Common Core Curriculum: English,  
Grades 9-12 John Wiley & Sons  
Common Core's English resources  
empower educators to meet the  
expectations of the Common Core State  
Standards (CCSS) for English Language  
Arts (ELA) and build essential content  
knowledge for students in grades 9-12.

Each grade in The Wheatley Portfolio features a comprehensive, coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics. Features of this book include: Six thematic units for each grade, each centered on a curated collection of literary and informational texts Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills Suggested texts and activities to

incorporate science, art, and history into English instruction. This revised second edition includes a sample text study that guides students through a close read of an exemplary text, updated web resources, and refreshed suggested works. Educators who create their curriculum based on Common Core's Wheatley Portfolio guarantee that students are exposed to content-rich instruction and have ample opportunity to master the reading, writing, speaking, listening, and language skills articulated in the CCSS for ELA.

### English Common Core 9Th Grade

Students, parents, and teachers can

easily find answers related to the specific requirements of the Common Core State Standards for English Language Arts. This set of expectations and skills needs to be mastered to succeed in school, college, and the real world. The QuickStudy series aligns with those standards being implemented in most states to help guide students through their classes and to support parents helping their students excel. Each guide in the series focuses on critical areas of the curriculum and features real-world problems, examples, illustrations, and tables to help students retain information.
