South African artist Irma Stern (1894–1966) is one of the nation's most enigmatic modern figures. Stern held conservative political positions on race even as her subjects openly challenged racism and later the apartheid regime. Using paintings, archival research, and new interviews, this book explores how Stern became South Africa's most prolific painter of Black, Jewish, and Colored (mixed-race) life while maintaining controversial positions on race. Through her art, Stern played a crucial role in both the development of modernism in South Africa and in defining modernism as a global movement. Spanning the Boer War to Nazi Germany to apartheid South Africa and into the

contemporary #RhodesMustFall movement, Irma Stern's work documents important twentieth-century cultural and political moments. More than fifty years after her death, Stern's legacy challenges assumptions about race, gender roles, and religious identity and how they are represented in art history.

New York Times Bestseller Based on a concept by Wimpy Kid author Jeff Kinney comes Poptropica, a brand-new graphic novel adventure series by Jack Chabert and Kory Merritt. In *Mystery of the Map*, Oliver, Mya, and Jorge take a ride in a hot-air balloon, only to crash-land on an unknown island filled with extinct animals and a horde of angry Vikings. Welcome to Poptropica, an uncharted group of islands whose existence is hidden from the rest of the world. As the three friends embark on a perilous search for a way home, they quickly discover the shocking reason

they were brought there—something that threatens the very existence of Poptropica and their ability to ever make it off the island!

A Novel Houghton Mifflin Harcourt

“A funny, savage appraisal of a totally automated American society of the future.”—San Francisco Chronicle Kurt Vonnegut’s first novel spins the chilling tale of engineer Paul Proteus, who must find a way to live in a world dominated by a supercomputer and run completely by machines. Paul’s rebellion is vintage Vonnegut—wildly funny, deadly serious, and terrifyingly close to reality. Praise for *Player Piano* “An exuberant, crackling style . . .

Vonnegut is a black humorist, fantasist and satirist, a man disposed to deep and comic reflection on the human dilemma.”—Life “His black logic . . . gives us something to laugh about and much to fear.”—The New York Times Book Review

Exploring the broad spectrum of the forensic sciences practiced both inside and outside of a crime lab, this text investigates forensic sciences that are used both in criminal and civil contexts,

along with non-traditional and new applications such as occupational fraud, wildlife protection, and homeland security. The approach is unifying in that it seeks to explain the underlying theoretical and practical concepts that unite all forensic science as well as the individual challenges of each of the forensic sciences. The scientific concepts that underly the forensic sciences are explained in a manner that is understandable by readers without a science background.

* Newbery Honor Book * #1 New York Times Bestseller * Winner of the Schneider Family Book Award * Wall Street Journal Best Children's Books of the Year * New York Public Library's 100 Books for Reading and Sharing An exceptionally moving story of triumph against all odds set during World War II, from the acclaimed author of *Fighting Words*, and for fans of *Fish in a Tree* and *Number the Stars*. Ten-year-old Ada has never left her one-room apartment. Her mother is too humiliated by Ada's twisted foot to let her outside. So when her little brother Jamie is shipped out of London to escape the war, Ada doesn't waste a minute—she sneaks out to join him. So begins a new adventure for Ada, and for Susan Smith, the woman who is forced to take the two kids in. As Ada teaches herself to ride a pony, learns to read, and watches for German spies, she begins to trust Susan—and Susan begins to love Ada and Jamie. But in the end, will their bond be enough to hold them together through wartime? Or will Ada and her brother fall back into the cruel hands of their mother? This masterful work of historical fiction is equal parts adventure and a moving tale of family and identity—a classic in the making. "Achingly lovely...Nuanced and emotionally
