Explorer's Guide The Shenandoah Valley & Mountains of the Virginias: Includes Virginia's Blue Ridge and Appalachian Mountains & West Virginia's Alleghenies & New River Region (Explorer's Complete)

## BALL SAGE

*Pathfinder* Arcadia Publishing

A lively, comprehensive guide to the southern Appalachians, from Virginia's Blue Ridge Mountains to the Monongahela National Forest of West Virginia. With visitation levels that rival Orlando and New York City, the southern Appalachians draw a huge array of weekenders, adventurers, and long-term visitors. This book offers historical insight, outdoor adventure, and all the information most travelers need to plan and enjoy their journey. This guide also serves as an insider's handbook to the nine national parks, offering active travelers the best access points and trailheads for kayaking, biking, and hiking excursions. In addition, this comprehensive guide to the region includes opinionated listings of inns, B&Bs, hotels, and vacation cabins; hundreds of dining reviews, from barbecue to four-star cuisine; up-to-date maps; an alphabetical "What's Where" subject guide to aid in trip planning; and handy icons that point out family-friendly establishments, wheelchair access, places of special value, and lodgings that accept pets.

Warren Commission Report is the result of the investigation regarding the assassination of United States President John F. Kennedy. The U.S. Congress passed Senate Joint Resolution 137 authorizing the Presidential appointed Commission to report on the assassination of President John F. Kennedy, mandating the attendance and testimony of witnesses and the production of evidence. After eleven months of the investigation the Commission presented its findings in 888-page final report. The key findings presented in this report were that President Kennedy was assassinated by Lee Harvey Oswald, that Oswald acted entirely alone and that Jack Ruby also acted alone when he killed Oswald two days later. The Commission's findings have proven controversial and have been both challenged and supported by later studies.

From the bestselling author of *The Monk of Mokha* and *The Circle* comes a taut, suspenseful story of two foreigners' role in a

nation's fragile peace. An unnamed country is leaving the darkness of a decade at war, and to commemorate the armistice the government commissions a new road connecting two halves of the state. Two men, foreign contractors from the same company, are sent to finish the highway. While one is flighty and adventurous, wanting to experience the nightlife and people, the other wants only to do the work and go home. But both men must eventually face the absurdities of their positions, and the dire consequences of their presence. With echoes of J. M. Coetzee and Graham Greene, this timeless novel questions whether we can ever understand another nation's war, and what role we have in forging anyone's peace.

Gay Pride parades are annual arenas of queer public culture, where embodied notions of subjectivity are sold, enacted, transgressed and debated. From Sydney to Rome, *Queering Tourism* analyses the paradoxes of gay pride parades as tourist events, exploring how the public display of queer bodies - the way they look, what they do, who watches them, and under what regulations - is profoundly important in constructing sexualized subjectivities of bodies and cities. Drawing on extensive collections of interviews, visuals and written media accounts, photographs, advertisements, and her own participation in these parades, Lynda Johnston gives a vibrant account of 'queer

tourism' in New Zealand, Australia, Scotland and Italy. For each place, she looks at how the relationship between the viewer and the viewed produces paradoxical concepts of bodily difference, and considers how the queered spaces of gay pride parades may prompt new understandings of power and tourism. Examining the intersection of sexuality, space and tourism, and using empirical data gathered at Gay pride parades such as the Sydney Mardi Gras, New Zealand HERO Parade and World Pride Roma 2000, this important work produces a deconstructive account of tourism and presents new ways of thinking through the powerful processes of subjectivity formation.

As the magazine of the Texas Exes, *The Alcalde* has united alumni and friends of The University of Texas at Austin for nearly 100 years. The *Alcalde* serves as an intellectual crossroads where UT's luminaries - artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them - meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for "mayor" or "chief magistrate"; the nickname of the governor who signed UT into existence was "The Old Alcalde."

