Hekate ABC-CLIO
Introduction Delve into the mystical and enigmatic world of the Norse gods and uncover the ancient art of Seidr—Norse shamanism. "Norse Gods and the Art of Seidr: Ancient Shamanic Practices in Modern Times" offers a

captivating exploration of the spiritual practices that were integral to Norse mythology and how these age-old rituals can be adapted for contemporary spiritual seekers. Key Features In-Depth Exploration: Learn about the roles of gods like Odin, Freya, and Loki and how Seidr was woven into their mythologies. Historical Insights: Discover the historical context of Norse

shamanism, including its origins, evolution, and its place in Viking society. Practical Applications: Gain insights into how the ancient art of Seidr can be applied today to enhance spiritual understanding and personal well-being. Illustrative Narratives: Enjoy stories and legends that bring to life the practices and beliefs of the Norse people. Benefits Connect with a spiritual tradition that has been

revered for centuries. Incorporate elements of Norse shamanism into modern spiritual practices. Enhance your understanding of Norse mythology and its deeper meanings. Who This Book Is For This book is perfect for anyone interested in Norse mythology, paganism, historical spirituality, and modern shamanic practices. Whether you are a practitioner of paganism, a student of history, or simply a lover of rich, cultural stories, this book will offer you new insights

and methods to explore spiritual realms. Conclusion With "Norse Gods and the Art of Seidr: Ancient Shamanic Practices in Modern Times," embark on a journey through time to grasp the mystical practices of the Norse gods and learn how these ancient arts can provide insights and spiritual growth in our modern lives.

Routledge
Jenny Jochens captures in fascinating detail the lives of women in pagan and

early Christian Iceland and Norway—their work, sexual behavior, marriage customs, reproductive practices, familial relations, leisure activities, religious practices, and legal constraints and protections. Women in Old Norse Society places particular emphasis on changing sexual mores and the impact of Christianity as imposed by the clergy and Norwegian kings. It also demonstrates the vital role women played in economic production.

Modern Paganism in World Cultures Lulu.com

"Has the understated authority a reader would expect from the man who acted as the official investigator into UFO sightings for the British Ministry of Defence. Lacking the hysteria of so many other books on the genre, Pope's report takes the high road." Publishers Weekly "A good read, and raises some thought-provoking issues." Focus, Ministry of Defence in-house magazine Former UK Government UFO investigator Nick Pope has

written the definitive book on the alien abduction mystery, delving into folklore, the contactee movement, and more modern claims that people have not just seen UFOs, but encountered extraterrestrials. The Uninvited also examines the reaction of governments, and of the scientific community, as well as examining the world's most famous alien contact cases, and highlighting the common threads that bind them together. Nick Pope devotes a significant

portion of the book to detailing a number of cases that he investigated personally, before drawing things together by discussing the various theories that might explain what lies behind this fascinating mystery. Otherworld iUniverse This is not your Great Aunt Betsy's seidr. From total novice to experienced practitioner, there should be plenty to find with an interest in Contemporary Seidr. Starting with the basics of how to go into trance and introducing more

advanced exercises, the reader will be certain to learn something. As a Contemporary Seidr worker, one can learn to travel the Nine Realms, heal others, and much more. Explore the terrains of the Norse worlds and of your own inner psyche.

Ghost Brothers Llewellyn Worldwide

An experiential guide to the wisdom preserved in Europe's far north • Includes shamanic journeys to connect with deities and your ancestral shamans • Provides step-by-step instructions to

prepare for and conduct a seiðr ceremony • Draws on archaeological evidence and surviving written records from Iceland • Reveals the long tradition of female shamans in northern European shamanism Shamanism is humanity's oldest spiritual tradition. In much of the Western world, the indigenous pre-Christian spiritual practices have been lost. Yet at the northern fringes of Europe, Christianity did not displace the original shamanic practices until the end of the Viking age.

