to life the meanings of hundreds of essential terms. Filled with beautiful two-page spreads, McGraw-Hill's Spanish Picture Dictionary and McGraw-Hill's French Picture Dictionary each pictorially define more than 1,400 objects, people, concepts, and actions common to the everyday world of kids--from town and country, kitchen to classroom. Following the curricula of U.S. primary-school Spanish and French programs, the dictionaries also provide key phrases for

children's first conversations incorporated within illustrated minialogues that provide models for making introductions, commenting on the weather, stating their age, talking about what they are wearing, and other basic conversational situations. A great way to introduce Spanish and/or French, the dictionaries feature: Pictorial definitions of more than 1,400 essential words and phrases A blend of illustrations and photographs that will appeal to children of differing sensibilities Engaging scenes and double-page spreads that capture the mind and imagination
