Out of the Silence AmazonCrossing

In this personal and passionate account, activist and researcher Sahba Husain documents her deeply engaged and empathetic involvement with the politicised terrain of Kashmir. As she meets people that she speaks with and, more importantly, listens to, she begins to question her own 'Indian' identity. Recognizing the anger, despair and helplessness of a people caught in conflict and violence, Husain forms deep friendships during her time working in the state. It is these relationships that form the backdrop of this book, in which Husain focuses on certain key areas: the health of a people, militancy and its changing meanings for local people and the state, impunity and the search for justice, migration and the longing for homes left behind, and women's activism in the faultlines of nation-state and community. A book of surprising beauty in its engagement with human relationships, of love for a land and a people and of hope for a future free of violence, *Love, Loss, and Longing in Kashmir* is a compelling and necessary read. PUBLISHER'S NOTE: As this book goes to press, there is news of the abrogation, by the Indian government, of Article 370 of the Indian Constitution that grants special status to the state of Jammu and Kashmir. Major changes that affect the lives of people in Kashmir are being put in place. Currently, there is a heavy presence of the armed forces, curfew is in place, telephone and internet lines have been suspended, people are in fear and there is huge bewilderment, confusion, anger. No one knows what the future will hold. This book, the result of long years of engagement with Kashmir, ends on a note of hope. It is our hope and belief too that whatever the future holds, it is the people of Kashmir who will shape it for their state and their world.

A Book of Silence Random House

Winner of the Edgar Award The story of a teen's struggle to prove her brother innocent of murder. The Crime: The murder of John Johnson, beloved baseball coach. The Accused: 18-year-old Jeremy Long, who hasn't spoken a single word in 12 years. Witness for the Defense: 16-year-old Hope Long, the only person who believes her brother is innocent. Other Suspects: The police have none. But Hope's list is growing. From author Dandi Daley Mackall comes a gripping murder mystery and a dark yet powerfully redemptive story of love, secrets, and silence.

Sharing Silence Vintage

From the National Book Award-winning author of *Underworld*, a "daring...provocative...exquisite" (The Washington Post) novel about five people gathered together in a Manhattan apartment, in the midst of a catastrophic event. It is Super Bowl Sunday in the year 2022. Five people, dinner, an apartment on the east side of Manhattan. The retired physics professor and her husband and her former student waiting for the couple who will join them from what becomes a dramatic flight from Paris. The conversation ranges from a survey telescope in North-central Chile to a favorite brand of bourbon to Einstein's 1912 Manuscript on the Special Theory of Relativity. Then something happens

and the digital connections that have transformed our lives are severed. What follows is a "brilliant and astonishing...masterpiece" (Chicago Tribune) about what makes us human. Don DeLillo completed this novel just weeks before the advent of the Covid pandemic. His language, the dazzle of his sentences offer a kind of solace in our bewildering world. "DeLillo's shrewd, darkly comic observations about the extravagance and alienation of contemporary life can still slice like a scalpel" (Entertainment Weekly). "In this wry and cutting meditation on collective loss, a rupture severs us, suddenly, from everything we've come to rely on. The Silence seems to absorb DeLillo's entire body of work and sand it into stone or crystal." —Rachel Kushner

The Silence Between Us Feiwel & Friends

A black family and a white family in 1960s Texas find common ground during the Civil Rights Movement.

Silence of the Lambs Harmony

An irreverent, yet powerful exploration of race relations by the New York Times-bestselling author of *The Chris Farley Show* Frank, funny, and incisive, *Some of My Best Friends Are Black* offers a profoundly honest portrait of race in America. In a book that is part reportage, part history, part social commentary, Tanner Colby explores why the civil rights movement ultimately produced such little true integration in schools, neighborhoods, offices, and churches—the very places where social change needed to unfold. Weaving together the personal, intimate stories of everyday people—black and white—Colby reveals the strange, sordid history of what was supposed to be the end of Jim Crow, but turned out to be more of the same with no name. He shows us how far we have come in our journey to leave mistrust and anger behind—and how far all of us have left to go.