Remnants of Norse shamanic spirituality have survived in myths, folk traditions, and written records from Iceland, providing many clues about the ancient European shaman's world, especially when examined in conjunction with other shamanic cultures in northern Eurasia, such as the Sami and the tribes of Siberia. Reconstructing the shamanic practices of the hunter-gatherers of Scandinavia, Evelyn Rysdyk explores the evolution of Norse shamanism from its

earliest female roots to the pre-Christian Viking Age. She explains how to enter Yggdrasil, the World Tree, to travel to other realms and provides shamanic journeys to connect with the ancestral shamans of your family tree, including the Norse goddess Freyja, the very first shaman. She offers exercises to connect with the ancient goddesses of fate, the Norns, and introduces the overnight wilderness quest of útisetá for reconnecting with the powers of nature. She explains the key

concepts of Ørlög and Wyrð--the two most powerful forces that shape human lives--and provides exercises for letting go of harmful behavior patterns and transforming simple knowledge into profound wisdom by connecting with Óðinn. Thoroughly examining the shamanic rituals of seiðr, the oracular magic of the Nordic cultures, the author provides step-by-step instructions to prepare for and conduct a seiðr ceremony, including creating your own seiðr

staff and hood, and explores the ancestral use of shamanic songs or varðlokur to accompany the ceremony. Woven throughout these exercises, Rysdyk provides archaeological evidence from Neolithic sites supporting the long tradition of venerating wise women, grandmothers, and mothers in ancient cultures and the important role of female shamans at the heart of northern European shamanism. Providing an accessible guide for

anyone trying to fulfill their shamanic callings, these powerful rituals can provide personal healing and a clear path for finding our way into a harmonious relationship with the natural world. [The Norns in Old Norse Mythology](#) Dunedin Academic Press Weaving Germanic Paganism with mysticism, magic, and his background as a transpersonal therapist, Matthew Ash McKernan introduces you to wyrd, a mysterious web of being that connects everything.

Wyrd encompasses all organisms, ecosystems, matter, phenomena, purposes, and possibilities. It is destiny, nature, soul, magic, and mystery intertwined. In *Wyrdcraft*, McKernan guides you through a process of attuning to wyrd as it manifests within all the domains of your life, teaching you how to sense and intuit the ways of wyrd more clearly than ever before. Exploring the intersections of psychotherapy, ecotherapy, Heathenry,

and magic, this contemplative and experiential book offers nearly fifty exercises to help you cultivate wyrd consciousness—an awareness that is naturally revealing, healing, transformative, and becoming. Becoming what, you may ask? You will see as you align with the wisdom of wyrd, heal yourself and our interconnected world, and remember the nature of your Higher Self. *The Way of Fire and Ice* Llewellyn Worldwide Seidr is profound

intuition and ineffable wisdom, and *Völuspá* is the single most important text on Seiðr - the European 'shamanistic' tradition. This is the only book that explains them both with remarkable depth and clarity. A must read for anyone who seeks to rekindle Old European spiritual traditions in their every day life!

Völuspá : seiðr as wyrd consciousness Weiser Books

Runes are the ancient Norse alphabet used for communication,

divination, and magical work. In Futhark, American runologist Edred Thorsson introduces readers to the 24 runes of the Elder Futhark, their definitions, and mystic properties. The runic system of magic and mysticism is one of the most powerful forms of metaphysical thought available to the Western world. This bestselling classic book on Runes continues to be required reading for those who seek true knowledge of the mystery of the Runes. Thorsson's presentation of

this powerful system is lucid and profound and provides a valuable tool for spiritual transformation and self-development.

The Uninvited Llewellyn Worldwide

" ... presents the main features of Siberian shamanism, as they are relevant for comparison with Norse sources, and examines the Norse texts in detail to determine how far it is reasonable to assign a label of "shamanism" to the human and divine magical practices of pre-Christian

Scandinavia, whose existence, it is argued, in many cases resides mainly in the imaginative tradition of the poets." -- Back cover.

Icelandic Magic University of Pennsylvania Press
 "Brim with magic that is accessible to everyone; magic that works regardless of one's level of experience or background."—Mat Aurn, author of *Psychic Witch*
 Pure Magic is one of those rare works of modern-day witchcraft that has already become a classic. First published twenty-

years ago, the book has become an essential resource for beginners and experienced devotees of the magical arts. Written by one of today's most trusted and beloved teachers and writers on magic and witchcraft, Pure Magic offers: an introduction to the essentials of magic, a complete glossary of psychic and magical terminology, a primer on the four elements, a survey of magical supplies (including minerals and botanicals), and a compendium of spells for

any situation. Also included is guidance on how and where to practice magic; how to rightly use words of power; and how to cleanse, protect, and enhance your magical self. This new Weiser Classics edition includes a foreword by Mat Aurn, author of *Psychic Witch* and a new preface by the author. This book was previously published as *The Big Book of Practical Spells*.

