Mai spends her days at
the Widows' Store,
listening to the Hmong
women as they stitch
and talk, stitch and
talk. They are making
pa'ndau---brightly
colored story cloths--
which they sell to the
traders from Chiang

Khan. Mai wishes she,
too, could make one of
the beautiful pa'ndau,
but what story could
she tell? This moving
and poignant tale
depicts life in a refugee
camp in Thailand. Mai
lives there with her
grandmother, who
helps her as she
struggles to perfect her
stitchery. Only by
going back into her
own brief and tragic
past can she find a

story to tell—one of hope and faith in the midst of war and confinement. Anita Riggio has rendered lush and sensitive watercolors that frame the story. You Yang, a Hmong immigrant, has stitched the pa'ndau that tell Mai's tale.

How will Gregory find his way back to Dad?

Swish-swoosh . . .

Gregory draws a lion in the sand. "Don't go in the water, and don't leave Sandy," warns Dad. But the sandy lion grows a tail that gets longer and longer—and soon Gregory is lost on the beach. This wonderful read-aloud book brings to life a summer experience that is all too familiar for young children.

Karen Williams's rhythmic text has been paired with Floyd Cooper's brilliant illustrations, revealing the trip down the beach entirely from a child's point of view. A gentle father-son bond is shown in both text and art, reassuring young readers even as

they share in Greg's moment of worry at finding himself lost and alone.

Golden Domes and Silver Lanterns

Annick Press
Founder of the phenomenon social media account PreachersNSneakers tackles how faith, capitalism, consumerism, and (wannabe) celebrity have collided and asks both believers and nonbelievers alike: how much is too much? What started as a joke

account on Instagram has turned into a movement. Through this provocative project, the founder of PreachersNSneakers is helping thousands of Jesus followers wrestle with the inevitable dilemmas created by our Western culture obsessed with image and entertainment. In PreachersNSneakers: Authenticity in an Age of For-Profit Faith and (Wannabe) Celebrities, Ben Kirby approaches many of the difficult questions plaguing countless Christians' minds, presenting experiences and input from both sides of difficult questions, such as: Should pastors grow wealthy off of religion, and can their churches ever be too large? Do we really believe that divine blessings are

monetary, or is that just religious wallpaper to hide our own greed? Is there space in Christendom for celebrities like Kanye and Bieber to exist without distorting the good news? What about this: Is it wrong for someone—even wrong for author Ben Kirby—to call out faith leaders online and leverage “cancel culture” to affect change? PreachersNSneakers will navigate these challenging questions and many more with humor, wit, candor, and a few never-before-published hijinks. Each chapter will explore the various sides of the debate, holding space for us to make up our own minds. This book is not about finding the perfect, “right” way to

do something, but instead learning how to articulate what we believe, why we believe it, and what to do when we want to stand up against cultural norms. This book will doubtlessly become a staple for church small groups, college ministries, and book clubs, emboldening struggling believers who want to live a more genuine faith. After all, the Lord works in mysterious colorways.

The Library Bus

Thomas Nelson

"A desperate last hope for safety and freedom. The plight of refugees risking their lives at

sea has, unfortunately, made the headlines all too often in the past few years. This book presents five true stories, from 1939 to today, about young people who lived through the harrowing experience of setting sail in search of asylum: Ruth and her family board the St. Louis to escape Nazism; Phu sets out alone from war-torn Vietnam; José tries to reach the United States from Cuba; Najeeba flees Afghanistan and the Taliban; and after losing his family, Mohamed abandons his village on the Ivory Coast in search of a new life. Stormy Seas combines a vivid and contemporary collage-based design with dramatic storytelling to produce a book that makes for riveting

reading as well as a source of timely information. These remarkable accounts will give readers a keen appreciation of the devastating effects of war and poverty on youth like themselves, and helps put the mounting current refugee crisis into stark context."--

This stunning photo essay takes a look at the thousands of children around the world who have been forced to flee war,

terror, hunger and natural disasters, young refugees on the move with very little left except questions. It's hard to imagine, but the images here will help unaffected children understand not only what this must feel like, but also how very lucky they are. The final message is that children, even with uncertain futures, are resilient and can face uncertainty with optimism. With images from the United Nations High Commissioner for Refugees.
