#4 Fall of the Beasts Penguin

The sun is shining in the Hundred Isles and yet the path forward seems crowded with shadows. Conor, Abeke, Meilin and Rollan have traveled across the world, seeking a set of powerful talismans in order to keep them from enemy hands. Throughout their journey, the young heroes have been hounded by pursuers who always seem to know just where to find them. Now they know why. One of them is a traitor. As they navigate the crystal waters of this tropical paradise, the team can't help but suspect

each other. There's a spy in their midst, and before this mission is over, a deadly trap will close around them.

Orphaned (Ape Quartet #4) Scholastic Inc.

A new threat faces the world of Erdas in this continuation of the New York Times bestselling series. Something ancient and evil has awoken from beneath the world of Erdas. Shrouded in shadow and older than memory, just a sliver of its power can destroy with a touch. Even the spirit animal bond, the sacred link between humans and animals that keeps Erdas in balance, is under threat. Four young heroes, Conor, Abeke, Meilin, and Rollan, are determined to stop it. Together with their spirit animals, they embark on a desperate journey that takes them deep underground and to the far corners of the world. As friends and allies fall around them, the four have no choice but to push forward and confront this darkness. If they stop to look back, they'll see the truth: Evil already has them surrounded.

Unemployment in Capitalist, Communist, and Post-communist Economies BRILL

In this book Dr Porket argues that no modern economy can escape open unemployment as long as free labour and a free labour market exist. He argues, too, that in any modern economy there exists a tension between economic individualism and economic collectivism, but that market forces cannot forever be denied. While Part I examines open and hidden unemployment in capitalist market economies and socialist command economies prior to 1989, Part II concentrates on the issue of unemployment in post-communist economies between 1989 and the end of 1993. Finally, Part III summarizes, re-examines and expands on those selected dimensions of the issue of unemployment that are deemed currently to be relevant to both Western and post-communist economies. Although the book is primarily about unemployment, open as well as hidden, it is also concerned with economic systems and their transformation and, hence, about the role of the visible hand (the state) in the economy.

A dark threat faces the world of Erdas in this riveting new saga from the New York Times bestselling series. A heart-pounding new adventure from the New York Times bestselling series. In the world of Erdas, every child must discover if they will summon a spirit animal, a rare and incredible gift. Conor, Abeke, Meilin, and Rollan were rare even among those few. They summoned legendary animals--brave guardians who were reborn to protect their world. Now more of these legends are appearing across Erdas, bonded to special children. But a dark force has emerged.

Older than memory, it has slept for centuries beneath the surface of the world. With the power to tear away spirit animals, it begins a rampage that will be felt in every corner of Erdas. If the young heroes can't stop it, the darkness will first consume the spirit animals . . . and then the world.

From NYT bestselling author Jennifer A. Nielsen comes a stunning thriller about a girl who must escape to freedom after the Berlin Wall divides her family between east and west. *A Night Divided* joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! With the rise of the Berlin Wall, Gerta finds her family suddenly divided. She, her mother, and her brother Fritz live on the eastern side, controlled by the Soviets. Her father and middle brother, who had gone west in search of work, cannot return home. Gerta knows it is

dangerous to watch the wall, yet she can't help herself. She sees the East German soldiers with their guns trained on their own citizens; she, her family, her neighbors and friends are prisoners in their own city. But one day on her way to school, Gerta spots her father on a viewing platform on the western side, pantomiming a peculiar dance. Gerta concludes that her father wants her and Fritz to tunnel beneath the wall, out of East Berlin. However, if they are caught, the consequences will be deadly. No one can be trusted. Will Gerta and her family find their way to freedom?

Deep in the desert there sits a beautiful oasis, ruled by a monarch unlike any other in Erdas. His name is Cabaro, the Great Lion, and he reigns over a kingdom of animals, jealously guarding his golden talisman. No human has ever set foot in the Great Beast's territory. The journey to his oasis is impossible. As a team, Conor, Abeke, Meilin, and Rollan have achieved the impossible before. But now that team is broken—the friends scattered by a devastating betrayal. The young heroes and their spirit animals have already sacrificed much in their quest for the talismans. But with the world crumbling all around them—and a ruthless enemy opposing their every move—their greatest sacrifices are yet to come.

From two-time National Book Award finalist Eliot Schrefer comes an unbelievable story of survival. Raja has been raised in captivity. Not behind the bars of a zoo, but within the confines of an American home. He was stolen when he was young to be someone's pet. Now he's grown up . . . and is about to be sent away again, to a place from which there will be no return. John grew up with Raja. The orangutan was his friend, his brother -- never his pet. But when John's parents split up and he moved across the country, he left Raja behind. Now Raja is suffering. There's one last chance to save Raja -- a chance that will force John to confront his fractured family and the captivity he's imposed on himself all of these years. Eliot Schrefer's last two novels, *Endangered* and *Threatened*, were both finalists for the National Book Award. With *Rescued*, he brings his remarkable storytelling to the American landscape, giving us a boy who must redefine his own humanity and an orangutan who will need his help in order to return home.

A 2014 NATIONAL BOOK AWARD FINALIST When he was a boy, Luc's mother would warn him about the "mock men" living in the trees by their home -- chimpanzees whose cries would fill the night. Luc is older now, his mother gone. He lives in a house of mistreated orphans, barely getting by. Then a man calling himself Prof comes to town with a mysterious mission. When Luc tries to rob him, the man isn't mad. Instead, he offers Luc a job.

Together, Luc and Prof head into the rough, dangerous jungle in order to study the elusive chimpanzees. There, Luc finally finds a

new family -- and must act when that family comes under attack. As he did in his acclaimed novel *ENDANGERED*, a finalist for the National Book Award, Eliot Schrefer takes us somewhere fiction rarely goes, introducing us to characters we rarely get to meet. The unforgettable result is the story of a boy fleeing his present,

a man fleeing his past, and a trio of chimpanzees who are struggling not to flee at all.
