Elevate Your Writing From So-So To

Spectacular! Great writing requires more

than an original idea, compelling

characters, or a scintillating plot. An

author needs all of these to be

successful, but writing--and writing well--

also demands an entirely different skill

set. Spellbinding Sentences arms you

with the tools you need to master the power of the English language. In this book, you'll learn the different qualities of words and the many ways those words can be combined to create sentences that hook readers. You'll emulate sentences from your favorite writers, practice proven techniques, and develop your skills one step at a time. The result? Your ability to craft excellent sentences will become second nature--and those sentences will hold your readers spellbound, page after page. "Barbara Baig's *Spellbinding Sentences* is a tribute to the pleasure and vitality of the English language. Never prescriptive and always clear, this enlightening book is sure to help all those wishing to add grace and strength to their writing." -- Jane Brox, award-winning author of

Brilliant: The Evolution of Artificial Light, one of TIME magazine's top ten nonfiction books of 2010 "Spellbinding Sentences is sophisticated and down-to-earth at the same time. Could your paragraphs use a pick-me-up? If so, *The Writer's Diet* is for you! It's a short, sharp introduction to great writing that will help you energize your prose and boost your verbal fitness. Helen Sword dispenses with excessive explanations and overwrought analysis. Instead, she offers an easy-to-follow set of writing principles: use active verbs whenever

possible; favor concrete language over vague abstractions; avoid long strings of prepositional phrases; employ adjectives and adverbs only when they contribute something new to the meaning of a sentence; and reduce your dependence on four pernicious "waste words": it, this, that, and there. Sword then shows the rules in action through examples from William Shakespeare, Emily Dickinson, Martin Luther King Jr., John McPhee, A. S. Byatt, Richard Dawkins, Alison Gopnik, and many more. A writing fitness test encourages you to assess your own writing and get immediate advice on addressing problem areas. While *The Writer's Diet* is as sleek and concise as the writing ideals contained within, this slim volume packs a powerful punch. With Sword's coaching writers of

all levels can strengthen and tone their sentences with the stroke of a pen or the click of a mouse. As with any fitness routine, adhering to the rules requires energy and vigilance. The results, however, will speak for themselves.
