CANTRELL SIDNEY

A Spiritual Guide to Making Magic

Llewellyn Worldwide

This beautiful hardcover book complements the author's "Book of Hours: Prayers to the Goddess" and offers god-centered prayers, meditations, and affirmations. Includes eight prayers for the Sabbats and prayers for various occasions. Glossary.

Book of Shadows: A Modern Woman's Journey Into the Wisdom of Witchcraft and

the Magic of the Goddess Phoenix Pub

In this authoritative study, Janet and Stewart Farrar discuss the principles underlying all spells and explain why a successful spell is usually composed of three elements: intent, visualization, and will-power. Careful at all times to observe the basic rules of responsibility - that a spell should never intend anyone harm or manipulate anyone against their will - this is a comprehensive guide to ways of effective spell-casting. This book covers all aspects of spell-making - including psychic self-defence, sex magic, cabalistic magic, and talismans. There is a generous

collection of actual spells, past and present, drawn from history, literature, folklore, old grimoires, and the years of experience of the authors. Spells of love, healing, problem-solving, weather, and binding combine in this unique addition to the literature on magical working.

Your Complete Introduction to Traditional Witchcraft Marion Street Press

You've heard that dreamlike voice calling to you: a yearning to work with the earth's life energies...a heartfelt desire to become a student of the Craft. Now is the time to call forth your passion and strength of will,

and commit yourself fully to the Path of the Wise. *Dedicant: A Witch's Circle of Fire* invites you to set forth on the sacred journey to becoming a Witch. Designed to harmonize with the Wheel of the Year, the monthly lessons feature seasonally themed stories, meditations, Witchcraft lore, ethics questions, spells, and pathworking rituals. The course on Wicca culminates in a powerful self-initiation rite that brings you to the level of Initiate. Blending purposeful study with reflection and awareness, the Circles system of Wicca study is ideal for the solitary student or as part of a coven curriculum. *Dedicant* helps you ignite your inner light and keep it burning by teaching you the core essentials of Wiccan wisdom: Creating a spiritual grimoire Writing and performing daily devotionals Calling the Gods and Goddesses Conducting Sabbat and Esbat rituals Performing herb and energy work Making and using magical tools Selecting ritual garb Casting a power circle Praise: "Calafia does a great job of laying out the groundwork, and she presents it in a unique, workable structure that's easy to follow and offers a solid scaffolding for self-

development."—*Witches and Pagans*
The Witches' God David & Charles
 The most comprehensive and revealing work on the practices, rituals and beliefs of modern witchcraft since Gerald Gardner's influential but unpublished 'Book of Shadows' triggered the revival movement in the 1950s. The authors explain what Gardner's text actually was, how he used it, and, as far as possible, what his sources were. The book goes on to give in full the first, second and third degree initiation rites, the consecration rites, and the many non-ritual passages of the 'Book of Shadows'. The rest of the book explains what the Craft is all about, covering everything from the rationale of witchcraft to reincarnation; from ethics to sex; from symbolism to spells; from astral projection to psychic healing; from clairvoyance to witchcraft's place in today's world.

Celtic Goddess of Magick and Might

David & Charles
 The Paranormal, the new ebook series from F+W Media International Ltd, resurrecting rare titles, classic publications and out-of-print texts, as well as new ebook titles on the supernatural -- other-

worldly books for the digital age. The series includes a range of paranormal subjects from angels, fairies and UFOs to near-death experiences, vampires, ghosts and witchcraft. Everything is here in this most comprehensive and revealing work on the principles, rituals and beliefs of modern witchcraft, including: *The Sabbats*, *Casting and Banishing the Magic Circle*, *The Complete Book of Shadows*, *The Great Rite*, *Initiation Rites*, *Consecration Rites*, *Spells*, *Witches' Tools*, *Witchcraft and Sex*, *Running a Coven*, *Clairvoyance*, and *Astral Projection*.

