Opera and Politics Verso Books
Over the last two decades, interest in translation around the world has increased beyond any predictions. International bestseller lists now contain large numbers of translated works, and writers from Latin America, Africa, India and China have joined the lists of eminent, bestselling European writers and those from the

global English-speaking world. Despite this, translators tend to be invisible, as are the processes they follow and the strategies they employ when translating. *The Translator as Writer* bridges the divide between those who study translation and those who produce translations, through essays written by well-known translators talking about their own work as distinctive creative literary practice. The book emphasises this creativity, arguing that translators are effectively writers, or rewriters who produce works that can be

read and enjoyed by an entirely new audience. The aim of the book is to give a proper prominence to the role of translators and in so doing to move attention back to the act of translating, away from more abstract speculation about what translation might involve. The Institute Cambridge University Press 1775-The conflict between the British Empire and the American colonies erupts in all-out war. Rebels and loyalists to the British Crown compete for an alliance with the Six Nations of the Iroquois, the most powerful Indian confederation, boasting a constitution hundreds of years old. In the Mohawk River Valley, Native Americans and colonists have co-existed for generations. But as the thunder of war approaches and the United States struggles violently into existence, old bonds are broken, friends and families are split by betrayal, and this mixed community is riven by hatred and resentment. To save his threatened world, the Mohawk war chief Joseph Brant sets off in a restless journey that will take him from New York to the salons of Georgian

London at the heart of the British Empire. The Girl from Venice Bloomsbury Publishing Quentin Tarantino's long-awaited first work of fiction—at once hilarious, delicious and brutal—is the always surprising, sometimes shocking, novelization of his Academy Award winning film. RICK DALTON—Once he had his own TV series, but now Rick's a washed-up villain-of-the-week drowning his sorrows in whiskey sours. Will a phone call from Rome save his fate or seal it? CLIFF BOOTH—Rick's stunt double, and the most infamous man on any movie set because he's the only one there who might have got away with murder. . . . SHARON TATE—She left Texas to chase a movie-star dream, and found it. Sharon's salad days are now spent on Cielo Drive, high in the Hollywood Hills. CHARLES MANSON—The ex-con's got a bunch of zonked-out hippies thinking he's their spiritual leader, but he'd trade it all to be a rock 'n' roll star. The Madness of the Day Cambridge Scholars Publishing A once-popular young man helping to support his family after a tragic accident falls irrevocably in love with a fiercely

independent and driven college student who wants to avoid romantic entanglements. By the best-selling author of Beautiful Disaster. Original. *The Rival Sirens* Univ of California Press First volume in a trilogy about Alexander the Great. *Don Giovanni* Springer Nature The Rival Sirens examines the vital and intertwined roles of singers, audiences and local cultural context in creating eighteenth-century opera. Stallion Gate Bloomsbury Publishing "Who are the censors of foreign literature? What motives influence them as they patrol the boundaries between cultures? Can cuts and changes sometimes save a book? What difference does it make when the text is for children, or designed for schools? These and other questions are explored in this wide-ranging international collection, with copious examples: from Catullus to Quixote, Petrarch to Shakespeare, Wollstonecraft to Waugh, Apuleius to Mansfield, how have migrating writers fared? We see many genres, from Celtic hero-tales to histories, autobiographies, polemics and even popular songs, transformed on their

travels by the censor's hand."--BOOK

Different Times and Landscapes** Peter

The highly anticipated new standalone novel from Martin Cruz Smith, whom The Washington Post has declared "that uncommon phenomenon: a popular and well-regarded crime novelist who is also a writer of real distinction," *The Girl from Venice* is a suspenseful World War II love story set against the beauty, mystery, and danger of occupied Venice, 1945. The war may be waning, but the city known as La Serenissima is still occupied and the people of Italy fear the power of the Third Reich. One night, under a canopy of stars, a fisherman named Cenzo comes across a young woman's body floating in the lagoon and soon discovers that she is still alive and in trouble. Born to a wealthy Jewish family, Giulia is on the run from the Wehrmacht SS. Cenzo chooses to protect Giulia rather than hand her over to the Nazis. This act of kindness leads them into the world of Partisans, random executions, the arts of forgery and high explosives, Mussolini's broken promises, the black

market and gold, and, everywhere, the enigmatic maze of the Venice Lagoon. *The Girl from Venice* is a thriller, a mystery, and a retelling of Italian history that will take your breath away. Most of all it is a love story.

