From tween advocate for limb difference and founder of Project Unicorn Jordan Reeves and her mom, Jen, comes an inspiring memoir about how

every kid is perfect just the way they are. When Jordan Reeves was born without the bottom half of her left arm, the doctors reassured her parents that she was “born just right.” And she has been proving that doctor right ever since! With candor, humor, and heart, Jordan’s mother, Jen Lee Reeves, helps Jordan tell her story about growing up in an able-bodied world and family, where she was treated like all of her siblings and classmates—and where she never felt limited. Whether it was changing people’s minds about her capabilities, trying all kinds of sports, or mentoring other kids, Jordan has channeled any negativity into a positive, and is determined to create more innovations for people just like her. Her most famous invention, aptly called Project Unicorn, is a special prosthetic (that shoots glitter!) made with the help of a 3-D printer. A real-life superhero, Jordan is changing the world with her foundation, Born Just Right, which advocates and celebrates kids with differences, and helps them live their best possible life—just like Jordan is today!

Pensato per essere utilizzato nella scuola primaria, questo libro propone materiali interessanti e originali per supportare gli insegnanti di inglese nelle ore di lezione. È uno dei pochissimi materiali che si focalizza sulla pronuncia, in particolare dei suoni caratteristici della lingua inglese e che mancano nella lingua italiana. Dopo un'introduzione teorico-metodologica, il libro propone 15 attività suddivise per categorie: - Listening games, per sviluppare la percezione uditiva dei nuovi fonemi; - Speaking games, divisi a loro volta in giochi di osservazione e di produzione orale; - Recognition games, per consolidare la pronuncia dei fonemi appresi. Nella scatola allegata al volume vengono fornite: - 100 flash card (quattro per ciascun fonema, dittongo e tritongo preso in esame); - 200 memory card. Tramite pratici QR-Code è inoltre possibile ascoltare gli audio delle singole parole (disponibili anche in download) pronunciate da uno speaker di madre lingua.

"African authors have consistently returned to childhood to find their personal as well as their racial roots. Far from being merely nostalgic yearnings for a lost paradise, many of the treatments of childhood as shown in articles in this issue have exposed a grim reality of cruelty, harshness, parental (particularly paternal) egocentrism and extraordinary bruising of the vulnerable child psyche. Camara Laye may have portrayed a paradise state but Yvonne Vera has treated one of the cruelest features of childhood anywhere. African authors generally have been sternly responsible in their portrayal of childhood." -- Publisher's description