Principles, Rituals and Beliefs of Modern Witchcraft

Routledge
 Dramatic rituals for the seasonal ceremonies and festivals linked with the waxing and waning of the natural year.
Writer on a Broomstick Magickal Child
 The author of *Book of Shadows* digs deep into the practices and principles of Witchcraft to provide a comprehensive guidebook that anyone—novices and seasoned practitioners alike—can use to incorporate the beauty and power of Wicca into their own daily lives. Phyllis Curott's first book, *Book of Shadows*, was an inspirational, spiritual memoir that

chronicled her journey from Ivy League-educated, New York City attorney to Wiccan High Priestess. By inviting readers of all faiths to share in her own personal transformation, Phyllis debunked many of the myths surrounding Wicca and revealed it for what it really is: a spiritual movement whose tenets of Goddess worship and reverence for Nature were a great deal more accessible and familiar than she'd ever expected. Far from being just another mechanical spell book, *Witch Crafting* is the first book to offer readers not only the how-to of Witchcraft, but also the why-to, explaining the profound spiritual tenets behind Wiccan techniques. Filled with both traditional and innovative shamanic practices, Phyllis also provides an empowering new definition of magic and reexamines the ethics under which Witchcraft is practiced, offering a groundbreaking alternative to the Threefold Law. With enchanting stories from Currott's own experiences, *Witch Crafting* will also teach you how to:

- Master the secret arts of effective spellcasting
- Create sacred space and personal rituals
- Perform divinations for spiritual insight and earthly success
- Tap

into the power of altered states, such as dreaming, meditation, prayer, and trance

- Keep a magical journal and create your own Book of Shadows Rich with detailed advice for making magic, working with Nature, and finding the Divine within, as well as thought-provoking evaluations of this remarkable spirituality, *Witch Crafting* is the special volume that you've been searching for. Whether you are a beginner or have been practicing Witchcraft for years, whether you worship in a coven or on your own, *Witch Crafting* is the ideal handbook for you, or anyone seeking to unlock the divine power that makes real magic happen and experience the ecstasy, energy, and gifts of the Universe more fully.

Stewart Farrar Hay House, Inc
The twentieth anniversary edition of *The Spiral Dance* celebrates the pivotal role the book has had in bringing Goddess worship to the religious forefront. This bestselling classic is both an unparalleled reference on the practices and philosophies of Witchcraft and a guide to the life-affirming ways in which readers can turn to the Goddess to deepen their sense of personal pride, develop their

inner power, and integrate mind, body, and spirit. Starhawk's brilliant, comprehensive overview of the growth, suppression, and modern-day re-emergence of Wicca as a Goddess-worshipping religion has left an indelible mark on the feminist spiritual consciousness. In a new introduction, Starhawk reveals the ways in which Goddess religion and the practice of ritual have adapted and developed over the last twenty years, and she reflects on the ways in which these changes have influenced and enhanced her original ideas. In the face of an ever-changing world, this invaluable spiritual guidebook is more relevant than ever.

A Rebirth of the Ancient Religion of the Goddess: 20th Anniversary Edition Harper Collins

Because the classic writings on the Qabala have been expressed primarily in the terminology of the Western Mystery Tradition or in terms of the ceremonial magician, its usefulness as a tool for the Craft has been overlooked. With this book, Ellen Cannon Reed -- a High Priestess of the Isian tradition -- brings the symbolism of the Qabala into a new light so pagans

can see its value and use it to enhance the Great Work. Reed explains the Tree of Life -- the primary symbol used to represent the universal energies as "revealed" by the Qabala -- and how its spheres and paths correspond to elements in the pagan tradition. Teachers can use the Qabala to understand the growth of students and their problems, using the Vices and Virtues to recognize stages of growth. Reed also provides exercises, meditations, and encouragement to students who are studying without a teacher. She discusses the Qabala as it appears in everyday life, which spheres of the Tree of Life to use for specific workings, and details two rituals using the Tree: a Dedication to the Journey, and the Rite of mending Love. Reed's command of the material allows teachers and students alike to gain powerful insight into their own search for spirituality. First published in 1983 as *Witches Qabala Book 1: The Goddess and the Tree*, this revised and updated edition is enhanced with Reed's thirteen additional years of experience.