Women in Old Norse Society iUniverse

The Rites of Odin puts forth the message, in

rites, practice, and background lore, that you are uniquely important. You are in charge of your own destiny. The family and friends who constitute your "extended family" are also important: by working together and helping one another, all of you can prosper and be happy.

Sacred Sites--contested Rites/rights Simon and Schuster

Vs. Duality and conflict in magick, mythology and paganism Edited by Kim Huggens "Relationship cannot be created without duality: we are divided for love's sake, for the chance of union..." Vs. is a unique collection of twenty-one essays exploring the dynamic and wide-ranging nature

of duality in magic, paganism and folklore, from polarity to paradox to opposition to friction to union. The essays by magicians, witches, folklorists, sorcerers, Norse and vodou practitioners, weave together diverse threads of wisdom, knowledge, experience and inspiration into a tapestry of fallen angels, heroes, gods, goddesses, fairies, lwa, dreams, myths and stories. The significance of the interplay between two disparate or similar powers is explored

through the relationship of divine twins, siblings, lovers and enemies in a variety of different pantheons and tales, from Cain and Abel to Lilith and Eve, from Shiva & Shakti to Inanna and Dumuzi, from Perseus and Andromeda to Ares and Hephaestus. The union of divine and mortal is another powerful theme explored in this book, both through the hieros gamos (sacred marriage) and the maryaj (Vodou spirit marriage) where a person weds one of the lwa. Vs. also explores the

theme of self and other, as experienced both in ritual techniques for trance and dreaming, and in social commentaries on the diversity of beliefs within the modern esoteric revival such as Wicca, Sorcery and Neopaganism. Vs. covers a span of thousands of years, from ancient writings such as those of Plato and Gnosticism to the modern works of twentieth century magicians such as Austin Osman Spare and Dion Fortune. From the wisdom of the Emerald Tablet to

the tales of the Mabinogion, Vs. challenges you in numerous ways to accept diversity and strive for the union of perfection. "I am the voice whose sound is manifold and the word whose appearance is multiple. " Thunder, Perfect Mind, 3rd century CE

Remedies and Rituals

Simon and Schuster
Stephen A. Mitchell here offers the fullest examination available of witchcraft in late medieval Scandinavia. He focuses on those people believed

to be able—and who in some instances thought themselves able—to manipulate the world around them through magical practices, and on the responses to these beliefs in the legal, literary, and popular cultures of the Nordic Middle Ages. His sources range from the Icelandic sagas to cultural monuments much less familiar to the nonspecialist, including legal cases, church art, law codes, ecclesiastical records, and runic spells. Mitchell's starting point is

the year 1100, by which time Christianity was well established in elite circles throughout Scandinavia, even as some pre-Christian practices and beliefs persisted in various forms. The book's endpoint coincides with the coming of the Reformation and the onset of the early modern Scandinavian witch hunts. The terrain covered is complex, home to the Germanic Scandinavians as well as their non-Indo-European neighbors, the Sámi and Finns, and it encompasses such

diverse areas as the important trade cities of Copenhagen, Bergen, and Stockholm, with their large foreign populations; the rural hinterlands; and the insular outposts of Iceland and Greenland. By examining witches, wizards, and seeresses in literature, lore, and law, as well as surviving charm magic directed toward love, prophecy, health, and weather, Mitchell provides a portrait of both the practitioners of medieval Nordic magic and its performance. With an understanding of

mythology as a living system of cultural signs (not just ancient sacred narratives), this study also focuses on such powerful evolving myths as those of "the milk-stealing witch," the diabolical pact, and the witches' journey to Blåkulla. Court cases involving witchcraft, charm magic, and apostasy demonstrate that witchcraft ideologies played a key role in conceptualizing gender and were themselves an important means of exercising social control. Witchcraft and Magic in

the Nordic Middle Ages
John Hunt Publishing
The Way of Fire and Ice
reimagines and grounds Norse Paganism in today's world, focusing on the needs of modern practitioners. This book provides practical information on crafting ritual, developing personal mystical practices, and building sustainable community. Instead of being a guide to the reconstruction of ancient Norse religion, this material helps you participate in a modern revival that integrates

