Worlds of Amano Dark Horse Comics

Two legendary photographers meditate on death, memory and ritual The latest collaboration between these two seminal photographers, *Leben und Tod* is the culmination of their joint exhibition at artspace AM, Tokyo, in 2019. This intensely personal project concentrates on Juergen Teller's (born 1964) series *Leben und Tod* (Life and Death), which reflects upon the death of his uncle and stepfather Artur, juxtaposing photographs of his mother and homeland in Bubenreuth, Bavaria, with symbolic images of fertility and life on holiday in Bhutan with his partner Dovile Drizyte. Inspired by this series, Nobuyoshi Araki (born 1940) asked to photograph Teller's "childhood memory objects," items of particular emotional significance to him and his parents. Teller eagerly collected such personal gems, among them toys, a porcelain figurine and bridges made in the family's violin workshop; the resulting images by Araki are haunting yet playful, creating an intriguing narrative alongside the original story.

Vampire Hunter D Vol. 2 Dark Horse Comics

A new omnibus collecting the first three volumes of the *Vampire Hunter D* horror novel series! It is 12,090 A.D., thousands of years since the human race nearly destroyed itself in a nuclear war--a folly foreseen by those who waited to emerge out of the underground...not from shelters, but from crypts! The aristocratic vampire lords known as the Nobles inherited our world, and with dark science and immortal patience made real the things that

mortals had merely dreamed, whether voyaging to the distant stars, or conjuring monsters to roam the Earth. Yet the grand civilization of the Nobles has grown decadent, and as the terrorized remnants of humanity at last found the strength to rebel, their undying lords have been pushed back to the Frontier--the violent borderlands where humans still remain the prey of vampires, who for all their knowledge and power have never lost their obsession with our living flesh, blood...and souls! In this bizarre and deadly far future the most dangerous thing of all is not a vampire, but the one who hunts them--the one who is half them--a dhampir, the unearthly beautiful wanderer known as D. The *Vampire Hunter D Omnibus* collects the first three novels in author Hideyuki Kikuchi's adventure horror series: *Vampire Hunter D*, *Raiser of Gales*, and *Demon Deathchase*. Illustrated by Final Fantasy artist Yoshitaka Amano, this book is only the beginning of a legend!
