Dead End in Norvelt is the
winner of the 2012
Newbery Medal for the
year's best contribution to
children's literature and
the Scott O'Dell Award for
Historical Fiction! Melding
the entirely true and the
wildly fictional, Dead End
in Norvelt is a novel about
an incredible two months
for a kid named Jack
Gantos, whose plans for

vacation excitement are
shot down when he is
"grounded for life" by his
feuding parents, and
whose nose spews bad
blood at every little shock
he gets. But plenty of

unusual

obituaries filled with stories about the people who founded his utopian town. As one obituary leads to another, Jack is launched on a strange adventure involving molten wax, Eleanor Roosevelt, twisted promises, a homemade airplane, Girl Scout cookies, a man on a trike, a dancing plague, voices from the past, Hells Angels . . . and possibly murder. Endlessly surprising, this sly, sharp-edged narrative is the author at his very best, making readers laugh out

loud at the most unexpected things in a dead-funny depiction of growing up in a slightly off-kilter place where the past is present, the present is confusing, and the future is completely up in the air.

Hideout Farrar, Straus and Giroux (BYR)

The New York Times Bestselling Mystery There is trouble brewing in the Louisiana swamp -- Bowser can smell it. Bowser is a very handsome and only slightly slobbery dog, and he can smell lots of

things. Like bacon. And rawhide chews! And the sweat on humans when they're lying. Birdie Gaux, the girl Bowser lives with, also knows something is wrong. It's not just that her grammy's stuffed prize marlin has been stolen. It's the weird rumor that the marlin is linked to a missing treasure. It's the truck that seems to be following Birdie and the bad feeling on the back of her neck. When Birdie and Bowser start digging into the mystery, not even Bowser's powerful sniffer

can smell just how menacing the threat is. And when the danger comes straight for Birdie, Bowser knows it up to him to sic 'em.

I'm a Frog! Scholastic Inc. Read the series that's sold more than 2 million copies--if you dare!

Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a

mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky)

circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

The Cat in the Hat Comes Back Scholastic Inc.

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . In *The Wide Window* we encounter a story that includes a hurricane, a signalling device, hungry leaches, cold cucumber soup, a horrible villain and a doll named Pretty Penny. With 5 million copies sold in the

UK alone, one might consider Lemony Snicket's *A Series of Unfortunate Events* to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake. Call It Courage Farrar, Straus and Giroux (BYR) In a future where the Population Police enforce

the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the *Shadow Children* series from Margaret Peterson Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in

hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to? Lord of the Flies Laurel Leaf

A beloved classic that captures the powerful bond between man and man's best friend. Billy has long dreamt of owning not one, but two, dogs. So when he's finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he's ecstatic. It doesn't matter that times are tough; together they'll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the

region, and the combination of Old Dan's brawn, Little Ann's brains, and Billy's sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair, and that the seeds of the future can come from the scars of the past. From a Newbery Medal-winning author, an “exciting novel” about a colonial girl’s experience

during the French and Indian War (Saturday Review). In the year 1754, the stillness of Charlestown, New Hampshire, is shattered by the terrifying cries of an Indian raid. Young Miriam Willard, on a day that had promised new happiness, finds herself instead a captive on a forest trail, caught up in the ebb and flow of the French and Indian War. It is a harrowing march north. Miriam can only force herself to the next stopping place, the next small portion of food, the

next icy stream to be crossed. At the end of the trail waits a life of hard work and, perhaps, even a life of slavery. Mingled with her thoughts of Phineas Whitney, her sweetheart on his way to Harvard, is the crying of her sister’s baby, Captive, born on the trail. Miriam and her companions finally reach Montreal, a city of shifting loyalties filled with the intrigue of war, and here, by a sudden twist of fortune, Miriam meets the prominent Du Quesne family, who introduce her

to a life she has never imagined. Based on an actual narrative diary published in 1807, Calico Captive skillfully reenacts an absorbing facet of history. "Vital and vivid, this short novel based on the actual captivity of a pre-Revolutionary girl of Charlestown, New Hampshire, presents American history with force and verve." —Kirkus Reviews

"The authors do not hold back." —Booklist (starred review) "The palpable desperation that pervades the plot...feels true, giving

it a chilling air of inevitability." —Publishers Weekly (starred review) "The Shustermans challenge readers." —School Library Journal (starred review) "No one does doom like Neal Shusterman." —Kirkus Reviews (starred review) When the California drought escalates to catastrophic proportions, one teen is forced to make life and death decisions for her family in this harrowing story of survival from New York Times bestselling author Neal Shusterman and

Jarrold Shusterman. The drought—or the Tap-Out, as everyone calls it—has been going on for a while now. Everyone’s lives have become an endless list of don’ts: don’t water the lawn, don’t fill up your pool, don’t take long showers. Until the taps run dry. Suddenly, Alyssa’s quiet suburban street spirals into a warzone of desperation; neighbors and families turned against each other on the hunt for water. And when her parents don’t return and her life—and the life of her brother—is

threatened, Alyssa has to make impossible choices if she’s going to survive. Egmont Books (UK) The amazing New York Times bestseller about what you can do when life gives you a second chance.

Even as a kid, everyone thought Jeff Kinney was talented. People loved his drawings, and when he went to college, his comic strip Igdoof was so popular that it spread to other universities! Still, Jeff faced challenges. His

cartoons were rejected by syndicates that claimed his art was unprofessional. Then, an idea struck: Jeff would write a journal from the perspective of a child, illustrated with doodles just like a kid might do. And so, the Diary of a Wimpy Kid series was born—and it was a hit! In this biography, Jeff’s brother, Patrick Kinney, provides a knowledgeable look at the life of this best-selling author/illustrator. From Jeff’s childhood pranks to his job developing online

games, kids will love the chance to learn more about the creator of the popular Wimpy Kid books. *Wish* Harper Collins Howl with laughter with Dog Man, the internationally bestselling series from Dav Pilkey, the creator of Captain Underpants! Petey the Cat is out of jail, and he has a brand-new lease on life. While Petey's reevaluated what matters most, Li'l Petey is struggling to find the good in the world. Can Petey and Dog Man stop fighting like cats and dogs long enough to put their

paws together and work as a team? They need each other now more than ever -- Li'l Petey (and the world) is counting on them! Dav Pilkey's wildly popular Dog Man series appeals to readers of all ages and explores universally positive themes, including empathy, kindness, persistence, and the importance of being true to one's self. where spies-in-training navigate double crosses, secret missions, friendship, and first love-- now with a bonus epilogue! After the excitement of the fall, all Cammie Morgan wants is peaceful semester at school. But that's easier said than done when you're a CIA legacy and go to the premier school in the world...for spies. Cammie may have a genius I.Q., but there are still a lot of things she doesn't know. Like, how much trouble is she really in after what happened

last semester? What will happen with Josh? And above all, why is her mother acting so strangely? Despite Cammie's best intentions to be a normal student, danger seems to follow her. She and her friends learn that their school is going to play host to some mysterious guests- code name: Blackthorne. Then she's blamed for a security breach that leaves the school's top secret status at risk. Soon, Cammie and her friends are crawling through walls and

surveilling the school to learn the truth about Blackthorne and clear Cammie's name. Even though they have confidence in their spy skills, this time the targets are tougher (and hotter), and the stakes for Cammie's heart-and her beloved school-are higher than ever.
