 This volume provides an up-to-date and comprehensive coverage of second language learning. The

focus throughout the book is primarily on language learning, but each chapter also discusses the implications for teaching and assessment, thus informing both understanding and practice. The book contains nine sections, which aim to organise and reflect different dimensions of the diverse and complex scope of learning English as a second or additional language. Four themes which permeate the chapters are: learning and learners; learning and language; learning and language development; learning and learning context. The 36 chapters are up-to-date and authoritative, written by experts in the field. The content is accessibly written, with questions for discussion and follow-up reading suggestions provided.

Authentic Examination Papers from Cambridge English Language Assessment Cambridge English

A comprehensive and extensively researched overview of key issues in language teaching today. This essential text for English language teachers surveys a broad range of core topics that are important in understanding contemporary approaches to teaching English as a second or international language, and which form the content of many professional development courses for language teachers. A wide range of issues is examined, including a consideration of the nature of English in the world, the way the English teaching profession works, the development of teaching methods, the nature of classroom teaching, teaching the four skills, teaching the language system, and elements of a language program.
