DELACRUZ ELLISON

The Adventures of a
Wall Street Legend
Eisenbrauns
Conventional medical
narratives often fail to
capture the incoherent,
surreal and logic-
twisting reality of the
contemporary
healthcare experience.
In this collection of

stories, characters
struggle in their quest
for meaning and a
more hopeful
tomorrow, in a strange
landscape where
motivations are
complex and
convoluted and what is
considered good and
just operates as a
perpetually shifting
proposition.
Sister Mary Baruch

Holt, Rinehart and Winston. [1] My own story.--[2] The public years.

אי ברוך הוא Beard Books

About 375 million people are infected with the hepatitis B virus. It has killed more people than AIDS and also causes millions of cases of liver cancer. The discovery of this deadly virus and the vaccine against it--a vaccine that is sharply decreasing the infection rate worldwide and is probably the first effective cancer vaccine--was one of the great triumphs of twentieth-century medicine. And it almost didn't happen. With wit and insight, this scientific memoir and story of discovery describes how Baruch Blumberg and a team

of researchers found a virus they were not looking for and created a vaccine for a disease they previously knew little about--work that took the author around the world and won him the Nobel Prize.

Blumberg and his collaborators were investigating relationships between gene distribution and disease susceptibility, research that was yielding interesting data but no real breakthroughs. Many viewed their work as more field trip than science. But, through decades of hard work and investigative twists and turns, their pursuit led to the hepatitis B antigen, the elusive virus itself, and, ultimately, the vaccine. As he takes the reader through the detective work that culminated

in his incredible discovery, the author recounts with immediacy exciting moments in the lab and in the field--from a hair-raising flight to Africa to an unpleasant encounter with Alaskan sled dogs. The hepatitis B story is more than a fascinating chronicle of a major discovery. What Blumberg followed to the virus was a trail of remarkable "accidents" that happen when scientists seek answers to interesting questions. Those events, combined with the investigator's determined persistence, resulted in studies that generated a pharmaceutical industry, have far-flung public-health applications, and saved millions of lives.

[1] My own story.--[2] The public

years.Baruch My Own Story

This biography of Bernard Baruch considered to be renowned as the definitive story about the notorious financial wizard and presidential advisor. Baruch's political policies are discussed briefly, and James Grant includes a detailed account of Baruch's trading and investment gains and losses.

Stories from a South African Childhood MIT Press

Winner of the National Jewish Book Award A Wall Street Journal Best Book of 2014 A New Yorker Favorite Book of

2014 New York Times Book Review Editor's Choice These incandescent pages give us one fraught, momentous day in the life of Baruch Kotler, a Soviet Jewish dissident who now finds himself a disgraced Israeli politician. When he refuses to back down from a contrary but principled stand regarding the settlements in the West Bank, his political opponents expose his affair with a mistress decades his junior, and the besieged couple escapes to Yalta, the faded Crimean resort of Kotler's youth. There, shockingly, Kotler encounters the former friend whose denunciation sent him to the Gulag almost forty years earlier. In a whirling twenty-four hours, Kotler must face

the ultimate reckoning, both with those who have betrayed him and with those whom he has betrayed, including a teenage daughter, a son facing his own moral dilemma in the Israeli army, and the wife who once campaigned to secure his freedom and stood by him through so much. Stubborn, wry, and self-knowing, Baruch Kotler is one of the great creations of contemporary fiction. An aging man grasping at a final passion, he is drawn inexorably into a crucible that is both personal and biblical in scope. In prose that is elegant, sly, precise, and devastating in its awareness of the human heart, David Bezmozgis has rendered a story for the ages, an inquest into the nature of fate

and consequence, love and forgiveness. The *Betrayers* is a high-wire act, a powerful tale of morality and sacrifice that will haunt readers long after they turn the final page.