Madam Butterfly Simon and Schuster
This volume is a selection of papers presented at the international conference on Translation and Censorship. From the 18th Century to the Present Day, held in Lisbon in November 2006. Although censorship in Spain under Franco dictatorship has already been thoroughly studied, the Portuguese situation under Salazar and Caetano has been, so far, almost ignored by the academic research. This is then an attempt to start filling this gap. At the same time, new case studies about the Spanish context are presented, thus contributing to a critical view of two Iberian dictatorial regimes. However other

geographical and time contexts are also included: former dictatorships such as Brazil and Communist Czechoslovakia; present day countries with very strict censoring apparatus such as China, or more subtle censorial mechanisms as Turkey and Ukraine. Specific situations of past centuries are given some attention: the reception of Ovid in Portugal, the translation of English narrative fiction into Spanish in the 18th century, the translation of children literature in Victorian England and the emergence of the picaresque novel in Portugal in the 19th century. Other forms of censorship, namely self-censorship, are studied in this volume as well. "The book fits in one of the most innovative fields of research in translation studies, i.e. the study of social and political constraints on translation processes and translation functions. More specifically, the concept of censorship is crucial to the understanding of these constraints, especially in spatio-temporal settings where translation exhibits conflicts between what is acceptable for and what is prohibited by a given culture. For that reason, detailed descriptive research is needed in as many situations

as possible. It gives an excellent view on the complex mechanisms of censorship with regard to translation within a large number of modern European and non European cultures. In addition to articles devoted to cases dealing with China, Brazil, Great-Britain, Turkey, Ukraine or Czechoslovakia, Spain and Portugal occupy a prominent role. As a whole, the volume marks an important step forward in our growing understanding of the role of socio-political factors for the development and changes of translation policies. I highly recommend the publication." Prof. dr. Lieven D'hulst, Professor of Translation Studies at K.U.Leuven (Belgium). *Homosexuality and Italian Cinema* Routledge

Italian Gothic horror films of the 1970s were influenced by the violent giallo movies and adults-only comics of the era, resulting in a graphic approach to the genre. Stories often featured over-the-top violence and nudity and pushed the limits of what could be shown on the screen. The decade marked the return of specialist directors like Mario Bava, Riccardo Freda and Antonio Margheriti, and the emergence of new talents such as Pupi

Avati (*The House with the Laughing Windows*) and Francesco Barilli (*The Perfume of the Lady in Black*). The author examines the Italian Gothic horror of the period, providing previously unpublished details and production data taken from official papers, original scripts and interviews with filmmakers, scriptwriters and actors. Entries include complete cast and crew lists, plot summaries, production history and analysis. An appendix covers Italian made-for-TV films and mini-series. Q Simon and Schuster

First Italian Readings Simon and Schuster
 In the middle of the night, in a house on a quiet street in suburban Minneapolis, intruders silently murder Luke Ellis' parents and load him into a black SUV. The operation takes less than two

minutes. Luke will wake up at The Institute, in a room that looks just like his own, except there's no window. And outside his door are other doors, behind which are other kids with special talents--telekinesis and telepathy--who got to this place the same way Luke did: Kalisha, Nick, George, Iris, and 10-year-old Avery Dixon. They are all in Front Half. Others, Luke learns, graduated to Back Half, "like the roach motel," Kalisha says. "You check in, but you don't check out." In this most sinister of institutions, the director, Mrs. Sigsby, and her staff are ruthlessly dedicated to extracting from these children the force of their extranormal gifts. There are no scruples here. If you go along, you get tokens for the vending machines. If you don't, punishment is brutal. As each new victim disappears to Back Half, Luke becomes more and more desperate to get out and get help. But no one has ever escaped from The Institute. *Beautiful Oblivion* Thomas Nelson

For any play originating in a different culture and society to be favourably received in English translation, timing and

other factors of reception are often as important as the purely linguistic aspects. This book focuses on the problems of reception and translation into English encountered by European playwrights now regularly staged at British theatres, such as Ibsen, Strindberg, Chekhov, Brecht, Anouilh, Lorca and Pirandello, among others. Introduced by discussions highlighting different approaches to translation in general and the difficulties inherent in the translation of drama in particular, the book concludes by looking at what is lost in translation and the means by which adaptations and new versions may help to restore the balance. **The Day** Legare Street Press

"Elio Vittorini holds a major position in 20th-century Italian literature thanks to both his narrative production and his activity as editor and militant intellectual. This work aims to present the English-speaking reader with a comprehensive study of the author, his times and his work. Particular attention has been paid to the interconnection between Vittorini's work as a fiction writer and his political

commitment which saw him move from revolutionary fascism to communism, to independent left-wing militancy. The combination of extensive archival research with a re-appraisal of his fiction and of his editorial activity provides a full picture reaching beyond the traditional restricted view of Vittorini as the anti-fascist author of ""Conversazione in Sicilia""." *Your Children* HarperCollins

One of the most studied and popular works of Italian literature, Giuseppe Parini's *The Day* has been unjustly neglected in the English-speaking countries. This edition reissue of Herbert Morris Bower's beautiful verse translation, the only complete English version of the poem, is enriched by facing original text and extra end notes. Parini's satirical description of a lazy young nobleman's fashionable day, from his awakening late in the morning to the fatuous pleasures that noon and evening bring, has been often compared to *The Rape of the Lock*, and displays the same gentle tone, pointed wit, and enduring charm of Pope's masterpiece.
