*Encyclopedia of Taboos* Feral House

A New York Times Notable Book of 2020 A Bloomberg Best Non-Fiction Book of 2020 A Behavioral Scientist Notable Book of 2020 A Human Behavior & Evolution Society Must-Read Popular Evolution Book of 2020 A bold, epic account of how the co-evolution of psychology and culture created the peculiar Western mind that has profoundly shaped the modern world. Perhaps you are WEIRD: raised in a society that is Western, Educated, Industrialized, Rich, and Democratic. If so, you're rather psychologically peculiar. Unlike much of the world today, and most people who have ever lived, WEIRD people are highly individualistic, self-obsessed, control-oriented, nonconformist, and analytical. They focus on themselves—their attributes, accomplishments, and aspirations—over their relationships and social roles. How did WEIRD populations become so psychologically distinct? What role did these psychological differences play in the industrial revolution and the global expansion of Europe during the last few centuries? In *The WEIRDest People in the World*, Joseph

Henrich draws on cutting-edge research in anthropology, psychology, economics, and evolutionary biology to explore these questions and more. He illuminates the origins and evolution of family structures, marriage, and religion, and the profound impact these cultural transformations had on human psychology. Mapping these shifts through ancient history and late antiquity, Henrich reveals that the most fundamental institutions of kinship and marriage changed dramatically under pressure from the Roman Catholic Church. It was these changes that gave rise to the WEIRD psychology that would coevolve with impersonal markets, occupational specialization, and free competition—laying the foundation for the modern world. Provocative and engaging in both its broad scope and its surprising details, *The WEIRDest People in the World* explores how culture, institutions, and psychology shape one another, and explains what this means for both our most personal sense of who we are as individuals and also the large-scale social, political, and economic forces that drive human history. Includes black-and-white illustrations.

*Etiquette and Taboos around the World: A Geographic Encyclopedia of Social and Cultural Customs Gestures*

Tells how to make preparations for international trade, discusses business trips, export regulations,

pricing, shipping, and communication, and covers foreign business protocol

*Bodytalk* Penguin

Lists and illustrates gestures and explains their meanings in eighty-two countries around the world, along with information about rules of decorum and when to make eye contact and touch

**Do's and Don'ts Around the World** John Wiley & Sons

What Women Need to Know to Succeed in International Business From meeting protocol and sexual harassment to dining and gift giving, the rules for conducting business abroad can be dramatically different from those at home--and they can also vary from country to country. But with this indispensable resource, you'll have everything you need to successfully interact with your business counterparts, whether you're doing business in Caracas, Calcutta, or Copenhagen. Bestselling author Roger Axtell combines his 30 years of experience working abroad with the advice of three cross-cultural consultants to provide you with guidance and specific advice on: \* Survival --Knowing the culture, protocol, safety, and staying healthy \* Cultural differences --A country-by-country listing of the rules for proper dress, speech, table manners, etc. \* Climbing the career ladder --Resources listing the best schools, courses, and language training, advice on

finding mentors, and more \* Personal issues --Dating rules in different cultures, balancing an international career and family life, dealing with harassment and discrimination

**Salt and Pepper** Vanguard Press

Sin and Ink by Naima Simone updated blurb There's sin, and then there's literally-going-straight-to-hell sin... Being in lust with my dead brother's wife pretty much guarantees that one day I'll be the devil's bitch. But Eden Gordon works with me, so it's getting harder and harder to stay away. I promised my family—and him—I would, though. My days as an MMA champion are behind me. But whenever I see her, with those wicked curves and soft mouth created for dirty deeds, it's a knock-down fight to maintain my distance. “Hard Knox” becomes more than just the name of my tattoo shop. However, surrendering to the forbidden might be worth losing everything... Each book in the Sweetest Taboo series is STANDALONE: \* Sin and Ink by Naima Simone \* Passion and Ink by Naima Simone \* The Scandalous Diary of Lily Layton by Stacy Reid

**Do's and Don'ts Around the World** Random House

Provides a checklist of practices, attitudes, and actions with such designations as customary, frowned upon, forbidden, and criminal

**The Do's and Taboos of Hosting International Visitors** Springer Nature

Taboos are a burden on society. By protecting irrational views they hinder progress towards greater happiness.