BARUCH, MY OWN STORY DT. Courier

Corporation

Part of the Jewish

Encounter series In

1656, Amsterdam's

Jewish community

excommunicated

Baruch Spinoza, and,

at the age of

twenty-three, he

became the most

famous heretic in

Judaism. He was

already germinating a

secularist challenge to

religion that would be

as radical as it was

original. He went on to

produce one of the

most ambitious

systems in the history

of Western philosophy,

so ahead of its time

that scientists today, from string theorists to neurobiologists, count themselves among Spinoza's progeny. In *Betraying Spinoza*, Rebecca Goldstein sets out to rediscover the flesh-and-blood man often hidden beneath the veneer of rigorous rationality, and to crack the mystery of the breach between the philosopher and his Jewish past. Goldstein argues that the trauma of the Inquisition's persecution of its forced Jewish converts plays itself out in Spinoza's philosophy. The excommunicated Spinoza, no less than his excommunicators, was responding to Europe's first experiment with racial anti-Semitism. Here is a Spinoza both hauntingly emblematic and deeply human,

both heretic and hero—a surprisingly contemporary figure ripe for our own uncertain age. From the Hardcover edition. Extraordinary Popular Delusions Shepherd Press

A “stunning” portrait of life and love inside an insular Jewish community that “reads like an Orthodox *Pride and Prejudice* . . . Rewardingly delightful” (Bust). London, 2008. Nineteen-year-old Chani Kaufman is betrothed to Baruch Levy, a young man she’s seen only four times before their wedding day. All the cups of cold coffee and small talk with suitors have led up to this moment. But the happiness Chani and Baruch feel is outweighed by their anxiety about the

realities of married life; about whether they will be able to have fewer children than Chani’s mother, who has eight daughters; and about the frightening, unspeakable secrets of the wedding night. Through the story of Chani and Baruch’s unusual courtship, we meet a very different couple: Rabbi Chaim Zilberman and his wife, Rebbetzin Rivka Zilberman. As Chani and Baruch prepare to share a lifetime, Chaim and Rivka struggle to keep their marriage alive—and all four, together with the rest of the community, face difficult decisions about the place of faith and family in the contemporary world. Longlisted for the Man Booker Prize and selected as an Amazon Best Book of the

Month, *The Marrying of Chani Kaufman* is a “deeply melodic and exciting” story that “will resonate with readers from all backgrounds” and “linger after the last page” (*Publishers Weekly*).

Fourteen Stories

Alfred A. Knopf Books for Young Readers
2007 Book of the Year
Honorable Mention,
Short Stories, Foreword Magazine
"Plunging into one of Jay Baruch's stories is like finding yourself in a busy Emergency Room at two in the morning-- here you will meet characters whose lives are urgent and not always what they seem on the surface. Like his characters, Baruch's writing is vibrant and intense, and his vision is prismatic. He speaks in many voices, among

them doctor, patient, family member, medical student, and even ER janitor, and so examines the world of health and illness from many points of view. I appreciate the way Baruch acknowledges the complexity of life, and then dissects it for us into so many planes of action and consequence." --
Cortney Davis, author of *The Heart's Truth: Essays on the Art of Nursing* (Kent State University Press, 2009)
An emergency physician and faculty member at Brown Medical School, Jay Baruch has long been fascinated by how illness can make people strangers to their own bodies, how we all struggle to maintain control as the body decays and life slowly becomes

unrecognizable, and how health professionals discover and struggle with the limits of their own competence and compassion. In *Fourteen Stories*, Baruch doesn't present a series of clinically based essays but a rich collection of short fiction that gives voice to a variety of people who, faced with difficult moral choices, find themselves making disturbing self-discoveries. Baruch's unique voice is a welcome addition to the genre of medical narratives--fiction and non-fiction alike--that is becoming increasingly important to medical and nursing schools' and university curricula.

Flying Home Literature and Medicine
Since Israel's 1967

war, more than 60,000 Jewish-Americans have settled in the occupied territories, transforming politics and sometimes committing shocking acts of terrorism. Yet little is known about why they chose to live at the center of the Israeli-Palestinian conflict. Sara Yael Hirschhorn unsettles stereotypes about these liberal idealists.

