JORDAN BERRY

Wiley IFRS 2012 John Wiley & Sons

This book will explain the complex inter-relationships between the International Accounting Standards Board (the creator of IFRS), the Financial Accounting Standards Board (FASB) and the Canadian Accounting Standards Board (AcSB), their work programme and their plans for the future.

IFRS Accounting Standards Wiley

Your one-stop resource for understanding current International Financial Reporting Standards – now made even more useful: your purchase of Wiley IFRS 2012 includes a free ePDF of the entire book! As the International Accounting Standards Board (IASB) continues towards its goal of a set of high quality financial reporting standards, and makes significant strides in achieving global convergence of accounting standards worldwide, International Financial Reporting Standards (IFRS) continue to be important to the accounting world. Wiley IFRS 2012 provides the necessary tools for understanding the IASB standards and offers practical guidance and expertise on how to use and implement them. Covers the most recent International Financial Reporting Standards (IFRS) and IFRIC interpretations An indispensable guide to IFRS compliance Provides a complete explanation of all IFRS requirements, coupled with copious illustrations of how to apply the rules in complex, real-world situations Written by a world-class team of authors active in IFRS consulting, training, working with multinational listed companies, public sector entities and SMEs, this book is an indispensable guide to IFRS compliance. And see inside the book for full details on how to download the entire book as a free ePDF, for quick searching and checking on your computer wherever you are!

International Convergence of Capital Measurement and Capital Standards John Wiley & Sons

The preface to International Financial Reporting Standards (IFRSs), the conceptual framework for financial reporting, and the consolidated text of IFRSs including International Accounting

Standards (IASs), and Interpretations, as issued at 1 January 2018.

International Financial Reporting Standard 1 John Wiley & Sons

A one-stop resource for understanding and applying current International Financial Reporting Standards The move to International Financial Reporting Standards (IFRS) is the single most important initiative in the financial reporting world, with more than 100 countries requiring or allowing the use of IFRS for the preparation of financial statements by publicly held companies. It is expected that by 2011, more than 150 countries will be converting to it. It's clear that IFRS is here to stay—get the expert advice you need to properly implement IFRS with Understanding IFRS Fundamentals: International Financial Reporting Standards. Filled with easy-to-follow examples and case studies, Understanding IFRS Fundamentals: International Financial Reporting Standards is your handy resource to all things IFRS, presenting: Authoritative advice and simple explanations of IFRS standards Topical arrangement of issues of common interest to financial statement preparers and users Extracts from published financial statements illustrating practical implications for applying IFRS Guidance for finance professionals in more than 100 countries that have either adopted or adapted to IFRS Simple explanations of complex standards A practical reference with the answers to your issues of interest, Understanding IFRS Fundamentals: International Financial Reporting Standards serves as an essential resource for when you need information in a hurry. Stay on track and focused with the straightforward guidance in Understanding IFRS Fundamentals: International Financial Reporting Standards.

Amendments to IFRS 1 First-time Adoption of International Financial Reporting Standards and IAS 27 Consolidated and Separate Financial Statements John Wiley & Sons

Lecture Notes from the year 2016 in the subject Business economics - Accounting and Taxes, grade: 1,3, language: English, abstract: The following text was created as part of the university module "Financial accounting according to IFRS standards." This work will introduce the financial reporting procedure as well as the legal framework and enable the reader to create (simple)

financial statements on his/her own. Several examples and numerical figures as well as visual displays support the understanding. At the end, there is a summary about the balance sheet adjustments and a kind of FAQ (as part of the exam preparation). Please be aware that the international approaches are very similar to the German ones, but are not always the same. This work is made from the notes taken during lectures and supplemented by additional information and pictures from secondary literature, namely "Financial Accounting - International financial reporting standards," published by Pearson and written by Walter T. Harrison Jr. and Charles T. Horngreen. Additionally, some information from this book was visually displayed in self-made figures, diagrams and compilations. If an image is not marked otherwise, it's self-created.

