The Perpetual Beginner is part memoir, part musical instruction manual. Relating stories of his experiences as a young musician and music student in 1980's New York, author Dave Isaacs describes the key lessons that shaped his musical life and how they can help any aspiring musician at any age. The title refers to the average music hobbyist with more enthusiasm than skill or time to practice. Many people play for years without developing more than rudimentary abilities, and some become so frustrated by the struggle that they stagnate or quit. The stories in the book and the musical lessons they impart give these "perpetual beginners" the ideas, techniques, and encouragement that will help them begin to progress again. The title also references the Zen concept of "beginner's mind", a way of approaching

any endeavor with the openness and zeal of a beginner regardless of experience. Maintaining a beginner's mindset removes many of the self-limiting beliefs and inhibitions that hold many people back, thus enabling the learning process - hence the book's subtitle, "A musician's path to lifelong learning." Author Dave Isaacs is a musician, performing songwriter, and teacher based in Nashville, where he is known as the "Guitar Guru of Music Row".

Learn Acoustic Guitar Hal Leonard Corporation (Guitar Educational). This best-selling title is now available with demonstration audio! Teach Yourself to Play Guitar was created specifically for the student with no music-reading background. With lesson examples presented in today's most popular tab format, which also incorporates simple beat notation for accurate rhythm execution, Teach Yourself to Play Guitar offers the beginning guitarist not only a comprehensive introduction to essential guitar-playing fundamentals, but a quick, effective, uncomplicated and practical alternative to the multitude of traditional self-instructional method books. It also: covers power chords, barre chords, open position scales and chords (major and minor), and single-note patterns and fills; includes lesson examples and song excerpts in a variety of musical styles rock, folk, classical, country and more; familiarizes the student with fretboard organization, chord patterns, hand and finger positions, and guitar anatomy by way of easy-to-interpret diagrams, photos and illustrations; provides complete, concise explanations while keeping text to a minimum; and prepares the student for the option of further guitar instruction.