**Do's and Taboos Around the World** Wiley

Develop your powers of public persuasion with the ultimate guide to great speeches and business presentations. Do you get tongue-tied at the mere thought of speaking in public? Would you rather swim with sharks or undergo a tax audit than face an audience? Well, you're not alone. According to the Book of Lists' list of humans' greatest fears, the fear of death is our fourth greatest fear, while fear of public speaking commands a solid first place. Now from Roger E. Axtell, one of America's most accomplished public speakers, here's a book guaranteed to turn even the most stage-shy mumbler into a great communicator. Geared primarily, but not exclusively, for business people, this amusing and informative guide can show you how to possess the powers of public persuasion you've always dreamed of having. Whether it's making a pitch to the board of directors, or prepping the sales force, stating your case to the town council, or being interviewed on live TV, Do's and Taboos of Public Speaking can help you to be an intelligent, articulate, confident, and likable presence in front of any audience you'll ever face. \* Surefire techniques for controlling fear, preparing for and organizing a business presentation or speech, using body language and humor, getting the most out of audio and audio/visual equipment, speaking in front of the camera, and much, much more \* Helpful hints from successful business speakers and such greats as Winston Churchill, Lee Iacocca, Red Barber, Roger Ailes, and Charles Osgood \* Special chapters on humor and roasts, speaking internationally, and even how to become a professional speaker

**Gestures** Palgrave Macmillan

Uses humour and real science to illuminate the gross, strange, morbid, and outright absurd realities of our bodies, our earth, and our universe.

**Do's And Taboos of Using English Around the World, Custom Edition** ABC-CLIO

A NEW YORK TIMES BESTSELLER From USA TODAY bestselling author Stephen Graham Jones comes a “masterpiece” (Locus Magazine) of a novel about revenge, cultural identity, and the cost of breaking from tradition. Labeled “one of 2020’s buzziest horror novels” (Entertainment Weekly), this is a remarkable horror story that “will give you nightmares—the good kind of course” (BuzzFeed). Seamlessly blending classic horror and a dramatic narrative with sharp social commentary, *The Only Good Indians* is “a masterpiece. Intimate, devastating, brutal, terrifying, warm, and heartbreaking in the best way” (Paul Tremblay, author of *A Head Full of Ghosts*). This novel follows four American Indian men after a disturbing event from their youth puts them in a desperate struggle for their lives. Tracked by an entity bent on revenge, these childhood friends are helpless as the culture and traditions they left behind catch up to them in violent, vengeful ways.

**Essential Do's and Taboos** John Wiley & Sons Incorporated

The ultimate guide to international behavior.now completely updated and expanded! Do's and Taboos Around the World 3rd Edition "Roger Axtell is an international Emily Post." --The New Yorker "Can help you make friends [and] avoid travel trouble." --BusinessWeek "Helpful.fun to read." --Steve Birnbaum The first two editions of Do's and Taboos Around the World helped thousands of high-powered executives and tourists avoid the missteps and misunderstandings that plague the world traveler. This updated and expanded Third Edition provides even more facts, tips,

and cautionary tales--gleaned from the experiences of more than five hundred international business travelers--as well as: \* Information on protocol, customs, and etiquette; hand gestures and body language; tipping; American jargon; and the international communications crisis \* Up-to-date advice on dealing with the monumental changes in Russia, Germany, Eastern Europe, the People's Republic of China, and other locales \* A new chapter on business gift-giving and gift-receiving customs, with country-by-country gift suggestions and precautions \* A special quick reference guide to customs and mores in 96 countries, including revisions and updates from foreign embassies and consulates

**Sexploision** Farrar, Straus and Giroux

Lists and illustrates gestures and explains their meanings in eighty-two countries around the world, along with information about rules of decorum and when to make eye contact and touch

