See Me After Class
 Volume 2 (Hentai Manga)
 HQN Books

Have you heard the rumor around campus about the locker room? If you haven't, let me enlighten you: Legend has it if you bring a girl into the sacred after-game domain of the baseball locker room, it will end with a walk down the aisle. One rowdy and naked encounter against the lockers with the girl of your dreams will make her your wife. Translation: baseball players are stupidly superstitious and believe the locker room has magical powers. But not all baseball players are superstitious, me included. So when the girl I've fallen for brushes me off, I start to question if I need to switch my way of thinking. Maybe it's time I finally hand out a coveted invitation to the locker room. The only question is, will she accept?

Twisted Hearts Minotaur Books

There's life out there? and it's coming for you! It starts as a mild rattling of the windows disturbing your pleasant dreams. Then the trees outside your bedroom rustle from

a mysterious celestial wind. When the neighborhood dogs erupt in a cacophony of terrified barking, you're jerked from your peaceful slumber. Through bleary eyes you look at the display on the nightstand. Midnight. A roar cracks the obsidian night sky as a ball of blinding light streaks out of the heavens, crashing with an earthshaking explosion on the other side of the hill. Racing to the open window, you smell the electric scent of charred ozone in the night air. The pulsing glow in the distance mesmerizes your senses. There's something pulling you from its rhythmic humming. Something too enticing to resist. Something's out there, and it has a story to tell. Lots of stories. You slip on your shoes and make your way for the door?

For better or for worse, 'til death do us part . . . The better captured me; she's who stole my heart. And made me realize I couldn't live without this woman. The worse of her took my breath away--kicked me when I was down and twisted me into a million knots. When I first met her, I thought she was someone I would never see again. The second time I ran into her, it was a random coincidence. The third? I didn't know it at the time, but she was the girl I was going to marry. But life isn't always perfect. You have to take the better and the worse--even if it means giving her up, having her slip between your fingers, and letting her walk away. I'm getting married. This is forever, 'til death do us part.

Watcher in the Woods is the next gripping installment of #1

bestselling Kelley Armstrong's riveting Casey Duncan series. The secret town of Rockton has seen some rocky times lately; understandable considering its mix of criminals and victims fleeing society for refuge within its Yukon borders. Casey Duncan, the town's only detective on a police force of three, has already faced murder, arson, and falling in love in the several months that she's lived there. Yet even she didn't think it would be possible for an outsider to locate the town and cause trouble in the place she's come to call home. When a US Marshal shows up demanding the release of one of the residents, but won't say who, Casey and her boyfriend, Sheriff Eric Dalton, are skeptical. And yet only hours later, the marshal is shot dead and the only possible suspects are the townspeople and Casey's estranged sister, smuggled into town to help with a medical emergency. It's up to Casey to figure out who murdered the marshal, and why someone would kill to keep him quiet—before the killer strikes again.

A Reader's Manifesto

Simon & Schuster Books for Young Readers

An all-new STANDALONE from New York Times bestselling author Julia KentIt all started with the wrong Help Wanted ad. Of course it did.I'm a professional fluffer. It's NOT what you think. I stage homes for a living. Real estate agents love me, and my work stands on its own merits.Sigh. Get your mind out of the gutter. Go ahead. Laugh. I'll wait.See? That's the problem. My career has used the term "fluffer" for decades. I didn't even know there was a more... lascivious definition of the term.Until it was too late.The ad for a "professional fluffer" on Craigslist seemed like divine intervention. My last unemployment check was in the bank. I was desperate. Rent was due. The ad said cash paid at the end of the day. The perfect job!Staging homes means showing your best angle. The same principle applies in making a certain kind of movie. Turns out a "fluffer" doesn't arrange decorative pillows on a couch.They arrange other soft, round-ish objects.The job isn't hard. Er, I mean, it is -- it's about being hard. Or, well... helping other people to be hard.Oh, man...And that's the other problem. A man.

No, not one of the stars on the movie set. Will Lotham - my high school crush. The owner of the house where we're filming. Illegally. In a vacation rental. By the time the cops show up, what I thought was just a great house staging gig turned into a nightmare involving pictures of me with an undressed star, Will rescuing me from an arrest, and a humiliating lesson in my own naivete. My job turned out to be so much harder than I expected. But you know what's easier than I ever imagined? Having all my dreams come true.

What do ice cream and Sadie Montgomery have in common? They're both ice cold, but one taste is never enough. I wanted to be friends - I would have even settled for her seeing me as anything but a nerd - but there was no getting through. So just like any hard-headed, red-blooded man out there, I made up my mind. I'd make my coworker fall for me. I'd like to say it was simple, but like every other epic love story, all it took was one drunken night and a lot of naked courage to get the girl. For a moment, at

least. Love with a coworker is never simple, especially since Sadie's trying to keep us on the low. Not to mention her persistent ex-boyfriend who won't leave her alone. But I've never been good at giving up, and I don't plan to start now. The whole thing is a recipe for a rocky road, but I plan to eat the whole gallon, no matter how bad the brain freeze.

