Law: The Essentials - 9780230230446
Construction contract law: the essentials
Adriaanse, John
Written by an author with considerable business and academic experience in the field, this title covers the essential points of construction contract law in a concise and accessible manner.
Construction contract law: the essentials by Adriaanse, John
As a general rule the essential terms of a construction contract are parties, description of the works, price and period

for construction. A failure to agree on price or time for performance is not necessarily fatal; in certain circumstances the courts may apply terms as to reasonable price and a reasonable period for performance.
Essentials of a contract - Designing Buildings Wiki
A useful one day training course focussing on the essentials of contract law. It enables delegates to understand and appreciate the key requirements inherent in a contract, how it is operated and the key

clauses that need to be interpreted. Contracts, their application and interpretation are fundamental to every construction project.
Essential Contract Law - Courses - ICE Training
These five essential elements of a construction contract can result in major vulnerabilities if overlooked:
1. Full Name, Address, and Signatures of Both Parties. Though this may sound obvious, this commonly overlooked element of construction contracts is required to

make the contract legally binding.⁵ Essential Elements of a Construction Contract | Cotney ...And it's all controlled by contract law. Some contracts must be in writing to be enforceable. Most don't. And the rules apply to verbal contracts as well. The main rules apply across the board. Essential Elements of Contracts. To make a legally binding contract, 5 elements must be satisfied: offer, acceptance, consideration, intention

and capacity: Legally Binding Contracts & Terms: Basics of Contract Law In Construction Contract Law, Adriaanse tackles the key aspects of this subject with total clarity and precision. The book first examines the nature of construction contracts and then takes the reader through each aspect of the construction process, explaining its significance to the practice of contract law and the reasoning behind it. Construction Contract Law: The Essentials: John Adriaanse ...By law,

before one can enter into a legally binding contract, the person must be at least 18 years old and be of a sound mind. This means that a contract will be considered void and invalid if any of the parties to the contract is below the age of 18 or is of an unsound mind. Consent must be from one's own free will.⁷ Essentials of a Valid Contract - Hosbeg.com It covers the essentials of construction contracts, including how the law has developed, the reasoning behind key clauses and

how contract law is applied in practice, and it helps to make the transition from student to practitioner manageable.