**Do's and Taboos of International Trade** John Wiley & Sons

Provides anecdotes and advice for businessmen and women about the proper use of humor in international business

**Sin and Ink** Wiley

The New Yorker America hosts some 41 million international visitors who spend \$50 billion dollars each year while mixing trade and tourism. Do's and Taboos of Hosting International Visitors offers hosts an indispensable guide to everything from entertaining and business protocol to the role of interpreters and corporate gift giving. You'll find: \* List of tips by country on specific aspects of hosting and other valuable resources and references \* Guidance for doing business with special groups, such as the British and Japanese \* What foreign guests find peculiar about American dining, social drinking, and office protocol With the information in Do's and Taboos of Hosting International Visitors, you'll make your clients and colleagues visits more pleasant and avoid social mistakes that could ruin a deal. Instead, you'll gain a competitive edge by laying an important cornerstone of a good business relationship. "Knowing the appropriate protocol, customs, and etiquette when hosting business guests from overseas can often be more significant than the business discussion itself. This book provides all that and more." William A. Guenther, Manager, The Council House, Official Guest Facility of S.C. Johnson Wax Company

**Don't Sit on this Book** Harper Collins

"Roger Axtell is an internationalist Emily Post." --The New Yorker International business and leisure travel etiquette expert Roger Axtell's bestselling Do's and Taboos books have helped hundreds of thousands of business travelers and tourists avoid the missteps and misunderstandings the world traveler can encounter. In *Essential Do's and Taboos*, Axtell shares the wisdom he has compiled over a lifetime of international experience. Whether you need to know the best time of year to set up a business meeting in Germany or why the O.K. sign is not O.K. in Brazil, you'll find practical, fascinating, culture-savvy, up-to-date advice to help you steer clear of faux pas and face the world with confidence. *Essential Do's and Taboos* features: \* Information on customs, protocol, etiquette, hand gestures, and body language \* Fresh advice regarding Internet business and communication options \* Country-specific chapters on eleven popular locations--from old favorites like England, France, Japan, and Germany to hot tourist destinations and emerging economies like India, China, Russia, and Mexico \* Guidance on hosting international visitors \* Important tips on using English around the world \* Special do's and taboos for women traveling abroad

**This Is Your Mind on Plants** John Wiley & Sons Incorporated

The first book to bring together the many different everyday gestures that are used all over the world. Desmond Morris has travelled to over 60 countries while making field studies of human body language, and made notes of hand gestures and facial expressions. The result is a fascinating reference book of over 600 different gestures from Europe, the Middle East, North & South America and the Far East. The book is arranged alphabetically under the part of the body used with Meaning, Action, Background and Locality and each gesture is illustrated with a line drawing. The *World Guide to Gestures* complements Desmond Morris's bestsellers *Manwatching* and *Bodywatching*.

**Do's and Taboos Around the World for Women in Business** John Wiley & Sons Incorporated

In a frank, edgy and entertaining style that pulls no punches this book reveals the truth about modern biology and debunks the commonest myths surrounding some of the most controversial topics in science and health. It says what most scientists and politicians are afraid to say about what research can and, perhaps more importantly, cannot deliver on topics ranging from sexuality, race and genetic modification to stem cells, cloning, modern medicine, fertility treatment,

creationism and bioterrorism. Having worked at the heart of government science, at the most prestigious science publishing company in the world, and in one of the world's leading biology institutions the author has a unique view of the politics, culture and reach of science. He illustrates how we are facing dangerous times where political agendas and public misunderstanding are hobbling truly novel work and hence calls for wide reaching changes in science education, funding, publishing and promulgation.

