Cengage Advantage Books: Looking Out, Looking in Wadsworth Publishing Company
 A NEW YORK TIMES NOTABLE BOOK · A PHILADELPHIA INQUIRER BEST OF THE YEAR “Woven together out of the strands of myth, science fiction, and ecological warning, Matt Bell’s *Appleseed* is as urgent as it is audacious.” —Kelly Link, Pulitzer Prize finalist and national bestselling author of *Get in Trouble* A “breathtaking novel of ideas unlike anything you’ve ever read” (*Esquire*) from Young Lions Fiction Award–finalist Matt Bell, a breakout book that explores climate change, manifest destiny, humanity’s unchecked exploitation of natural resources, and the small but powerful magic contained within every single apple. In eighteenth-century Ohio, two brothers travel into the wooded frontier, planting apple orchards from which they plan to profit in the years to come. As they remake the wilderness in their own image, planning for a future of settlement and civilization, the long-held bonds and secrets between the two will be tested, fractured and broken—and possibly healed. Fifty years from now, in the second half of the twenty-first century, climate change has ravaged the Earth. Having invested early in genetic engineering and food science, one company now owns all the world’s resources. But a growing resistance is working to redistribute both land and power—and in a pivotal moment for the future of humanity, one of the company’s original founders will return to headquarters, intending to destroy what he helped build. A thousand years in the future, North America is

covered by a massive sheet of ice. One lonely sentient being inhabits a tech station on top of the glacier—and in a daring and seemingly impossible quest, sets out to follow a homing beacon across the continent in the hopes of discovering the last remnant of civilization. Hugely ambitious in scope and theme, *Appleseed* is the breakout novel from a writer “as self-assured as he is audacious” (NPR) who “may well have invented the pulse-pounding novel of ideas” (Jess Walter). Part speculative epic, part tech thriller, part reinvented fairy tale, *Appleseed* is an unforgettable meditation on climate change; corporate, civic, and familial responsibility; manifest destiny; and the myths and legends that sustain us all.

Cengage Advantage Books: Culture Counts: A Concise Introduction to Cultural Anthropology Univ of California Press

This accessible, applied text covers the complex environment in which managers confront ethical decision making. Using a managerial framework, the authors address the overall concepts, processes, and best practices associated with successful business ethics programs—helping students see how ethics can be integrated into key strategic business decisions. The Seventh Edition incorporates comprehensive and rigorous updates that reflect the ever-increasing academic and governmental attention being given to this area. The textbook program provides an abundance of real-world examples and cases, as well as exercises, simulations, and practice tests that provide plenty of opportunity for students to master the text material. Readings in Cultural Anthropology Cengage Learning

BIOETHICS IN A CULTURAL CONTEXT--PHILOSOPHY, RELIGION, HISTORY, POLITICS presents a unique, philosophical approach to modern bioethics. Rather than simply setting up debates about contemporary issues, this book helps students understand that many of today’s bioethical controversies

are tied to profound underlying questions fundamental as: When does life begin and end? What is a human being or person? What is life's purpose? What is the ideal society? The text is comprehensive and accessible, featuring a wide range of content that is crisply presented and clearly explained. A multitude of interesting examples and cases provides ample opportunity for discussion, debate, and research. National Academies Press

A reader for cultural anthropology courses consisting of articles that are global, both in authorship and perspective. The articles focus on contemporary global concerns and place an emphasis on gender issues throughout.