Since 1926, the Tulsa Christmas Parade has entertained thousands of children and adults year after year as it winds through the historic streets of downtown Tulsa. In its early days, when Tulsa was a new town booming with rapid growth from the recent discovery of oil, the Christmas parade quickly became an annual tradition that has continued to be a favorite event for the past 90 years. Throughout part of its history, the parade has been held at night, and Tulsa and the surrounding communities have come together to put on elaborate, twinkling displays--full of sparkling lights--including floats, marching bands, and large

balloons, culminating each year with the guest of honor, Santa himself, making a special trip from the North Pole all the way to Tulsa, Oklahoma. This book explores the grandeur and excitement of Tulsa Christmas Parade's history against the backdrop of one of the largest collections of Art Deco architecture in the United States.

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Flying the Cobra Attack Helicopter in Vietnam HarperCollins  
Financed by British spoils from eastern Maine in the War of 1812, modelled on the University of Edinburgh, and shaped by Scottish democratic education tradition, Dalhousie was unique among Nova Scotia colleges in being the only liberal, nonsectarian institution of higher learning. Except for a brief flicker of life (1838-43), for the first forty-five years no students or professors entered Dalhousie's halls a reflection in part of the intense religious loyalties embedded in Nova Scotian politics. The college building itself was at different times a cholera hospital and a Halifax community centre. Finally launched in 1863 and by 1890 embracing the disciplines of law and medicine, Dalhousie owed its driving force to the Presbyterians, retaining a double loyalty to their ethos of hard work and devotion to learning and to a board, staff, and student body of mixed denominations. P.B. Waite enlivens his descriptions of the life of the university with evocative portrayals of governors, professors, and students, as well as sketches of the social and economic development of Halifax. A welcome addition to the histories of Canadian universities, this volume and its forthcoming companion, dealing with the years 1925 to 1980, contribute significantly to our knowledge of the sometimes bitter internecine struggles that accompanied the development of higher education in Canada. "Everywhere is evident the deft turn of phrase, the captivating descriptions, the beautifully drawn word pictures that do much to enliven and illuminate the story ... It possesses many strengths, including clarity and liveliness, and tells us much about Dalhousie

as an institution of buildings, presidents, and professors." B. Moody, Department of History, Acadia University.

Welcome to the small town of Harland Creek! Heartwarming romance, secrets and drama, and compelling characters in this special collection of the first three novels of the series, including a bonus novella! PROMISE KEPT \*\*Such a hopeful and beautiful read\*\*~Reviewer Lying on her job application wasn't the best way to kick off her fresh start in a small town, but Heather Smith is out of options. She desperately needs the job, or she will soon be without a place to live. Now, if she could just figure out why a local farmer keeps casting suspicious glares her way... Sure, Grayson McCade has his hands full with his farm. The second he learns a newcomer has been hired to care for Elizabeth, he worries the kind-hearted old woman is being scammed. Will the secrets revealed tarnish Heather's new start before it even begins? PROMISE MADE \*\*Beautifully written\*\*~reviewer Olivia McCade prefers flowers to people. Other than the occasional thorn poke, she figures plants are far less likely to hurt her. It was that realization that caused her to leave her nursing career behind and settle into the calming aromas of her flower shop. The plan worked great... until a huge wedding contract put her face to face with the man who broke her heart and shattered her dreams. Needing someone at her side to help her through this, Olivia turns to Sam Hunter. But Sam has a secret all his own. Now, as she looks to him for comfort, Sam must find a way to juggle her fragile heart and his own stirring emotions. PROMISE FOREVER \*\*Wonderfully written!\*\*~reviewer Growing up in Harland Creek, Gabriela Jackson was the girl all the guys wanted and all the girls wanted to be. Until one tragic night that rocks the entire town and leaves her the object of scorn. Unable to stay in a place where the entire town hates her, she signs a modeling contract with an elite New York agency just to get away. She soon discovered the darker side of beauty. After refusing to compromise her morals, she's labeled as difficult and black balled in the industry. With nowhere else to turn, she returns to Harland Creek. But her homecoming is far from warm. Judgmental stares. Incessant gossip behind her back. Hurtful preconceived notions. Now, more than ever, Gabriela is determined to prove only she can define who she is as a person. Colin Bennet left his scandal-riddled family in England to forge his own respectable path in life. The

