TheStreet.com Ratings Guide to Health Insurers is the first and only source to cover the financial stability of the nation's health care system, rating the financial safety of more than 6,000 health insurance providers, health maintenance organizations (HMOs) and all of the Blue Cross Blue Shield plans - updated quarterly to ensure the most accurate information. The Guide also provides a complete listing of all the major health insurers, including all Long-Term Care and Medigap insurers. Our Guide to Health Insurers includes comprehensive, timely coverage on the financial stability of HMOs and health insurers; the most accurate insurance company ratings available-the same quality ratings heralded by the U.S.

General Accounting Office; separate listings for those companies offering Medigap and long-term care policies; the number of serious consumer complaints filed against most HMOs so you can see who is actually providing the best (or worst) service and more. The easy-to-use layout gives you a one-line summary analysis for each company that we track, followed by an in-depth, detailed analysis of all HMOs and the largest health insurers. The guide also includes a list of TheStreet.com Ratings Recommended Companies with information on how to contact them, and the reasoning behind any rating upgrades or downgrades.
