Liberalism Triumphant, 1789–1914, Berkeley, CA: University of California Press. Political Economy | SpringerLink This chapter purports to offer a conceptual framework for the study of the political economy of policy-making mainly in Japan and other developing countries. Its main concern is not any particular policy itself but the political and economic factors that affect the decision-making and implementation of fiscal and other governmental policies. The Political Economy of Policy-Making | SpringerLink EAEPE's new international journal The Review of Evolutionary Political Economy (REPE) advances academic excellence in evolutionary political economy. We invite high-quality conceptual and review articles and cutting-edge methodological and empirical studies from evolutionary and international political economy, and heterodox, computational and complexity economics. Review of Evolutionary Political Economy | Home - Springer Using a political economy perspective, this chapter examines corruption as a social problem in postcolonial Africa. It begins by examining the conceptual debates about what corruption is, and whether it takes place only within the state or also within private corporations. The Political Economy of Corruption | SpringerLink Why did enduring traditions of economic and political liberty arise in Western Europe? An answer to this question must be sought at the constitutional level. Within the medieval constitutional order, traditions of representative and limited government developed through patterns of constitutional bargaining. The politically fragmented landscape that emerged following the decline of the Western ... The political economy of feudalism in ... - link.springer.com This

collection of essays from a range of international contributors analyzes all aspects of the political economy of this industry, including media sports production, urban growth politics and capital accumulation and the economic effects of Olympism. [The Political Economy of Sport | SpringerLink](#) Professor Susanne Soederberg, Queen's University, Canada. This all-new fourth edition of *The Political Economy of Southeast Asia* constitutes a state-of-the-art, comprehensive analysis of the political, economic, social and ecological development of one of the world's most dynamic regions. With contributions from world-leading experts, the volume is unified by a single theoretical approach: the Murdoch School of political economy, which foregrounds struggles over power and resources and ...