The Early Years
Cambridge University Press

Volume 1: My Own Story. Bernard M. Baruch -- one of the most remarkable men of our time -- was an office boy at nineteen, a Wall Street partner at twenty-five, and a millionaire before he was thirty-five. For some men this success would mark the climax of a career; for Baruch it was only the beginning of a still greater one. In the fifty years since he made his first fortune, Bernard Baruch has been a trusted counselor of Presidents, an adviser on social and economic reforms, a statesman who has worked with two political parties and won the respect of both. In this, the first volume of his memoirs, Mr. Baruch analyzes his personal philosophy and shows how it

helped him solve the many problems that confronted him in his public life as chairman of the War Industries Board during World War I and as United States representative on the United Nations Atomic Energy Commission. Informal yet penetrating, intimate yet never losing sight of major events and issues, *Baruch: My Own Story* is infused with the remarkable personality of a truly distinguished American. - BN Publishing. Penguin

"A new and authentic voice of the urban Latino experience." -- Esmeralda Santiago, author of *When I Was Puerto Rican* In a stunning narrative combining the gritty rhythms of Junot Diaz with the noir genius of

Walter Mosley, *Bodega Dreams* announces the arrival of a writer who "The Village Voice has already hailed as "a Writer on the Verge." The word is out in Spanish Harlem: Willy Bodega is king. Need college tuition for your daughter? Start-up funds for your fruit stand? Bodega can help. He gives everyone a leg up, in exchange only for loyalty--and a steady income from the drugs he pushes. Lyric, inspired, and darkly funny, this powerful debut novel brilliantly evokes the trial of Chino, a smart, promising young man to whom Bodega turns for a favor. Chino is drawn to Bodega's street-smart idealism, but soon finds himself over his head, navigating an

underworld of switchblade tempers, turncoat morality, and murder. [The Life of Belle W. Baruch](#) Simon and Schuster Belle W. Baruch (1899–1964) could outride, outshoot, outhunt, and outsail most of the young men of her elite social circle—abilities that distanced her from other debutantes of 1917. Unapologetic for her athleticism and interests in traditionally masculine pursuits, Baruch towered above male and female counterparts in height and daring. While she is known today for the wildlife conservation and biological research center on the South Carolina coast that bears her family name, Belle's story is a rich

narrative about one nonconformist's ties to the land. In *Baroness of Hobcaw*, Mary E. Miller provides a provocative portrait of this unorthodox woman who gave a gift of monumental importance to the scientific community. Belle's father, Bernard M. Baruch, the so-called Wolf of Wall Street, held sway over the financial and diplomatic world of the early twentieth century and served as an adviser to seven U.S. presidents. In 1905 he bought Hobcaw Barony, a sprawling seaside retreat where he entertained the likes of Churchill and FDR. Belle's daily life at Hobcaw reflects the world of wealthy northerners, including the Vanderbilts and Luces, who bought

tracts of southern acreage. Miller details Belle's exploits—fox hunting at Hobcaw, show jumping at Deauville, flying her own plane, traveling with Edith Bolling Wilson, and patrolling the South Carolina beach for spies during World War II. Belle's story also reveals her efforts to win her mother's approval and her father's attention, as well as her unraveling relationships with friends, family, employees, and lovers—both male and female. Miller describes Belle's final success in saving Hobcaw from development as the overarching triumph of a tempestuous life.

The Betrayers
Princeton University Press

Stories from the ER: a doctor shows how empathy, creativity, and imagination are the cornerstones of clinical care. To be an emergency room doctor is to be a professional listener to stories. Each patient presents a story; finding the heart of that story is the doctor's most critical task. More technology, more tests, and more data won't work if doctors get the story wrong. Empathy, creativity, and imagination are the cornerstones of clinical care. In *Tornado of Life*, ER physician Jay Baruch offers a series of short, powerful, and affecting essays that capture the stories of ER patients in all their complexity and messiness. Patients come to the ER with

lives troubled by scales of misfortune that have little to do with disease or injury. ER doctors must be problem-finders before they are problem-solvers. Cheryl, for example, whose story is a chaos narrative of "and this happened, and then that happened, and then, and then and then and then," tells Baruch she is "stuck in a tornado of life." What will help her, and and what will help Mr. K., who seems like a textbook case of post-combat PTSD but turns out not to be? Baruch describes, among other things, the emergency of loneliness (invoking Chekhov, another doctor-writer); his own (frightening) experience as a patient; the patient who demanded a hug; and emergency

medicine during COVID-19. These stories often end without closure or solutions. The patients are discharged into the world. But if they're lucky, the doctor has listened to their stories as well as treated them.