[Launching New Ventures: An Entrepreneurial Approach](#) McGraw-Hill Humanities, Social Sciences & World Languages

A PEOPLE AND A NATION is a best-selling text offering a spirited narrative that tells the stories of all people in the United States. The authors' attention to race and racial identity and their inclusion of everyday people and popular culture brings history to life, engaging readers and encouraging them to imagine what life was really like in the past. In the tenth edition, the number of chapters has been reduced from 33 to 29, making the text easier to assign in a typical semester. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Packed with current research and examples, bestselling COMMUNICATION BETWEEN CULTURES, 9E equips readers with a deep understanding and appreciation of different cultures while helping them develop practical communication skills. Part I introduces the study of communication and culture; Part II focuses on the ability of culture to shape and modify our view of reality; Part III puts the theory of intercultural communication into practice; and Part IV converts knowledge into action. This is the only text to consistently emphasize religion and history as key variables in intercultural communication. Compelling examples help readers examine their own assumptions, perceptions, and cultural biases--so they can understand the subtle and profound ways culture affects communication. The ninth edition offers expanded discussions of the impact of globalization, a new chapter on intercultural communication competence, and more coverage of new technology. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A Global Perspective McGraw Hill Professional

Demonstrate the nature of culture and its influence on people's lives. For over 40 years, the best-selling Conformity and Conflict has brought together original readings and cutting edge research alongside classic works as a powerful way to study human behavior and events. Its readings cover a broad range of theoretical perspectives and demonstrate basic anthropological concepts. The Fourteenth Edition incorporates successful articles from past editions and fresh ideas from the field to show fascinating perspectives on the human experience. Teaching and Learning Experience Personalize Learning - MyAnthroLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking - Articles, article introductions and review questions encourage students to examine their assumptions, discern hidden values, evaluate evidence, assess their conclusions, and more! Engage Students - Section parts, key terms, maps, a glossary and subject index all spark student interest and illustrate the reader's main points with examples and visuals from daily life. Support Instructors - Teaching your course just got easier! You can create a Customized Text or use our Instructor's Manual, Electronic "MyTest" Test Bank or PowerPoint Presentation Slides. Additionally, Conformity and Conflict's part introductions parallel the basic concepts taught in introductory courses - which allow the book to be used alone as a reader or in conjunction with a main text. [Appleseed](#) Jill Potash

New York Times bestselling author Donald Miller uses the seven universal elements of powerful stories to teach readers how to dramatically improve how they connect with customers and grow their businesses. Donald Miller's StoryBrand process is a proven solution to the struggle business leaders face when talking about their businesses. This revolutionary method for connecting with customers provides readers with the ultimate competitive advantage, revealing the secret for helping their customers understand the compelling benefits of using their products, ideas, or services. Building a StoryBrand does this by teaching readers the seven universal story points all humans respond to; the real reason customers make purchases; how to simplify a brand message so people understand it; and how to create the most effective messaging for websites, brochures, and social media. Whether you are the marketing director of a multibillion dollar company, the owner of a small business, a politician running for office, or the lead singer of a rock band, Building a StoryBrand will forever transform the way you talk about who you are, what you do, and the unique value you bring to your customers.

A People and a Nation, Volume I: to 1877 Cengage Learning

Framed around the concept of culture, Nanda and Warms's concise book makes students aware of the fact that culture matters in driving and shaping human behavior, and that culture is a dynamic concept that interrelates various cultural systems in adaptive (or maladaptive) ways. The text focuses on how culture helps direct and explain peoples' behavior; why this is important for understanding what is going on in the world today, and how we can solve problems and effect positive change. Via ethnographic storytelling and a writing style that is both authoritative and conversational, the authors present the key concepts of anthropology in a way that draws students into the topics. The authors emphasize contemporary issues, issues of globalization, and American culture, while continuing to emphasize equalities and inequalities around gender, class, race and ethnicity, as well as the effects of globalization. [Conformity and Conflict](#) Cengage Learning

A PEOPLE AND A NATION, 11th Edition, offers a lively narrative that tells the stories of the diverse peoples in the United States. The authors are prize-

winning historians and experienced teachers who know how to explain historical change--whether race and gender, economics and public policy, family life, popular culture or international relations and warfare--in ways that students understand. The first textbook to focus on U.S. social history, the book also supports more specialized lectures through its attention to international history and the place of the U.S. in the world, politics and policy, social movements and economic issues. Available in the following split options: A PEOPLE AND A NATION, 11th Edition (Chapters 1-29), ISBN: 9781133312727; Volume I: To 1877 (Chapters 1-14), ISBN: 9781285430829; Volume II: Since 1865 (Chapters 14-29), ISBN: 9781285430836. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A Memoir of Italian American Life Prentice Hall

