## RANDOLPH TOWNSEND

Getting Into Oxford and Cambridge 2020 Entry Cambridge University Press  
 My companion series book 2. Specially written for English Language learners who have difficulty in writing essays, letters or summaries. Model answers within aim to give any student an idea of how to get around basic bullet points and questions that arise in test papers or homework where writing is concerned. English Essays and Letters - simplified part 2...coming soon (with more essays and letters) Author Preface (included in book) Dear Friend First and foremost, I'm very grateful to you for having bought this book. Let's face it...in the world of today we're all rushing about endlessly around 'helter skelter' to fulfil our day to day activities in meeting our growing needs, fads and fantasies...that we simply have lesser time to spend thinking about sitting through an 'essay or letter' that is prioritized as homework. As an English teacher and lecturer, I've always had students asking me for help with English homework...specifically related to ideas and just 'what' to write about in essays and 'how' to go about the whole process. Most students find it comfortable to work with sample or model essays these days...Needless to say, there are zillions of ideas on the internet and Google will simply spill vast ideas on 'essay and letter writing' in a jiffy. There are sites which will give you essay samples at a consistent price unasked for that most students may not wish to pay for. NOTHING is (actually) free! (And so is this book too!) In school (boarding school) those days, teachers would give us a 1000 or more worded essay for homework and of course give us ample time for research and reading. Internet and smart technology were unheard of; we had the radio and colour TV then for entertainment and ideas, however. (Gosh, do I sound so old?) I'm just about half-a-century only!!! And so, to cut the long story short, I wish to make English language learners HAPPIER with the models I've written here. I hope that in reading this book you would have an idea as to present 'better' writing and learn to work with bullet points and questions. No teacher likes the idea of plagiarism as would anyone else. As always, use your own ideas, facts and fantasies and flow of thoughts besides playing around with words to build your own masterpiece. Enter your own world of imagination. Make-believe and believe you can make it! Take a break, a breather and then come back to where you've left off... Best of luck with good wishes in moving forward with writing... Kind regards Yours truly Kesh Genga

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane

crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

This is a book with PROVEN techniques to ace ESSAY WRITING at GCSE/IGCSE, SAT, ACT, AP English or Research Paper. Over the last twenty years or so, I have interacted with thousands of students across the globe. I am an English Teacher and Examiner for English Literature (IGCSE and GCSE, and Advanced Level (Shakespeare) - rising to Team Leader position - and English Language (Pearson Test Of English) with Cambridge International Examinations, and Edexcel respectively. I have encountered and marked thousands of papers from Shakespeare to Modern Literary works, as well as the Reading and Directed Writing language examinations. From my twelve years teaching in London, short two year-stints in Manchester and Kent; as well as a few years in Southern and Asia; and currently based in North Africa . . . the most telling and compelling issue among my High School students has been ESSAY WRITING. Various students have diverse needs when it comes to essay/composition writing. It is a field which, without enough practice and having a certain go-attitude, some students graduate from High School without mastered or harnessed the key ingredients. We, as teachers, can do so much to assist but the onus ALWAYS falls on the student to PRACTICE and gain good grades in essay or composition writing. Against this backdrop, and with experience as an International High School English Teacher and Examiner (English Literature, I have vested interest in seeing my students achieve and excel in Essay Writing, be it with the UK-based GCSE, IELTS, and IGCSE; or the College Board-based United States of America's SAT, ACT or AP English examinations. FORTUNATELY, this book will help you a lot in achieving the best grades in ESSAY WRITING or COMPOSITION at all levels. I will take you through the major steps: from Understanding the Question, through to Writing the Introduction and Body Paragraphs as well writing a Conclusion. Lastly, I will show you the best approaches to tackling composition topics in

Narrative, Descriptive and Discursive; as well as the best techniques to writing English Literature essays be it at IGCSE and GCSE, AP English Language/Literature courses and the OPTIONAL ESSAYS at SAT and ACT examinations. I will also show you the best approach to your Research Paper. FINALLY, as an INCENTIVE, I am offering you the chance to submit TWO essays/compositions for me to grade. I will conscientiously mark your work and give you the necessary feedback to improve. My adage is Be EMPOWERED and EXCEL. This is what I want you to achieve in all your endeavours.
