**Discovering the Real  
Meaning of the Life  
You Planned Before  
You Were Born**  
Llewellyn Worldwide  
A "beautiful and  
sensitive" tale of true

love that transcends  
time, from the multi-  
million bestselling  
author of Many Lives,  
Many Masters (Gary  
Zukav, author of Seat  
of the Soul).  
Recommended by  
Kendall Jenner. In Many  
Lives, Many Masters, a  
skeptical Dr. Brian  
Weiss found his life

changed profoundly after curing a patient using past-life therapy. Now he takes his research into transcendental messages one breathtaking step further. He portrays two strangers, Elizabeth and Pedro, who are unaware that they have been lovers throughout the long centuries -- until fate brings them together again. He shows how each and every one of us has a soulmate whom we have loved in past incarnations and who waits to reunite with us now. And he opens up entirely new worlds for all of us everywhere, based on a single, powerful truth...

*Afterlife Memories*

Galde Press, Inc.

Jimmy Cannon tells about his life in the

1940s as the son of a West Virginia railroad man, loving the trains and expecting one day to work on the railroad like his father and brothers.

### **Tapping into the Power of Love**

Llewellyn Worldwide  
Dr. Michael Newton, best-selling author of *Journey of Souls* and *Destiny of Souls*, returns with a series of case studies that highlight the profound impact of spiritual regression on people's everyday lives. Edited by Dr. Newton, these fascinating true accounts from around the world are handpicked and presented by Life Between Lives hypnotherapists certified by the Newton Institute. After recalling memories of their afterlife, the people in

these studies embarked on life-changing spiritual journeys—reuniting with soul mates and spirit guides, and discovering the ramifications of life and body choices, love relationships, and dreams by communing with their immortal souls. As gems of self-knowledge are revealed, dramatic epiphanies result, enabling these ordinary people to understand adversity in their lives, find emotional healing, realize their true purpose, and forever enrich their lives with new meaning.

**A Tourist's Guide on How to Navigate the Afterlife** HarperCollins UK

A riveting firsthand account of one man's mission to investigate

and document some of the most astonishing phenomena of our time—children who speak of past life memory and reincarnation. All across the globe, small children spontaneously speak of previous lives, beg to be taken “home,” pine for mothers and husbands and mistresses from another life, and know things that there seems to be no normal way for them to know. From the moment these children can talk, they speak of people and events from the past—not vague stories of centuries ago, but details of specific, identifiable individuals who may have died just months, weeks, or even hours before the birth of the child in question. For thirty-seven years, Dr. Ian

Stevenson has traveled the world from Lebanon to suburban Virginia investigating and documenting more than two thousand of these past life memory cases. Now, his essentially unknown work is being brought to the mainstream by Tom Shroder, the first journalist to have the privilege of accompanying Dr. Stevenson in his fieldwork. Shroder follows Stevenson into the lives of children and families touched by this phenomenon, changing from skeptic to believer as he comes face-to-face with concrete evidence he cannot discount in this spellbinding and true story.