An indispensable guide to making the transition to dual IFRS/GAAP financial reporting U.S. financial reporting will undergo an unprecedented level of change within the next several years. U.S. companies face a convergence between U.S. GAAP and IFRS, affecting several major accounting standards—most notably in the areas of leasing, revenue recognition, and financial instruments. It is imperative that U.S. companies understand these major changes and their business and operational implications. The IFRS U.S. GAAP Dual Reporting Handbook to First-Time Adoption offers a comprehensive treatment of both the principles and techniques of dual reporting under IFRS/U.S. GAAP, while exploring the practical implications for accounting

professionals of reporting under both sets of standards. Takes an operating approach to the implementation and application of the dual standards Draws upon the author's extensive firsthand experience to dispel uncertainty and offer decision makers expert technical assistance Defines systemic changes businesses will need to make to accommodate IFRS standards Compares the two bodies of standards item-by-item and identifies solutions under one set of standards to issues arising under the other Explores the strategic impact of structuring a company for IFRS transition In addition to covering the full range of critical issues surrounding adopting IFRS, this indispensable handbook is a rich resource of dual reporting tools, including financial statement formats, charts of accounts, accounting check-lists, reconciliation schedules, and operating manuals.

An Executive's Guide for Moving from US GAAP to IFRS

John Wiley & Sons

The newest edition of an essential accounting resource The Wiley 2023 Interpretation and Application of IFRS Standards is an authoritative, one-stop resource for accountants who need to interpret and apply the most recent International Financial Reporting Standards with precision and consistency. The book contains numerous practical examples and up-to-date guidance on the expanding framework for unified financial reporting. The authors have created a volume that offers transparent, accessible, and efficient information relevant to the ever-evolving IFRS standards. Readers will also find: Clear and informative explanations of the newest updates found in the 2023 IFRS Standards Well-reasoned examples of new standards being applied to difficult cases drawn from real-world situations Realistic and practical advice created by, and for, accounting professionals Perfect for accountants and auditors, the Wiley 2023 Interpretation and Application of IFRS Standards will earn a place on the desks and bookshelves of students of accounting, finance, and related fields.

IFRS Standards John Wiley & Sons

The one-stop resource for IFRS interpretation and application, updated for 2018 Wiley IFRS 2018 offers a complete resource for the interpretation and application of the latest International Financial Reporting Standards (IFRS) as outlined by the International Accounting Standards Board (IASB). With up-to-date coverage and a host of practical tools, this book provides

invaluable guidance on the expanding framework for unified financial reporting. Organised for easy navigation, each chapter includes general statement information followed by topic-specific discussion to facilitate both quick-reference and in-depth study. The expert team at PKF International provides authoritative insight from a practitioner's perspective: IFRIC interpretations and practical real-world guidance ensure full understanding of the newest standards, and the Disclosure Checklist helps verify compliance. The IASB's efforts are paying off as more and more countries around the globe either adopt IFRS as their national standards, or adjust local standards in alignment. A working understanding of IFRS application is becoming essential, even as the rules continue to evolve. This book provides full coverage of the latest standards and thorough guidance for implementation. Review the latest IFRS rules and standards Apply guidelines and best practices appropriately Gain expert insight on IFRS interpretation and implementation Ensure compliance and verify completeness Uniform financial reporting reduces the costs of financial statement preparation for multinational companies, and streamlines the assessment of business results. As the standards themselves evolve, so must practitioners' understanding of how to apply them correctly in real-world cases. Wiley IFRS 2018 offers a complete, up-to-date reference to help you apply and comply with the latest international standards.

IFRS (R) STANDARDS-ISSUED AT 1 JANUARY 2018 (RED BOOK)

John Wiley & Sons

Wiley IFRS: Practical Implementation Guide and Workbook, Second Edition is a quick reference guide on IFRS/IAS that includes easy-to-understand IFRS/IAS standards outlines, practical insights, case studies with solutions, illustrations and multiple-choice questions with solutions. The book greatly facilitates your understanding of the practical implementation issues involved in applying these complex "principles-based" standards. PS-Line Financial Management John Wiley & Sons