Letter from a Birmingham Jail National Geographic Books

ONE FOR THE GIRLS There are some life stories you just cannot beat. Each time the names of such champions drop, one might as well perform a rite of acknowledgment...any. Their lives have graced hundreds of lives, and hundreds of lives continue to be redeemed through them. They have seen it all. Done it all. They love and they are loved. These individuals have given, and still have more in store. According to the Canon of the Classics, these persons, even the gods envy. Rosina Aboagye Acheampong is one such mortal. From the precocity of her childhood, her dance with life has been one amazing ball of faith ... and chance, nay, destiny. These captivating pages reel out the adventures of a pathfinder, a mould breaker and a pacesetter. Yes, her name might be synonymous with Wesley Girls, but be it at the national or community level, to list what she has achieved is to embark on the impossible. Beautifully, however, Archie the Matriarch does not seem to see the power of her influence. She only wants to give thanks and praise. Not only does this book make interesting reading, it also gives deep insights into the author and her experiences as one of Ghana's influential and foremost educationist. It is, undoubtedly, a must-read book! - John Agyekum Kufuor, former President of Ghana I am yet to hear of any group of students who passed through her hands...who do not remember her with utmost respect and affection. - Professor Ama Ata Aidoo As the Headmistress, she re-defined the role. Indeed, the personality she brought to the position is

irreplaceable and iconic. - Ambassador Evelyn Anita Stokes

The Voice Of Silence University of Texas Press

A homeless bear living in a city has a hard time getting by, but when a little girl makes friends with him, his life becomes brighter.

They Call Me Archie: Amazing Journey of Destiny Vintage

The most influential of contemporary philosophers, Jacques Derrida, explores the idea of friendship—and its political consequences, past and future—through writings by Aristotle, Nietzsche, Cicero, and more. Until relatively recently, Jacques Derrida was seen by many as nothing more than the high priest of Deconstruction, by turns stimulating and fascinating, yet always somewhat disengaged from the central political questions of our time. Or so it seemed. Derrida's "political turn," marked especially by the appearance of *Specters of Marx*, has surprised some and delighted others. In *The Politics of Friendship* Derrida renews and enriches this orientation through an examination of the political history of the idea of friendship pursued down the ages. Derrida's thoughts are haunted throughout the book by the strange and provocative address attributed to Aristotle, "my friends, there is no friend" and its inversions by later philosophers such as Montaigne, Kant, Nietzsche, Schmitt and Blanchot. The exploration allows Derrida to recall and restage the ways in which all the oppositional couples of Western philosophy and political thought—friendship and enmity, private and public life—have become madly and dangerously unstable. At the same time he dissects genealogy itself, the familiar and male-centered notion of fraternity and the virile virtue whose authority has gone unquestioned in our culture of friendship and our models of democracy. The future of the political, for Derrida, becomes the future of friends, the invention of a radically new friendship, of a deeper and more inclusive democracy. This remarkable book, his most profoundly important for many years, offers a challenging and inspiring vision of that future.

People of the Silence Barbour Publishing

By the author of *Planetwalker*, *The Ragged Edge of Silence* takes us to another level of appreciating, through silence, the beauty of the planet and our place in it. John Francis's real and compelling prose forms a tapestry of questions and answers woven from interviews, stories, personal experience, science, and the power of silence through history, including practice by Native American, Hindu, and Buddhist cultures. Through their time-honored traditions and his own experience of communicating silently for 17 years, Francis's practical exercises lay the groundwork for the reader to build constructive silence into everyday life: to learn more about oneself, to set goals and accomplish dreams, to build strong relationships, and to appreciate and be a steward of the Earth. With its amazing human interest element and first-person expertise, this book is energizing and universally instructive.