The Complete Dictionary of European Gods and Goddesses Robert Hale
Written to fill an existing gap in the

current available knowledge on trance, prophesy, deity-possession, and mediumship within the neo-Pagan and Wiccan communities, *Lifting the Veil* was developed from Janet Farrar and Gavin Bone's personal work and public workshops on trance-prophesy and ecstatic ritual over the last 20 years. The book covers the history and modern practice of trance as well as the methods of practice, including ecstatic ritual, drawing down the moon, sex magic, and working with the spirits of the dead. It also explores the Four Keys, which include the importance of understanding mythical cosmology and psychology, understanding the role of energy in trance, the nature of spirits and deity, and understanding what trance is and the techniques involved. Because trance-prophesy is a very subjective process, the book includes descriptions of the personal experiences of others and transcriptions from several independent sessions by modern seers and priestesses.

Book of Hours Citadel Press

Explores the growth, suppression, and modern reemergence of witchcraft as a religion, demystifying a misunderstood

and maligned tradition and pointing out its relationship to feminism.

The Witches' God Llewellyn Worldwide

The ethical way to perform healing spells, love spells, weather spells, sex magic, and more—from the authors of *A Witches' Bible*. This book covers all aspects of spell-making—including psychic self-defense, sex magic, cabalistic magic, and talismans. There is a generous collection of actual spells, past and present, drawn from history, literature, folklore, old grimoires, and the years of experience of the authors, respected Wiccans and leaders in the pagan world. *Spells and How They Work* is part of *The Paranormal*, a series that resurrects rare titles, classic publications, and out-of-print texts, as well as publishes new supernatural and otherworldly ebooks for the digital age. The series includes a range of paranormal subjects from angels, fairies, and UFOs to near-death experiences, vampires, ghosts, and witchcraft.

The Horned God of the Witches The Witches' Goddess
The Feminine Principle of Divinity
This important work provides a unique, single-volume reference to more than a thousand goddesses of the world.

The book is also of enormous practical value in discovering and celebrating the transforming love of the Goddess. The Witches' Goddess falls into three main sections. Part I reveals the many faces of the Goddess: her presence throughout history, her Earth and Moon symbolism, her Madonna and Magdalene disguises, her revelation in Woman and her influence today. In Part II, the Farrars share detailed Craft rituals for involving the Goddess in thirteen of her many aspects from Ishtar to Isis, from dark Hecate to Aphrodite. Part III is an alphabetical listing of more than a thousand goddesses of the world, giving a brief history and the main correspondences for each. All three sections have helpful line drawings and diagrams in addition to the photographic illustrations accompanying the text. The Witches' Goddess is an invaluable contribution to the literature on the Goddess principle, written at a time when that principle is inspiring or disturbing Western thought more than it has for many centuries. The Witches' GodLord of the Dance

An illuminating exploration of Ireland's ancient dark goddess - the beloved

"phantom queen" of the Celtic world - with practices for modern-day devotees. The Morrigan is Pagan Ireland's dark goddess. Her name is translated as "phantom queen" or "great queen." The Morrigan is a goddess of war and sexuality, witchcraft and death, protection and retribution. This goddess of justice is classified among the Sidhe - Ireland's fairies - but she may have a mermaid incarnation, as well. The Morrigan dates back at least to Ireland's Iron Age, but she is as modern as she is ancient - with the possible exception of the witch goddess Hecate, the Morrigan is currently the most popular Pagan goddess. Author Courtney Weber provides a guide to this complex, mysterious goddess that encompasses practical veneration with modern devotionals, entwined with traditional lore and Irish-Celtic history. Progressive Witchcraft Phoenix Pub

Everywhere, the witches are rising. Are you ready to answer the call and embrace your own inner witch? In this book, Indigenous seer, healer, and spirit communicator third-generation Witch Juliet Diaz guides you on a journey to connect with the Magick within you. She explains how to cast off what doesn't serve you,

unleash your authentic self, and become an embodiment of your truth. You'll also learn the skills and techniques you need to build your own Magickal craft. Within these enchanted pages you'll discover how to:

- Connect with the power of your inner witch
- Create spells, potions, and rituals for love, protection, healing, manifestation and more
- Amplify your energy by working with a Book of Shadows
- Create an altar and decorate it according to the seasons
- Work with the Moon and the Seasons of the Witch
- Connect with your ancestors to receive their wisdom

Filled with Magick, inspiration, and love, *Witchery* is your guide and companion on a wickedly delicious journey to true self-empowerment.