International Financial Reporting Standards (IFRS) Workbook and Guide is a one stop resource for understanding and applying current International Financial Reporting Standards (IFRS) and offers: Easy-to-understand explanations of all IFRSs/IASs and IFRICs/SICs issued by the IASB/IASC up to March 2006 Illustrative examples Practical insights Worked case studies Multiple-choice questions with solutions Technically reviewed by Liesel Knorr,

Secretary General of the German Accounting Standards Committee and former technical director of the International Accounting Standards Committee (IASC). Forewords by: Sir David Tweedie, Chairman of the International Accounting Standards Board (IASB) Philippe Richard, Secretary General of the International Organization of Securities Commissions (IOSCO) *Wiley Interpretation and Application of IFRS Standards* Wiley The easy way to get a grip on International Reporting Standards IFRS For Dummies is your complete introduction to IFRS and international accounting and balancing standards. Combining all the facts needed to understand this complex subject with useful examples, this easy-to-read guide will have you on top of IFRS in no time. In plain English, it helps you make sense of IFRS and your understanding of: what they are and where they apply; how to adopt IFRS for the first time; how IFRS affects the key components of your financial statements; how to disclose information in financial statements; and much more. Covers what to do if you're applying IFRS for the first time Explains complicated material in plain English Helps you make sense of this principles-based set of standards that establish broad rules for financial reporting If you're an accountant, student, or trainee in need of accessible information on IFRS, this hands-on, friendly guide has you covered.

"The" Annotated IFRS® Standards John Wiley & Sons

A concise FAQ guide to IFRS principles and practices Co-written by Steven Collings, winner of Accounting Technician of the Year at the British Accountancy Awards 2011, this book is a comprehensive guide to International Financial Reporting Standards (IFRS) which became mandatory in the EU in 2005, and they will almost certainly be adopted by most other developed countries in the near future. Unlike US-GAAP and other sets of standards, the IFRS are principles-based rather than rules-based, putting the onus of interpretation more on users than has previously been the case. Under IFRS users must understand the economic substance of operations, and they must be able to make assumptions, hypotheses, and estimations leading to an accounting treatment consistent with the general objectives of and principles behind IFRS financial reporting. In a handy, easy-to-navigate Q&A format, Frequently Asked Questions on IFRS provides accounting and finance professionals with the answers to some of the most commonly asked questions on the new

standards. Covering the often complicated areas of accounting for financial instruments, tangible and intangible assets, provisions, and revenue recognition, the book also contains a valuable overview of the standards and the thinking behind them. Includes a comprehensive section on the new IFRS for small and medium enterprises Contains real-world examples from financial reports; a glossary of commonly used terms; and a 'Test Your Knowledge' section Provides a simple way to get up to speed on these often confusing, principles-based standards

ED 1: Draft implementation guidance John Wiley & Sons Your one-stop resource for understanding current International Financial Reporting Standards With widespread acceptance and use of the IASB standards around the globe, the need to understand the IASB standards greatly increases. Wiley IFRS 2010 provides the necessary tools for understanding the IASB standards and offers practical guidance and expertise on how to use and implement them. The Wiley IFRS 2010 Book and CD-ROM set covers the most recent International Financial Reporting Standards (IFRS) and IFRIC interpretations. In addition, it is an indispensable guide to IFRS compliance. Detailed coverage of all previously issued IAS and IFRS standards and Standing Interpretations Committee (SIC) and International Financial Reporting Interpretations Committee (IFRIC) Equally valuable for preparers, auditors, and users of financial reports Provides a complete explanation of all IFRS requirements, coupled with copious illustrations of how to apply the rules in complex, real-world fact situations Serves as a reference guide during actual implementation of IFRS and preparation of IFRS-based financial statements To optimize your understanding, both examples created to explain particular IFRS requirements and selections from actual published financial statements are provided throughout the book, illustrating all key concepts.

