 The Forest Wiki“The Thing in the Forest” is a short story that  
 reads much like a fairytale and it’s about two little girls who are  
 separated from their families and evacuated from their homes.  
 While the two girls, Penny and Primrose, are away, they venture

into a forest and witness a creature so atrocious and terrifying that it scars them for many, many years. The forest floor, the bottom-most layer, receives only 2% of the sunlight. Only plants adapted to low light can grow in this region. Away from riverbanks, swamps and clearings, where dense undergrowth is found, the forest floor is relatively clear of vegetation because of the low sunlight penetration. Rainforest - Wikipedia We make from wild plants. Simple. Scouting woods, creeks, mountains, and fields to find beloved wild herbs that are good for our skin. We take the freshly picked wild plants and infuse them into organic oils before pouring into balms and skin salves. Forest Things Folktales. The forest as a place of magic and danger is found among folklore wherever the natural state of wild land is forest: a forest is a location beyond which people normally travel, where strange things might occur, and strange people might live, the home of monsters, witches and fairies.