Tangled Twosome is a small town, enemies to lovers romance that can be read as a standalone romantic comedy. See why readers are falling in love with these blue collar heroes. From the first day I met Racer McKay, I knew our interaction was going to be incredibly brief. First impressions really do matter and unfortunately, I didn't make a very good one. At the time, I didn't think much of it. I was never going to see this man again, right? Wrong! When I'm met with the opportunity of a lifetime, there is only one man in the state of New York who can assist me. And can you guess who it is? But what I don't realize is he needs me just as much as I need him. I have money he's desperate for, and he holds the key to making my dreams come true. So, we reluctantly join forces. Our pranks turn from sarcastic banter, to sexual tension and lust-filled glances. Bickering matches quickly morph into slow burn moments.

We're hot, we're cold. We push and pull. I need him, I don't want him. We're on the verge of combusting with an agreement dangling dangerously between us. Neither one of us can afford to lose one another and yet, we're finding it quite hard to decipher the line that rests between love and hate.*** Formerly titled *Twisted Twosome* *** *The Left Side of Perfect Entangled: Teen* Including: A response to critics, and: Ten rules for "serious" writers, the author continues his fight on behalf of the American reader, arguing against pretension in so-called "literary" fiction, naming names and exposing the literary status quo. *Stroked Long* HarperCollins Savio Falcone has a few non-negotiable rules when it comes to girls. They need to be hot as f*ck. Spread their legs without much prompting. And leave as soon as the fun is over. Preferably minus any bitching or tears. With his easy-going bad boy attitude, a last name that rules over Las Vegas and a body to die for, girls have always been at Savio's disposal. Unfortunately, the hottest girl in Vegas

comes with a price Savio isn't willing to pay. For Savio to get Gemma he'd need to seal the deal and put a ring on her finger. Settling down is out of the question, no matter how hot a piece of ass waits at the altar. Gemma Bazzoli has had a crush on Savio from the first moment she came face to face with his arrogant smile, but for him she was always his best friend's annoying little sister-until her hard-earned curves catch even his attention. But Savio likes it easy, and Gemma is anything but. When she's promised to another man, Gemma resigns herself to the fact that the man she's wanted all her life, doesn't want her badly enough. Savio has to decide how much work he's willing to invest, because bending the rules in his usual style might not be enough to get the girl that haunts his wet dreams.- Can be read as a standalone- *The Right Side of Forever* B&H Publishing Group Rumor Mora fears two things: hellhounds too strong for him to kill, and failure. Jude Welton has two dreams: for humans to stop killing monsters, and for his strange abilities to vanish. But in no reality should a boy raised to love monsters

fall for a boy raised to kill them. Nyx Llorca keeps two secrets: the moon speaks to her, and she's in love with her best friend, Dahlia. Braeden Tennant wants two things: to get out from his mother's shadow, and to unlearn his colony's darkest secret. To save everyone they love, they'll both have to commit treason. During one twenty-seven-hour night, these four runaways must stop the war between the colonies and the monsters from becoming a war of extinction, or the things they fear most will be all that's left. *Sky Without Stars* Simon and Schuster A STANDALONE sexy, emotional sports romance from #1 New York Times bestselling author Lexi Ryan. from the team, on house arrest, and forced to spend six months at home to get my shit together. The cherry on top of my fuckup sundae? Sleeping in the room next to mine is my best friend's girl, Mia Mendez—the only woman I've ever loved and a reminder of everything I regret. I'm not sure if having Mia so close will be heaven or hell. She's off-limits—and not just because she's working for my dad. Her heart belongs to someone else. But since the accident that killed her brother and changed everything, she walks around like a zombie, shutting out her friends and ignoring her dreams. We're both broken, numb, and stuck in limbo. Until I break my own rules and touch her. Until she saves me from my nightmares by climbing into my bed. Until the only thing I want more than having Mia for myself is to protect her from the truth. When I found an eviction

notice taped on my apartment door, I had two options: find a comfortable cardboard box to call home, or move in with Tucker Jameson. Seeing that cardboard makes me feel itchy, I chose the latter. Which shouldn't be that big of a deal since Tucker is one of my good friends. And because he's still pining after his ex-girlfriend and I'm trying to finish my nursing degree, there is nothing to worry about in the romance department, making my last semester an easy one to conquer. Boy, was I wrong. Rules are set, dinners are made, conversations are had, and a shirtless, swoony roommate walks around in nothing but a pair of black briefs, ruining me for every other man. Before I know it, I turn into a panting, lust-filled woman begging for Tucker to kiss me, touch me, and show me exactly what is hiding under those briefs. But with great orgasms, comes great consequences. Tucker might be my friend and roommate but he's also my best friend's ex-boyfriend, making him completely off-limits. At least that's what my brain is telling me, my heart is speaking an entirely different language.