small town charm of Harland Creek seemed the perfect place to open a book store, and focus on penning his first novel. Turns out that second part would be far easier if American women weren't falling all over him simply because of his accent. But there is one who seems uninterested in his worldly charms. An intoxicating beauty with razor sharp wit, striking intelligence and a damaged reputation. But are they willing to risk it all for a chance at true happiness? CHRISTMAS IN HARLAND CREEK \*\*Charming Christmas Story!\*\*~reviewer Christmas magic comes to Harland Creek! Ever the introverted bookworm, Eliza Ross has read many love stories set to a backdrop of sleigh bells and snow flurries. But turning the pages of her favorite authors' latest release is the closest she's ever come to that kind of romance. Convinced it would be yet another holiday full of itchy Christmas sweaters and family gatherings, Eliza takes a break from her college courses and ventures home to the small town of Harland Creek. Little does she know more than tinsel and holly berries await her there. For as long as she can remember, Eliza has had a crush on Jake Denton. Not that he even knew she existed... or so she thought. Yet when a winter storm traps them together, they learn they have more in common than Eliza ever could have imagined. While the weather outside is frightful, seeing the softer side of Jake is truly delightful. Will the blinding blizzard open their eyes to the magical connection between them?

This monumental novel, divided into four separate books, celebrates the end of an era, the irrevocable destruction of the comfortable, predictable society that vanished during World War I.

American Lumberman Balloons Over Broadway The True Story of the Puppeteer of Macy's Parade

Every day in communities across America hundreds of committees, boards, church groups, and social clubs hold meetings where they spend their time engaged in shouting matches and acrimonious debate. Whether they are aware of it or not, the procedures that most such groups rely on to reach decisions were first laid out as Roberts Rules more than 150 years ago by an officer in the U.S. Army's Corps of Engineers. Its arcane rituals of parliamentary procedure and majority rule usually produce a victorious majority and a very dissatisfied minority that expects to raise its concerns, again, at the next possible meeting.

Breaking Roberts Rules clearly spells out how any group can work together effectively. After briefly explaining the problems created by Roberts Rules, the guide outlines the five key steps toward consensus building, and addresses the specific problems that often get in the way of a groups progress. Appendices include a basic one page Handy Guide that can be distributed at meetings and a case study demonstrating how the ideas presented in the book can also be applied in a corporate context. Written in a non-technical and engaging style, and containing clear ideas and instructions that anyone can understand and use, this one-of-a-kind guide will prove an essential tool for any group desperate to find ways of making their meetings more effective. In addition, neighborhood associations, ad hoc committees, social clubs, and other informal groups lacking a clear hierarchy will find solid advice on how to move forward without resorting to majority rules or bickering over who will take leadership positions. Bound to become a classic, Breaking Roberts Rules will change the way you hold meetings forever, paving the way for efficiency, efficacy, and peaceful decision making.

When Zoe Z. Zany's grandpa, Yulee Y. Young, gives permission for Zoe to get a pet, she attends the Topsy-Turvy Town Alphabet Pet Parade and is smitten with a mischievous black and white critter creating an increasing amount of chaos. Zoe is sure this animal is her dream pet, so she hops on her bike and a wild chase ensues,

scattering the unusual townspeople and their unconventional pets all over Topsy-Turvy Town. Literacy expert Judith E. Torres, MA, CCC-SLP has created this captivating alphabet book inspired by the annual Pet Parade in Santa Fe. Children will love exploring the detail in the illustrations and hunting for Zoe's new pet. The book can be used by parents, speech-language pathologists, and educators to teach language and literacy concepts such as phonemic awareness, letter names and sounds, opposites, animal vocabulary, verbs, pronouns, and story prediction. The story is supplemented with further discussion materials, including a glossary of animals and educational prompts.