Disclosures--transfers of Financial Assets John Wiley & Sons International Financial Reporting Standards (IFRS) Workbook and Guide is a one stop resource for understanding and applying current International Financial Reporting Standards (IFRS) and offers: Easy-to-understand explanations of all IFRSs/IASs and IFRICs/SICs issued by the IASB/IASC up to March 2006 Illustrative examples Practical insights Worked case studies Multiple-choice questions with solutions Technically reviewed by Liesel Knorr, Secretary General of the German Accounting Standards

Committee and former technical director of the International Accounting Standards Committee (IASC). Forewords by: Sir David Tweedie, Chairman of the International Accounting Standards Board (IASB) Philippe Richard, Secretary General of the International Organization of Securities Commissions (IOSCO) Introduction Into Financial Accounting According to Ifrs John Wiley & Sons

This book combines the fundamentals of finance with relevance and effectiveness. It allows for the practice of this subject and covers all the programs of business schools, universities' finance courses, and engineering schools. This book is a relevant tool to acquire all the knowledge required for examination success and the achievement of proven practical competences.

Understanding IFRS Fundamentals John Wiley & Sons

The industry-specific guide to IFRS interpretation and application One of the biggest challenges of any reporting standard is how best to interpret and implement it in the context of a specific company or industry, given that each industry has its own intricacies and nuances. The Impact of IFRS on Industry provides specific guidance on applying IFRS in a diverse range of sectors. Opening with an overview of IFRS, including a summary of all the standards, the book goes on to provide detailed coverage of the standards that can impact all industries, including IAS-40, IFRS 1, and IFRS 5. Thereafter, it offers practical advice and guidance on the application of IFRS in specific industries, including automotive; oil and gas; bio-sciences; infrastructure; airlines; media and communications; government-owned entities; mining; software; banking and financial services; insurance; FMCG; shipping; pharmaceuticals; telecoms; real estate and construction; power; SMEs; retail; e-commerce; and the service sector. The book concludes with a discussion on the collateral impact of implementing IFRS and how forthcoming IFRS Standards could impact specific industries. Worked examples are used throughout to demonstrate how the standards are applied in practice.

Understand the IFRS standards comprehensively Learn which standards impact all industries Examine the ways in which IFRS is applied in practice See how different standards are applied in specific industries Suitable as a quick reference or a comprehensive guide, The Impact of IFRS on Industry gives you the real-world IFRS answers you need.

Get the answers you need to effectively implement IFRS rules and keep up to date on the latest IFRS requirements. Designed to complement any Wiley IFRS product, IFRS Policies and Procedures is sequenced in the same manner as Wiley IFRS and incorporates additional categories of information to assist you in properly implementing IFRS, covering all current IAS, IFRS, SIC and IFRIC guidance in depth.

Principles of Accounting Volume 1 - Financial Accounting John Wiley & Sons

The one-stop guide to transitioning to IFRS financial reporting The International Financial Reporting Standards (IFRS) have already been adopted in Europe, and plans are in place to transition to IFRS reporting in the UK, India, Japan, and other major economies. The US is deliberating the nature of its convergence with IFRS and US entities will need to understand the implications of transition. This means all finance managers and financial controllers will be responsible, not only for understanding IFRS, but for making the transition and dealing with implications. Managing the Transition to IFRS-Based Financial Reporting is a one-stop resource for navigating this major change. Case studies and project management advice help move smoothly from GAAP to IFRS principles and requirements. Managing the Transition to IFRS-Based Financial Reporting is the only book on the market that focuses on both the accounting and non-accounting implications of IFRS transition. This complete approach will guide you from the history and conceptual basis of IFRS through each stage of the transition process, ensuring expert change management and fluid communication from start to finish. Takes a holistic approach, covering non-accounting implications like educating and communicating IFRS requirements Provides case studies to illustrate best practices for moving to the new international standards Provides a framework for planning and executing the entire IFRS transition project With nearly two decades of financial training experience, author Lisa Weaver is imminently qualified to deliver clear, concise, and understandable content. In addition, the reference material and other resources in Managing the Transition to IFRS-Based Financial Reporting will help you simplify the transition and take advantage of all the benefits IFRS reporting confers.

IFRS® Standards Accounting Standards Business Expert Press International Financial Reporting Standards are now being

adopted in more and more jurisdictions all around the world. They are currently required or permitted in over 100 countries including the US, Japan and member states of the EU.
