 The Illusion Of Peace International
 Strongly interpretative and archivally based, The Illusion of Peace examines the emotional, ethnic, and economic factors responsible for international instability, as well as the distortion of the balance of power, the abnormal position of the Soviet Union, the weakness of France and the uncertainty of her relationship with Britain, and the inadequacy of the League of Nations. In so doing, the study clarifies the complex topics of reparations and war debts and challenges traditional ...

 With the illusion of space becoming almost as precious as space itself in the crowded capital, being clever with smaller spaces is a necessity among London architects and designers in the modern age. Though 19, 21 and 23 Elizabeth Avenue are generously proportioned, there was still an element of

illusive space play combined with real space maximisation techniques throughout each house.
