*Man Down, SEALs Of Shadow Force: Spy Division, Book 3 (SEALs of Shadow Force Romantic Suspense Series)* Beach Path Publishing, LLC.

When the wrong Santa comes down your chimney... All Justice "Grey" Greystone wants for the holidays is a juicy rib eye dinner with his girlfriend Sydney Banfield. Well, that, and the 12 Days—or nights, in this case—of Christmas Syd has promised him. When his Justice Team partners, Mitch Monroe and

Caroline Foster, discover a Santa sneaking around behind the restaurant, Grey and Mitch uncover a theft ring that's leaving kids without toys and families without a reason to celebrate. But taking down the Santas could put Grey in hot water...especially if it ruins Christmas at Sydney's shelter for battered women and children. Can Grey pull off the ultimate sting operation and save Christmas for Sydney and the shelter's residents? Or will giving the bad guys a dose of holiday justice leave him with nothing but coal in his stocking?

**\*\*Babies! Christmas! Romance!** Don't miss the 8th story in the SCVC Taskforce Romantic Suspense series, featuring Cooper and Celina and their new baby girl!! Cooper Harris is determined to get his fiancée, Celina Davenport, to say "I do" before the New Year. While she's focused on creating a magical Christmas for their seven-month-old daughter, Via, all Cooper is asking from Santa is to finally be able to call Celina his wife. Celina wants nothing more than to become Mrs. Cooper Harris, except ties to her past keep her from making the leap. Hoping to lift her Christmas spirits, with the rest of the SCVC Taskforce lending a hand, she convinces Cooper to play Santa at a holiday fundraiser for the Aslan Children's Hospital. The party

takes a deadly turn when a cartel leader wanted by the US government crashes the guest list with his terminally ill daughter, taking everyone hostage. With the lives of so many on the line - including his own family - Cooper will have to pull a Christmas miracle from Santa's toy sack to help the sick girl, while bringing an end to her father's reign of terror. One-click now for this holiday treat!

Publishing, Inc

This set includes Stealing Justice, Cheating Justice, and Exposing Justice.

Stealing Justice: Justice "Grey"

Greystone was fired from the FBI for insubordination. Now the FBI wants him to use his renegade skills to take down a

serial killer who's above the law. To trap the Lion, Grey will need to send the perfect woman undercover. Sydney Banfield runs a women's shelter and bends the law daily to help victims of abuse escape their painful lives. Three of the women she's recruited for government jobs have become victims of the Lion. If Syd has her way, the vicious killer will never touch another woman again. Grey and Sydney set a trap—with Sydney as the sexy bait—but the Lion adds a complex twist to his homicidal agenda. With Sydney's life on the line, Grey must race against the clock to catch a killer who's as unstoppable as he is evil. Cheating Justice: While investigating a government cover-up, former FBI agent Mitch Monroe is framed for murder. A wanted man, Mitch has no

choice but to stay off the grid, and he needs Special Agent Caroline Foster—the FBI's top sniper and a woman who wants nothing to do with him—to clear his name. After sharing a single night of simmering passion with Mitch a year ago, Caroline hasn't been able to get him out of her head. Or her heart. He's already jeopardized her job once...helping him now could end her career. But a friend has been murdered, and no matter how Caroline feels about Mitch, he's not the killer. She needs answers, and she needs Mitch Monroe out of her life once and for all. On the run and with no one to turn to, Mitch and Caroline can't fight the reigniting passion between them. She'll lose her career if she proves Mitch is innocent...he'll lose his life if she

doesn't. Exposing Justice: Fans of the Justice Team Series will love this action-packed third installment! As a Public Information officer for the US Supreme Court, idealist Hope Denby knows how to spin a story. A journalist at heart, she loves being in the middle of a juicy scoop and has her sights set on future Press Secretary for the White House. When the Supreme Court Chief Justice is accidentally killed in a road rage accident, and a high-profile conspiracy blogger claims it was premeditated murder, Hope has to shut down the paranoid blogger—which should be a slam dunk until she discovers he's not as crazy as she thought and she has more in common with the secretive, hard-hitting investigator than she'd like to admit. Cyber resistance against

government corruption isn't just a theory for Brice Brennan on his blog, The First Amendment Patriot. As a former ATF agent who blew the whistle on his superiors, he's no stranger to government cover-ups and scandals. An anonymous tip on the Chief Justice's death sends him searching for answers. What he finds is a sexy, young idealist about to blow his private, behind-the-scenes world to pieces. Brice and Hope couldn't be more opposite, but exposing justice makes them partners—and puts them on the track of a ruthless killer. As their investigation takes them into the dark underbelly of Washington politics and murder-for-hire, it also takes them into the bedroom where passion erupts and emotional walls crumble. But when the killer makes an attempt on Hope's

life, will Brice be able to keep her safe? Or will blowing the whistle on corruption and greed mean losing the one person he's allowed himself to love?