This case study describes the role an applied anthropologist takes to help Marshallese communities understand the impact of radiation exposure on the environment and themselves, and addresses problems stemming from the U.S. nuclear weapons testing program conducted in the Marshall Islands from 1946-1958. The author demonstrates how the U.S. Government limits its responsibilities for dealing with the problems it created in the Marshall Islands. Through archival, life history, and ethnographic research, the author constructs a compelling history of the testing program from a Marshallese perspective. For more than five decades, the Marshallese have experienced the effects of the weapons testing program on their health and their environment. This book amplifies the voice of the Marshallese who share their knowledge about illnesses, premature deaths, and exile from their homelands. The author uses linguistic analysis to show how the Marshallese developed a unique radiation language to discuss problems related to their radiation exposure problems that never existed before the testing program. Drawing on her own experiences working with the government of the Marshall Islands, the author emphasizes the role of an applied anthropologist in influencing policy, and empowering community leaders to seek meaningful remedies. [Cultural Anthropology](#) Cengage Learning

Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters.

Looking Out, Looking In HarperCollins Leadership

Well-known in the field, Roysse and Thyer present and simplify all the essentials needed for a critical appreciation of evaluation issues and methodology. From this text, students will learn how to gather evidence and demonstrate that their interventions and programs are effective in improving clients' lives. This text is known for its student-friendly writing style and clear presentation of concepts, as well as its hands-on and applied focus.

[Communication Between Cultures](#) Cengage Learning

Written specifically for students, this ethnography provides an engaging, real-life account of the transition from a traditional to a modern culture. It uses vibrant, poignant stories and examples to connect developments among Gebusi to topics widely discussed in anthropology courses, including comparative aspect of subsistence, kinship, politics, religion, gender, ethnicity, nationalism, and applied anthropology. When first studied by Bruce Knauft, the Gebusi of Papua New Guinea conducted ritual dances and spirit séances, practiced alternative sexual customs, and endured a high rate of violence. By the late 1990s, Gebusi had converted to Christianity and actively pursued market activity, schooling, government programs, sports leagues, and disco music. By 2008, however, their public services and cash economy had deteriorated, and Gebusi relied increasingly, once again, on indigenous customs and practices. Some aspects of change, however, remained enduring. More recently, problems of economic hardship have persisted—as has the resilience of Gebusi culture. This third edition of the The Gebusi has been updated and streamlined throughout and has new material as well as “Broader Connections” sections following each chapter.

Program Evaluation Cengage Learning

Originally published in hardcover in 2019 by Alfred A. Knopf.

The Land of Open Graves Cengage Learning

MAIS OUI!'s success was founded on its unique guided approach that engages students in the discovery of the French language and Francophone cultures. Through its proven methodology that entails thinking then observing and inferring and finally confirming, the program skillfully encourages students to discover for themselves how the language works. Students move rapidly through the material, developing these essential critical-thinking skills and uncovering the multiple layers of meaning. What they acquire in this manner is stored in long-term memory, facilitating a faster development of proficiency. The fifth edition offers seven new high-interest readings based on careful consideration of reviewer feedback. A new Culture Portfolio section, *Bloguez!* is integrated into every culture section of the textbook. The online Culture Portfolio is hosted via the iLrn Heinle Learning center through the Share It! feature and allows students to interact with their classmates, post pictures, videos, and make cross-cultural comparisons. By the use of familiar online or offline tools, students are encouraged to communicate between each others, leveraging the technical and cultural inputs they acquire through each chapter.
