Pearson Education

Human Resource Management

Canadian Human Resource Management
Cengage Learning

Provides a brief introduction to human resource management. This book focuses on the uses of human resources for the general population. A comprehensive instructor's manual, test bank, PowerPoint presentation and a complete Online Learning Center make course preparation easy.

Management Cengage Learning
Introduction to Human Resource Management (HRM) is a textbook designed primarily for undergraduates new to the subject. Written in a concise and accessible style, it is ideal for introductory courses and modular programmes. The student is supplied with a range of source materials, discussion questions, and references for assignment work and guided study. The contents draw upon two fundamental traditions inherent within human resource management: one which takes an individual, psychological focus and another which starts from an industrial relations perspective. Pinnington and Edwards' account covers all the main elements of HRM and focuses on contemporary developments, setting them within the internal organizational and wider environmental contexts. The book fosters a good understanding of the management of human resources and encourages critical thinking on theory and practice.

A Framework For Human Resource Management Pearson College Division
Financial and Managerial Aspects in HRM: A Practical Guide breaks new ground by being the first to compile the everyday management and financial decisions of HR managers in a single book. It is an essential resource for understanding core practical HRM issues in the modern workplace.

Pearson Educación

Providing a balance between theory and practice, this guide to retail management includes useful career information and takes a strategic approach to decision making.

***International Human Resource Management* Thomson**

Prentice-Hall Canada

Human Resource Information Systems: Basics, Applications, and Future Directions is a one-of-a-kind book that provides a thorough introduction to the field of Human Resource Information

Systems (HRIS) and shows how organizations today can leverage HRIS to make better people decisions and manage talent more effectively. Unlike other texts that overwhelm students with technical information and jargon, this revised Fourth Edition offers a balanced approach in dealing with HR issues and IT/IS issues by drawing from experts in both areas. It includes the latest research and developments in the areas of information security, privacy, cloud computing, social media, and HR analytics. Numerous examples, best practices, discussion questions, and case studies, make this book the most student-friendly and current text on the market.

Study Guide for Mathis/Jackson's Human Resource Management, 13th Pearson Higher Ed

This is an ideal foundation text for anyone studying or working in the International Human Resource Management (IHRM) arena. This text utilizes and incorporates most of what is currently known, researched or experienced in the field. It features data and examples from academic research, international businesses and consulting firms, as well as experiences of and interviews with HRM managers in multinational and global firms. This book offers both a theoretical and practical treatment of this important and constantly evolving area. Thoroughly updated and revised, this second edition now includes key terms, learning objectives, discussion questions and an end-of-book integrative case. It has been designed to lead readers through all of the key topics in a highly engaging and approachable way. This book focuses on IHRM within multi-national enterprises (MNEs) and covers topics including: * MNE and country culture * organizational structure, strategy and design * international joint ventures and cross-border mergers and acquisitions * labour standards, ethics and codes of conduct * selection and management of

international assignees * training and management development * compensation and benefits * health and safety and crisis management * IHRM departments and professionals Uncovering precisely why IHRM is important for success in international business and how IHRM policies and practices function within the multinational enterprise, this outstanding textbook provides an essential foundation for an understanding of the theory and practice of IHRM. This book is essential reading for all students, lecturers and IHRM professionals.

Challenges of Talent Management in a Changing Workplace John Wiley & Sons Revision of: Applying quality management in healthcare / Diane L. Kelly.

Armstrong's Handbook of Human Resource Management Practice Pearson Education India

Differentiate yourself in a competitive marketplace with SUPERVISION: CONCEPTS AND PRACTICES OF MANAGEMENT, 13E. A blend of traditional management concepts and emerging insights, the text draws from the authors' firsthand business experience to deliver the leadership skills hiring managers want but rarely find in new recruits. This comprehensive single source for supervisory management expertise addresses the most critical challenges in business today, including globalization, economic turbulence, transitional and temporary workers, virtual employees, technology, outsourcing, and downsizing. Hands-on and practical, the text complements chapter readings with skill-building techniques and captivating video cases from well-known organizations, letting you experience supervisory roles

yourself. Special attention to diversity and ethics also helps you develop a better sense of life beyond the classroom and enhances the text's extensive coverage of communication, decision making, conflict resolution, and other essential supervisory skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Human Resource Management Emerald Group Publishing

Armstrong's Handbook of Human Resource Management Practice is the bestselling and definitive resource for HRM students and professionals, which helps readers to understand and implement HR in relation to the needs of the business. It covers in-depth all of the areas essential to the HR function such as employment law, employee relations, learning and development, performance management and reward, as well as the HR skills needed to ensure professional success, including leadership, managing conflict, interviewing and using statistics. Illustrated throughout in full colour and with a range of pedagogical features to consolidate learning (e.g. source review boxes, key learning points, summaries and case studies from international organizations such as IBM, HSBC and Johnson and Johnson), this fully updated 15th edition includes new chapters on the HRM role of line managers, evidence-based HRM, e-HRM and the gender pay gap, further case studies and updated content covering the latest research and developments. Armstrong's Handbook of Human Resource Management Practice is aligned with the Chartered Institute of Personnel and Development (CIPD) profession map and standards and is suited to both professionals and

students of both undergraduate degrees and the CIPD's level 5 and 7 professional qualifications. Online supporting resources include comprehensive handbooks for lecturers and students, lecture slides, all figures and tables, toolkits, and a literature review, glossary and bibliography.

Effective Human Relations: Interpersonal And Organizational Applications Cengage Learning

Make Human Resources work for you.

STRATEGIC HUMAN RESOURCE MANAGEMENT shows you how through its unique system of concept integration. Most Human Resources textbooks give you the theories without showing you the connections to real life. This textbook lets you see both sides of Human Resources: the theory and the application. That way, you'll not only get a great grade in class, you'll be on your way to success after college as well.

Fundamentals of Human Resource Management with CD & Powerweb Prentice Hall

Over the past decade, management practice has gone through dramatic changes. Workforce diversity, downsizing, reengineering, total quality management, outsourcing, and rediscovering the importance of satisfying the customer, all has a significant impact on Human Resources. The new Sixth Edition of De Cenzo/Robbins' Human Resource Management features a current, real-world perspective that gives readers a crystal-clear picture of what today's HRM is really like. Emphasizing the application of theory, the Sixth Edition carefully integrates real examples with the most up-to-date information available.

Global and Southern African Perspectives Wiley

Strengthen workforce and employee

engagement in today's "new normal" organizational environment! Today's workforces, today's companies, and today's business environments have all changed radically: even if the economy improves, companies will stay lean, and continue to rely heavily on contingent workforces. Engagement is more crucial than ever, but old approaches to achieving it simply no longer work. In *Practices for Engaging the 21st Century Workforce*, Bill Castellano presents a comprehensive, innovative model of engagement that responds to today's new realities, and helps you anticipate tomorrow's. Drawing on 25+ years as a pioneering HR innovator, practitioner, and researcher, Castellano offers a crystal-clear definition of engagement, identifies its real drivers, and specifies achievable strategic outcomes of engagement. He presents powerful new research on how to engage today's multidimensional and changing workforce, in an environment that's as complex as today's workers are. You'll learn how to develop adaptable organizational structures and multidimensional HR management systems tailored to the needs of today's workforces: systems that not only strengthen engagement but also deliver the business performance benefits

promised by greater engagement. Throughout, Castellano supports his insights with profiles and case studies from many of the world's leading organizations, including IBM, Ernst & Young, Google, SAS, Whole Foods, American Express, Colgate-Palmolive, and ARDEC (US Military R&D Center). An indispensable resource for every HR leader, strategist, practitioner, and student.