The Healing Craft David & Charles

A look into the underlying principles behind modern magic in Witchcraft, this investigation provides an integrated training system for both solitary Witches and coven-based trainees in the form of magical energy practice and cosmology. By fully explaining the values of Witchcraft, this work makes numerous Wiccan practices approachable, including Circle casting, raising energy, elemental

work, and drawing down the moon. Illustrating how Wicca is a modern, nondogmatic, and dynamic tradition still in a state of evolution, this book also features a history of the spirituality of Witchcraft.

Prayers to the God Weiser Books

A great source for anyone interested in Wicca, from seekers just beginning on the path of the old ways to those thirsting for more knowledge about its inner practices. It will also be an invaluable resource for anyone running (or planning to run) training groups.

A Witches' Bible Skylight Press

A wiccan high priestess with a master's degree in counseling offers real-life case studies and examples of what has worked--and what hasn't--in forming a coven.

Progressive Witchcraft and

Connection to the Divine Weiser Books
Cunningham's classic introduction to Wicca is about how to live life magically, spiritually, and wholly attuned with nature. It is a book of sense and common sense, not only about magick, but about religion and one of the most critical issues of today: how to achieve the much needed and wholesome relationship with our

Earth. Cunningham presents Wicca as it is today: a gentle, Earth-oriented religion dedicated to the Goddess and God. Wicca also includes Scott Cunningham's own Book of Shadows and updated appendices of periodicals and occult suppliers.

Wicca and the Christian Heritage Red Wheel/Weiser

From the best-known authors on witchcraft, a three-part reference for discovering and celebrating the Female Principle of Divinity. The Witches' Goddess is of great practical value in discovering and celebrating the transforming energy of the Female Principle of Divinity. A companion to The Witches' God, this is an important, three-part work by the Farrars, providing an in-depth exploration of the Goddess in her many aspects at a time when Western Culture is awakening to the influence of Feminine Divinity, both individually and collectively. In part one, they outline the numerous faces of the Goddess: her presence throughout history, her Earth and Moon symbolism, her Madonna and Magdalene disguises, her revelation in Woman, and her influence today. In part two, they examine thirteen goddesses from history, including Ishtar,

Isis, Hecate, and Aphrodite, and offer rituals for invoking them. Part three is a comprehensive dictionary of more than 1,000 goddesses from cultures all over the world and throughout time. Each section features helpful line drawings, diagrams, and photographic illustrations. The Witches' Goddess is part of The Paranormal, a series that resurrects rare titles, classic publications, and out-of-print texts, as well as publishes new supernatural and otherworldly ebooks for the digital age. The series includes a range of paranormal subjects from angels, fairies, and UFOs to near-death experiences, vampires, ghosts, and witchcraft.

A Witches' Bible HarperCollins Publishers

The Healing Craft is the first work of its kind aimed toward the Pagan market. Although directed at those seeking to use the healing arts from a purely Pagan perspective, it will be useful to any who are interested in complementary therapies. Written with this in mind, The Healing Craft is both academic and practical, combining chapters on the necessary information required to be a healer (e.g. chapters on the physical and

spiritual body) with several chapters designed to increase the reader's skills in several different healing techniques. All the chapters bring together both the orthodox medical viewpoint with that of the complementary therapist. Included within the book are chapters on Spiritual

Healing, Massage and Aromatherapy, Shamanistic and Magical Practices, Counselling (with Tarot and Past Life Regression) plus a chapter on Last Rites. Obviously it is impossible to do justice to many of these subjects in a single chapter,

so they have been written to guide the reader to what they will need to learn to heal others effectively, while offering basic practical skills. This makes *The Healing Craft* an invaluable guide to those seeking to practice healing from a holistic pagan viewpoint.