Norse deities and beliefs with elements of neopagan practice. Within these pages, you will find fascinating perspectives on Norse cosmology, the runes, and the nine worlds. You will learn all about the gods, ancestors, and spirits of place and the steps you can take to begin relationships with them. You will also discover ideas for celebrating holidays and special rites as well as tips for joining or starting your own group. Norse Paganism makes a strong impact in

the lives of its practitioners. Whether you want to improve your spiritual connection in the routine matters of daily life or want to work with bigger questions of purpose and meaning, the practical informational presented here will serve you on your journey. - Provides a strong alternative to the reconstructionist approach of Asatru/Heathenry; helps readers incorporate the wisdom and virtues found in the old Norse sagas into a contemporary

lifestyle -Written with a strong emphasis on democratic/non-hierarchical group structure and anti-fascist thought, taking inspiration from Reclaiming and other egalitarian training sources -Directly addresses challenges facing modern Norse Pagans like organized bigotry within the community and the struggles of day-to-day living

Trollrún nick creighton
The author, one of the most highly respected scholars of historical

anthropology, has undertaken extensive research on folk beliefs related to communication with the supernatural sphere. In this book, she examines the systems of such communication known by early modern Hungarians, and the role these systems played in the everyday life of the village. New types of mediators are identified such as "the neighborhood witch, " the healing witch, and the demons seen in dreams. Representing a major contribution to the most

up-to-date international research, Eva Pocs draws on significant East European material and literature not previously coordinated with that from the West. In so doing, she makes a valuable contribution to a subject that has recently attracted the attention of several leading scholars. Seidr - the Gate is Open Thistle Publishing
In TROLLRÚN: A Discourse on Trolldom and Runes in the Northern Tradition, Nicholaj de Mattos Frisvold opens the door to landscapes little known

outside of Scandinavia. These landscapes are populated by mythical beings and land spirits which offer a quite different approach to the Northern Tradition than what is usual. Here the Aesir have taken a backseat in favour of discussions on the wider tapestry of Northern wisdom, such as trolldom, seidr and the legacy left by the Black Books of magic under the larger theme of 'What the Trolls Told', comprising the first part of TROLLRÚN. This is followed by a presentation

of the Elder runes, runology, and rune magic, all rooted in Scandinavian ideas of the use of runes and their magic.

TROLLRÚN views this landscape through the eyes of the cunning arts, where the ice, the frost, the midnight sun, and the majestic mountains and fjords become the orchestra of TROLLRÚN's wisdom, drenched in the powerful atmosphere of the magical north.

Between the Living and the Dead

Central European University Press
A practical guide to the

magical systems of pre-Christian Iceland • Reveals spells and workings drawn directly from surviving magical books from the 16th to 20th century preserved at the National Library in Reykjavík • Explores the history of magic in Iceland through original translations of Icelandic folktales about famous magicians and about legendary grimoires, such as the Galdrabók, the oldest and most complete book of its kind • Explains how to personalize the spells through the

creation of unique signs and symbols based on the mythic names of Odin and Icelandic magical alphabets During the Christianization of Europe in the Middle Ages, many books of magic were lost as the ancient pagan traditions were suppressed. But in Iceland the practice of recording magical spells in books continued in secret for centuries, on a scale not seen elsewhere. Now housed in the National Library in Reykjavík, these surviving grimoires, which represent only a

hundredth of what was lost, reveal a rich magical tradition that continued to evolve into the 20th century. Drawing directly from the actual surviving Icelandic books of magic, Stephen Flowers presents a complete system of magic based on Icelandic lore and magical practices from the 16th century onward. He explores the history of magic in Iceland in pagan and early Christian times and reveals specific practical techniques and ritual templates that readers can adapt to their unique

purposes. Illustrating traditional Icelandic magical practices and the Icelanders' attitudes toward them, he shares original translations of Icelandic folktales about famous magicians, such as the legend of Gray-Skin, and about legendary grimoires, such as the *Galdrabók*, the oldest and most complete book of its kind. After initiating the reader into the grammar and symbols of Icelandic magic through history and lore, Flowers then presents an extensive catalog of actual spells

and magical workings from the historical Icelandic books of magic. These examples provide ready-made forms for practical experimentation as well as an exemplary guide on how to create signs and symbols for more personalized magical work. The author also includes guidance on creating unique magical signs from the 100 mythic names of Odin, which he translates and interprets magically, and from Icelandic magical alphabets, symbols that connect Icelandic magic

to the ancient runic tradition.