What's Left Out Open Road + Grove/Atlantic
 THE #1 NEW YORK TIMES BESTSELLER IS NOW A MAJOR-MOTION PICTURE DIRECTED BY RON HOWARD AND STARRING AMY ADAMS, GLENN CLOSE, AND GABRIEL BASSO "You will not read a more important book about America this year."—The Economist "A riveting book."—The Wall Street Journal "Essential reading."—David Brooks, New York Times *Hillbilly Elegy* is a passionate and

personal analysis of a culture in crisis—that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They

raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of *Hillbilly Elegy* plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with

its share of humor and vividly colorful figures, *Hillbilly Elegy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

Ancient Near Eastern, Biblical, and Judaic Studies in Honor of Baruch A. Levine John Wiley & Sons

These 13 stories by the author of *The Invisible Man* "approach the elegance of Chekhov" (Washington Post) and provide "early explorations of (Ellison's) lifelong fascination with the 'complex fate' and 'beautiful absurdity' of American identity" (John Callahan). of the year by The New

York Time, USA Today,

San Francisco

Chronicle, NPR,

Esquire, Newsday, and

Booklist Trevor Noah’s

unlikely path from

apartheid South Africa

to the desk of The

Daily Show began with

a criminal act: his

birth. Trevor was born

to a white Swiss father

and a black Xhosa

mother at a time when

such a union was

punishable by five

years in prison. Living

proof of his parents’

indiscretion, Trevor

was kept mostly

indoors for the earliest

years of his life, bound

by the extreme and

often absurd measures

his mother took to hide

him from a

government that could,

at any moment, steal

him away. Finally

liberated by the end of

South Africa’s

tyrannical white rule,

Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply

affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love. *My Own Story* Oxford University Press, USA

Bernard M. Baruch

Vintage

This warmhearted devotional commentary originated as a sermon series and is meant for every Christian who wants to apply the lessons of Jonah in a practical way. Like us, Jonah often lived inconsistently. He knew that God cannot be escaped—yet he tried to escape. He knew that God is

merciful—yet he tried to limit His mercy. The Lord took hold of Jonah and forced him to come to Him. What we think about God determines how we live; like Jonah, we must learn God’s mercy.

Born a Crime Little, Brown

A NEW YORK TIMES EDITORS’ CHOICE NAMED A BEST BOOK OF THE YEAR BY TIME , NPR, INSTYLE, AND GOOD HOUSEKEEPING “A sensational new book [that] tries to figure out whether it’s possible to live an ethical life in a capitalist society. . . . The results are enthralling.”

—Associated Press A timely and arresting new look at affluence by the New York Times bestselling author, “one of the leading

lights of the modern American essay.”

—Financial Times “My adult life can be divided into two distinct parts,” Eula Biss writes, “the time before I owned a washing machine and the time after.” Having just purchased her first home, the poet and essayist now embarks on a provocative exploration of the value system she has bought into. Through a series of engaging exchanges—in libraries and laundromats, over barstools and backyard fences—she examines our assumptions about class and property and the ways we internalize the demands of capitalism. Described by the New York Times as a writer who “advances from all sides, like a chess player,” Biss offers an

uncommonly
immersive and deeply
revealing new portrait
of work and luxury, of
accumulation and
consumption, of the
value of time and how

we spend it. Ranging
from IKEA to Beyoncé
to Pokemon, Biss asks,
of both herself and her
class, “In what have we
invested?”