A superb travel guide. This book is what travel guides are supposed to be: informative, interesting, and most of all-- fun. Great research and the author's warm writing style make planning a leisurely holiday a pleasant experience. Great suggestions for romantic getaways, but there's plenty here for the whole family, if you really want to bring the kids. -- J. Seriena. "This book made me ache for another visit to the Vineyard. The author captures the very essence of the Cape Cod shores and the Vineyard and Nantucket. And the charming illustrations add to the call of

life at another pace and that life can truly be enjoyed, one B & B at a time." -- Amazon customer. "Enchanting. The title tells it all. This is a fun book to read and it got my wife and me all excited about our trip way before we even packed our bags. All the suggestions were very good." -- Amazon customer. "Is it summer yet? Living in Chicago, I'm always longing for summer. Now I'm also longing to go to the Cape area. Enchanted Summer paints a great picture of what should be a great summer vacation. The book is well written, well organized and well..enchanted. Can't wait to check out the recommendations." -- Amazon customer. "Romance is quite subjective. Seclusion for one person is Dullsville for another. Busy little seaports for you

might be jammed little tourist traps to me. And so on. Yet Cynthia Mascott, a Cape Cod resident for only four years, manages to cover all the bases. This guide lets you know whether the reservation you're making is for a bed-and-breakfast with "friendly" owners (doesn't that make you think they're going to be IN YOUR FACE?) or an inclusive resort where you don't even have to leave to buy souvenirs. The book is divided into sections covering every imaginable town on Cape Cod, as well as the islands of Martha's Vineyard and Nantucket. There's even a chapter on Boston, gateway to the Cape. The sections on each town and island are further divided into lodging, eating and playing. Playing is even further divided into touring, calendars of events, nature,

recreation and more. The sections on lodging are quite extensive; it appears everyone and their mother is running an inn on the Massachusetts shore. Mascott lets us know how many rooms are available and how they're decorated, if you'll have to share a bath, what the yard looks like and what to expect for food. The listings also rank prices, ranging from two dollar signs for inns and hotels that cost less than \$100 a night (not too many of those) to four dollar signs for \$200 and up. The addition of Web and email addresses are helpful, although most places don't have them. The restaurants also appear to be plentiful and Mascott has done some yummy research. Many of the listings include specific menu items that are good, but others are as generic as

"traditional American food." There are a lot of historical tidbits in here, locations of the nice beaches, good places to ride bikes, where to shop, etc. Pick up this book a few months ahead of your holiday and you'll be able to schedule every minute." -- Foreword Magazine. The print edition is 303 pages.

\*Book 2 in the bestselling SEALs of Shadow Force romantic suspense series! Miles is Charlotte's one and only weakness. He's also her only hope... To stop a Romanian crime lord and clear her name, British Intelligence officer Charlotte Carstons has no choice. She must track down former Navy SEAL Miles Duncan and ask for his help. Miles holds the key to completing her undercover

assignment and proving she's no traitor...but he also holds a grudge. Getting him to forgive her may be the most challenging mission of her life. Charlotte is his fantasy woman. She's also the biggest mistake of his career... He was supposed to hunt her down. Instead Miles ended up at the mercy of the sexy, mysterious MI6 agent who left him without so much as a goodbye after their six-week love affair in the Carpathian Mountains. Back in the States and working as an operative for Shadow Force International, Miles has been searching for Charlotte ever since—and so has everyone else. She's a traitor to her country and she may be responsible for the deaths of his SEAL teammates a year ago. Together, they can save the world. Or destroy each other... When

Charlotte shows up on his doorstep asking for help, Miles knows better than to get involved. She's determined to go back to Romania with or without him, however, and he knows she's walking into a deadly trap. Can he keep her safe as they travel across continents and explore the depth of their feelings for each other? Or will misplaced honor and treasonous loyalties prove fatal for them both?

Every blessing hides a curse. For me, Kali Sweet, being cursed is my normal state. I'm a demon but I love humans. Especially my half-demon, half-human boyfriend, Rad. He's so imperfect,

creative, and, well, mortal. Because I'm one of the original vices Jesus cast out of Mary Magdalene back in Biblical times, I'm cursed with virtue running through my blood as well. I'm constantly at war with my evil side, and now my horrible flaw of loving humans has landed me a new job—one I don't particularly like nor want as head of the Bridge Council, entrusted with keeping humans safe from supernaturals. Lucky me, the job comes with perks—both Lucifer and his big brother Michael are gunning for me. My hand is being forced. Either I kill the King of Hell or Michael will kill everyone I love...including Rad. With my ragtag band of demons, vampires, and shifters, I'm about to go up against Heaven and Hell. Blessing or curse? In the end, all that matters is that I keep those I care

about alive and safe, even if I'm the one who ends up at the mercy of Michael's sword. Books in the Kali Sweet Series include: *Revenge Is Sweet*, Book 1 *Sweet Chaos*, Book 2 *Sweet Soldier*, Book 3 *Sweet Curse*, Book 4 [Holiday Justice](#) Beach Path Publishing, LLC.

Armageddon is coming and it's up to me to stop the Four Horsemen and their heavenly army of angels. Unfortunately, one of the Horsemen happens to be my rock star boyfriend, Radison Beaumont. At least that's what his ex-fiancée, Parker Burkett, claims. Parker wants revenge on me for stealing Rad and she's working with my archenemy, Queen Maria, a succubus who wants me back in her court of supernaturals. The only way I can stop them and the coming biblical apocalypse is to recruit an army – an army led by the king of hell. Lucifer's not about to help without getting something in return, and following orders – even his – is not my style. I'm turning my inner demon loose on Parker, Maria, and the Horsemen – and saving the humans I love at the

same time. But what price will I pay for dealing with the devil? Going to the dark side has never been so sweet.

As a reformed witch, I'm wrestling with completing the third step of Witches Anonymous—turning my will over to a higher power—and counting the days to

my six-month magic-free anniversary. However, when the angel Gabriel steals half my soul, claiming I've cast a spell on him to keep him from returning to Heaven, the odds of me sticking to my magic-free oath shrink. If I don't break the spell keeping Gabe Earthbound, he'll kill me and damn my soul for eternity. But I'm not about to go down without a fight. Having once been the Devil's right-hand witch, my soul is already bound for Hell, and while Gabriel now owns one half, the other half belongs to Lucifer—and I know exactly how to use that to my advantage. All I have to do is stay out of Lucifer's arms in the meantime...