**Say Anything to Anyone, Anywhere** John Wiley & Sons

The instant New York Times bestseller | A Washington Post Notable Book | One of NPR's Best Books of the Year "Expert storytelling . . . [Pollan] masterfully elevates a series of big questions about drugs, plants and humans that are likely to leave readers thinking in new ways." --New York Times Book Review From #1 New York Times bestselling author Michael Pollan, a radical challenge to how we think about drugs, and an exploration into the powerful human attraction to psychoactive plants—and the equally powerful taboos. Of all the things humans rely on plants for—sustenance, beauty, medicine, fragrance, flavor, fiber—surely the most curious is our use of them to change consciousness: to stimulate or calm, fiddle with or completely alter, the qualities of our mental experience. Take coffee and tea: People around the world rely on caffeine to sharpen their minds. But we do not usually think of caffeine as a drug, or our daily use as an addiction, because it is legal and socially acceptable. So, then, what is a “drug”? And why, for example, is making tea from the leaves of a tea plant acceptable, but making tea from a seed head of an opium poppy a federal crime? In *This Is Your Mind on Plants*, Michael Pollan dives deep into three plant drugs—opium, caffeine, and mescaline—and throws the fundamental strangeness, and arbitrariness, of our thinking about them into sharp relief. Exploring and participating in the cultures that have grown up around these drugs while consuming (or, in the case of caffeine, trying not to consume) them, Pollan reckons with the powerful human attraction to psychoactive plants. Why do we go to such great lengths to seek these shifts in consciousness, and then why do we fence that universal desire with laws and customs and fraught feelings? In this unique blend of history, science, and memoir, as well as participatory journalism, Pollan examines and experiences these plants from several very different angles and contexts, and shines a fresh light on a subject that is all too often treated reductively—as a drug, whether licit or illicit. But that is one of the least interesting things you can say about these plants, Pollan shows, for when we take them into our bodies and let them change our minds, we are engaging with nature in one of the most profound ways we can. Based in part on an essay published almost twenty-five years ago, this groundbreaking and singular consideration of psychoactive plants, and our attraction to them through time, holds up a mirror to our fundamental human needs and aspirations, the operations of our minds, and our entanglement with the natural world.

**Sex and Religion** Wiley

Sex and religion are inevitably and intricately linked. There are few realms of human experience other than sex in which religion has greater reach and influence. The role of religion, of any faith, to prohibit, regulate, condemn, and reward, is unavoidably prominent in questions of sex—namely with whom, when, how, and why. In *Sex and Religion*, Dag Øistein Endsjø examines the myriad and complex religious attitudes towards sex in cultures throughout the world. Endsjø reflects on some of the most significantly problematic areas in the relationship between sex and religion—from sex before or outside of marriage to homosexuality. Through many examples from world religions, he outlines what people mean by sex in a religious context, with whom it's permissible to have sex, how sex can be a directly religious experience, and what consequences there are for deviance, for both the individual and society. As Endsjø explains, while Buddhist monks call attention to gay sex as a holy mystery, the Christian church questions a homosexual's place in the church. Some religions may believe that promiscuity leads to hurricanes and nuclear war, and in others God condemns interracial marriage. *Sex and Religion* reveals there is nothing natural or self-evident about the ways in which various religions prescribe or proscribe and bless or condemn different types of sexuality. Whether sex becomes sacred or abhorrent depends entirely on how a religion defines it. *Sex and Religion* is a fascinating investigation of mores, meanings, rituals, and rules in many faiths around the globe, and will be of interest to anyone curious about the intersection of these fundamental aspects of human history and experience.

**Do's and Taboos of Humor Around the World** Reaktion Books

A revelatory primer on what it means to be human, from "the perfect guide for a course correction in life" (Deepak Chopra)—and a mind-opening manual of initiation into the central mystery of existence. At the root of human conflict is our fundamental misunderstanding of who we are. The

illusion that we are isolated beings, unconnected to the rest of the universe, has led us to view the “outside” world with hostility, and has fueled our misuse of technology and our violent and hostile

subjugation of the natural world. To help us understand that the self is in fact the root and ground of the universe, Watts has crafted a revelatory primer on what it means to be human—and a mind-opening manual of initiation into the central mystery of existence. In *The Book*, Alan Watts

provides us with a much-needed answer to the problem of personal identity, distilling and adapting the Hindu philosophy of Vedanta.