Silence is Goldfish Turtleback Books

The Voice of Silence is by an Irishwoman who has had an extraordinary life. Oonagh Shanley-Toffolo was brought up in 1930s rural Ireland where her father initiated her into the healing arts. At the age of 16, she entered a convent where she trained as a nurse, and was sent to India to look after the elderly (and knew Mother Teresa). Here, she felt it was the young, rather than the old, who needed more help and so she left her order and trained in midwifery. Later, in Paris, she was asked to nurse the Duke of Windsor just before he died - and many years later was introduced to Princess Diana

and became her weekly confidante. In between, were bouts of serious illness, studying acupuncture in China - and being photographed by Snowdon. *The Voice of Silence* is the life story of a very unusual woman who has learned far more than most from all the remarkable things that have happened to her. It is also the author's thoughts on healing, spirituality and love - and how closely the three are intertwined. Full of feeling, poetic vision and insight, this book cannot fail to touch the heart of the reader, and inspire.

The Power of Silence Blink

He Speaks in the Silence is about Diane Comer's search for the kind of intimacy with God every woman longs for. It is a story of trying to be a good girl, of following the rules, of longing for a satisfaction that eludes us. Disappointed with all Diane had been told was supposed to fulfill her, she begged God in desperation to give her more. And He did. But first He took her through a trial so debilitating it almost destroyed what little faith she had. He let her go deaf. Using vivid parallels between her deafness and every woman's struggle to hear God, this book shows women not only how Diane, as a deaf woman, hears in everyday life, but also how she can learn to listen to God in the midst of her own loud life, finding intimacy with God and the deep soul satisfaction she longs for. *I Am a Bear* Duke University Press

Nate Powell's follow-up to the Eisner award-winning *Swallow Me Whole* examines war and violence, and their trickle-down effects on middle America. As a gang of small-town kids find themselves reunited in adulthood, their dark histories collide in a struggle for the future. Any Empire follows three kids in a Southern town as a rash of mysterious turtle mutilations forces each to confront their relationship to their privileged suburban fantasies of violence. Then, after years apart, the three are thrown together again as adults, amid questions of choice and force, belonging and betrayal.

The Silence of Calvary Penguin

Silence of the Heart HarperOne

At its pinnacle in A.D. 1150 the Anasazi empire of the Southwest would see no equal in North America for almost eight hundred years. Yet even at this cultural zenith, the Anasazi held the seeds of their own destruction deep within themselves.... On his deathbed, the Great Sun Chief learns a secret, a shame so vile to him that even at the brink of eternity he cannot let it pass: In a village far to the north is a fifteen-summers-old girl who must be found. Though he knows neither her name nor her face, the Great Sun decrees that the girl must at all costs be killed. Fleeing for her life as her village lies in ruins, young Cornsilk is befriended by Poor Singer, a curious youth seeking to touch the soul of the Katchinas. Together, they undertake the perilous task of staying alive long enough to discover her true identity. But time is running out for them all--a desperate killer stalks them, one who is willing to destroy the entire Anasazi world to get to her. New York Times and USA Today bestselling authors and award-winning archaeologists W. Michael Gear and Kathleen O'Neal Gear bring the stories of these first North Americans to life in *People of the Silence* and other volumes in the magnificent North America's Forgotten Past series. At the Publisher's request, this title is being

sold without Digital Rights Management Software (DRM) applied.

The Silence of Winter Acropolis Books (GA)

Terry McGowan was a beat cop, a Marine captain, and an FBI Special Agent before retiring at age fifty. But after September 11th, 2001, McGowan was in Iraq, serving as a member of a team of high-ranking retired and active duty military working for the highest level of Marine military intelligence. McGowan's success in Iraq led to a position as a Law Enforcement Professional with the Marines in Afghanistan. There he found himself the oldest member of a platoon on the front line; a platoon that was understrength and under fire. While an eighteen-year-old Marine can't look at a crowd of Afghans and pick out the guilty party, McGowan's years of experience in law enforcement had developed his eye for the "felony look." His training as a Marine Officer, combined with his experience as an FBI Agent, made McGowan an asset as he struggled to keep up with young Marines while they humped over the mountains. Here, he recounts the many trials of his life of service, providing an intimate glimpse into the horrible realities of modern military conflict. --

Any Empire Book's Mind

From the author of *Being Home* and *Becoming Bread*, a primer exploring the simple principles of meditation practice and mindful living. *Sharing Silence* is an irresistible gem of a book that is handy for carrying around in your pocket or keeping at your bedside. Line drawings.

