Exactly Where to Start Elizabeth Lennox

I went to a depraved club and came out pregnant by my best friend's dad. Some girls have all the luck. They meet their man, get married, and start cranking out babies. But I'm not like that. I like things a little different, so I go to the place that satisfies those dark desires: The Cube. What we do in the club is off-limits and taboo to normal society, but it scratches an itch I have deep inside. Unfortunately, one night I meet a man at the Cube who takes my breath away. He's just as dark, dangerous and twisted as me, but then his mask falls away ... AND IT'S MY BEST FRIEND'S DAD! Omg, I've had a crush on Brent Marshall for years. And now he's being naughty with me, his daughter's childhood buddy. What do we do? Or more accurately, what happens when I get pregnant from our illicit encounter? Hold onto your horses because Jane Cuesta is a bad girl. She's got an innocent exterior, but the curvy girl likes things a certain way and Brent Marshall is just the man to give her what she needs. Sure, he's known her since she was practically a baby, but that's why it's so forbidden ... and so mind-blowingly yummy! No cheating, no cliffhangers, and always a HEA for my readers. This book features characters that initially appeared in My Dad's Business Partner, but both books are standalones and can be read on their own. You'll love them, I promise! Xoxo, Cassandra

"A sweet, sexy read, featuring a couple that feels both true-to-life and aspirational." Kirkus Review, Starred Review American Angie Donovan has never wanted much. When you grow up getting bounced from foster home to foster home, you learn not to become attached to anything, anyone, or any place. But it only took her two days to fall in love with Australia. With her visa clock ticking, surely she can fall in love with an Australian—and get hitched—in two months. Especially if he's as hot and funny as her next-door neighbor... Jace Walters has never wanted much—except a bathroom he didn't have to share. The last cookie all to himself. And solitude. But when you grow up in a family of seven, you can kiss those things goodbye. He's finally living alone and working on his syndicated comic strip in privacy. Sure, his American neighbor is distractingly sexy and annoyingly nosy, but she'll be gone in a few months... Except now she's determined to find her perfect match by checking out every eligible male in the town, and her choices are even more distracting. So why does it suddenly feel like he—and his obnoxious tight-knit family, and even these two wayward dogs—could be exactly what she needs? I didn't mean to kidnap the groom. It was an accident. Mostly... At least I didn't take much time to plan it. It was more of a spur of the moment kidnapping. Does that count? One minute, the town's bad boy is standing at the altar about to marry the world's most evil kindergarten teacher. The next, he's passed out in my Vespa sidecar with his bride hot on our tail. But I didn't have a choice! I couldn't stand by and watch Jace O'Dell be blackmailed into a loveless marriage. And besides, what's a little kidnapping between friends? Okay, so maybe we're not just friends... And maybe I can't quit thinking about that night at his bar when he closed up early and had me on the rocks. And maybe this crazy stunt is going to blow up in both of our faces. If it does, I'm blaming the moonshine. Even though the only thing I'm hammered on when it comes to Jace is love—straight up, no chaser.

I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Yes, I went there. Every woman doesn't want to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know. From, Your Secret Not Admirer

Grace Reinhart Sachs is living the only life she ever wanted for herself. Devoted to her husband, a pediatric oncologist at a major cancer hospital, their young son Henry, and the patients she sees in her therapy practice, her days are full of familiar things: she lives in the very New York apartment in which she was raised, and sends Henry to the school she herself once attended. Dismayed by the ways in which women delude themselves, Grace is also the author of a book *You Should Have Known*, in which she cautions women to really hear what men are trying to tell them. But weeks before the book is published a chasm opens in her own life: a violent death, a missing husband, and, in the place of a man Grace thought she knew, only an ongoing chain of terrible revelations. Left behind in the wake of a spreading and very public disaster, and horrified by the ways in which she has failed to heed her own advice, Grace must dismantle one life and create another for her child and herself.
