The Rage and the Pride Burning Desires

Routine is a quiet, peaceful enemy. Day by day it conquers new territories of one's soul until there's no desire left to fight against it. Michael and Gail, a young married couple, were just realizing the silent march of routine creeping in their lives and killing their love, when Michael brought home a book of poems with more than poetry in it. That book was the decisive factor for them to give up their comfortable but sad life and embark on a dream they had cherished for long: to travel the South Pacific aboard of an old sailing boat. But more is to come: Thomas Blake, an old librarian who owns a small bookstore close to where Michael works, gives him as a present a very special book. Only later and in the open sea will Michael and Gail discover the gift they have been blessed with. Their fears, their desires, for which probably the reader will relate to and the secret of living your own and unique life are enclosed in *Distant Winds*, a book with flavour of the sea that invites us to take the risks in our pursuit of true happiness.

'I WANT TO INSPIRE PEOPLE. I WANT SOMEONE TO LOOK AT ME AND SAY: "BECAUSE OF YOU I DIDN'T GIVE UP".' Goals is a very personal and deeply-moving collection of life-affirming and inspirational real-life stories from which Chelsea and Italy football legend Gianluca Vialli has drawn great strength and resolve during his battle with pancreatic cancer. The stories and the individuals involved have been selected by Vialli because they have offered him comfort and inspiration at the time of his greatest challenge, and he feels that they can do the same for many of us, whatever it might be that we are facing. The result is a beautifully-written and touching narrative which is by turns vital and poignant, spine-tingling and heart-rending. The very last story in Goals is Vialli's own, bravely and movingly chronicling his battle with this cruel illness.

Emmanuel, a young man with spinal tuberculosis and confined to a sanatorium outside Paris, narrates his and his fellow patients' attempts to live life to the fullest as their bodies slowly atrophy

and die. Blending dark humor and pathos, *Scarred Hearts* was hailed as a masterpiece on publication in Romanian in 1939, and was more recently compared to Thomas Mann's *Magic Mountain* and the fiction of Franz Kafka. Like Emmanuel, Max Blecher suffered from tuberculosis of the spine, and spent the last year of his life in a full body cast and wheelchair, before dying at age twenty-nine with two novels completed.

From USA Today bestselling author Jennifer Sucevic comes a sexy, new standalone novel. Trust me when I say that Rowan Michaels fever is alive and well at Western University. His fanbase is legendary. The guy is a major player. Both on and off the field. Girls fall all over themselves to be with him. They fill the

stands at football practice, show up at parties he's rumored to be at, and basically stalk him around campus. It's a little nauseating. Don't these girls have any self-respect when it comes to a hot guy? Fine...I'll admit it, he's good looking. If you're into that kind of thing. Which I'm not. I've got school and soccer to keep me busy which is exactly why I avoid him like an unfortunate clap diagnosis. Too bad for me that Rowan is my father's star quarterback. He's practically part of the family, attending Wednesday night dinners with us. To make matters worse, we're in the same major and get stuck together in classes every semester. It's like the universe is trying to play a cosmic joke on me. The one guy I'd like to steer clear of is the very same one I can't seem to get away from. But what if Rowan isn't the player I pegged him to be? What if one little secret has the capability to change everything between us?

Maggie wants the perfect life - but if she keeps breaking the rules can she ever have it?

A powerful, epic novel of four friends as they grapple with desire, youth, death, and faith in a sweeping story by the international bestselling author of *The Solitude of Prime Numbers* “Perfect,

moving, honest, brilliant, with characters who feel like old friends.” —Andrew Sean Greer, Pulitzer Prize-winning author of *Less* “Heaven and Earth is a stunning achievement and confirms him as an electrifying presence in contemporary fiction.” —André Aciman, author of *Call Me by Your Name* and *Find Me Every summer* Teresa follows her father to his childhood home in Puglia, down in the heel of Italy, a land of relentless, shimmering heat, centuries-old olive groves and families who have lived there for generations. She spends long afternoons enveloped in a sunstruck stupor, reading her grandmother's paperbacks. Everything changes the summer she meets the three boys who live on the farm next door: Nicola, Tommaso and Bern—the man Teresa will love for the rest of her life. Raised like brothers on a farm that feels to Teresa almost suspended in time, the three boys share a complex, intimate, and seemingly unassailable bond. But no bond is unbreakable and no summer truly endless, as Teresa soon discovers. Because there is resentment underneath the surface of that strange brotherhood, a twisted kind of love that protects a dark secret. And when Bern—the enigmatic, restless gravitational center of the group—commits a brutal act of revenge, not even a final pilgrimage to the edge of the world will be enough to bring back those perfect, golden hours in the shadow of the olive trees. An unforgettable story of enduring love, the bonds between men, and the all-too-human search for meaning, *Heaven and Earth* is Paolo Giordano at his best: an author capable of unveiling the depths of the human soul, who has now given us the old-fashioned pleasure of a big, sprawling novel in which to lose ourselves.