Our Country Friends Ember

Telling the Truth Could Get Them Killed. Remaining Silent Could Be Worse. When Cooper, Hiro, and Gordy witness a robbery that leaves a man in a coma, they find themselves tangled in a web of mystery and deceit that threatens their lives. After being seen by the criminals—who may also be cops—Cooper makes everyone promise never to reveal what they have seen. Telling the truth could kill them. But remaining silent means an innocent man takes the fall, and a friend never receives justice. Is there ever a time to lie? And what happens when the truth is dangerous? The three friends, trapped in a code of silence, must face the consequences of choosing right or wrong when both options have their price.

Why We Can't Wait Hachette UK

Faced with the challenges of transitioning from a Hard of Hearing School to a Hearing high school, Maya has more than a learning curve. But what if she has more to learn about herself and how far she is willing to push for what she believes in? Perfect for contemporary fiction fans, *The Silence Between Us* is a novel that doesn't shy away from the real-life struggles of high school, heart break, and d/Deaf culture. Schneider Family Book Award, Best Teen Honor Book 2020 Torn from her Hard of Hearing school when her mother's job takes them across the country, Deaf teen Maya must attend a hearing school for the first time since her hearing loss. As if that wasn't hard enough, she also has to adjust to the hearing culture, which she finds frustrating. When her new friends and classmates start pushing into Maya's thoughts about what it means to be Deaf, it clashes with her idea of self-worth and values. Looking past graduation towards a future medical career, Maya knows nothing, not even an unexpected romance, will derail her pursuits or cause her to question her integrity. Wattpad sensation Alison Gervais writes a stunning portrayal of the Deaf and Hard of Hearing culture in this clean YA contemporary romance. Drawing from her own deaf experience and relationship with the HoH community, Gervais provides a personal interview and commentary on cochlear implants. *The Silence Between Us* mixes lighthearted romance with deeper social issues facing minority groups. "The Silence Between Us? is eminently un-put-down-able." (NPR) "Gervais deftly renders both the nuanced, everyday realities of life with disability and Maya's fierce pride in her Deafness, delivering a vibrant story that will resonate with Deaf and hearing audiences alike." --?Booklist "A solid addition to middle/high school fiction that allows for deep discussion about stereotypes concerning disabilities."?School Library Journal "This is a great YA contemporary (clean) romance that follows Maya as she navigates a new school and plans for her future. The addition of representation by a Deaf character was really beautifully done. Highly recommend for people looking for a sweet, engaging, and educational romantic read." (YA and Kids Book Central)

Fox's Garden National Geographic Books

I have a mouth, but I mustn't speak; Ears, but I mustn't hear; Eyes, but I mustn't see. 1800, Joseon (Korea). Homesick and orphaned sixteen-year-old Seol is living out the ancient curse: "May you live in interesting times." Indentured to the police bureau, she's been tasked with assisting a well-respected young inspector with the investigation into the politically charged murder of a noblewoman. As they delve deeper into the dead woman's secrets, Seol forms an unlikely bond of friendship with the inspector. But her loyalty is tested when he becomes the prime suspect, and Seol may be the only one capable of discovering what truly happened on the night of the murder. But in a land where silence and obedience are valued above all else, curiosity can be deadly. June Hur's elegant and haunting debut *The Silence of Bones* is a bloody tale perfect for fans of Kerri Maniscalco and Renée Ahdieh.
