LIN TESSA

Butchering Chickens Independently Published

Presents an overview on beef cattle, and offers advice on buying, raising, caring, marketing, and selling them.

Simon and Schuster

Storey's Guide to Raising Sheep is the best-selling, most trusted reference for farmers and backyard homesteaders with any size flock. The fifth edition is now updated with full-color illustrations and photographs throughout, including a gallery of the best breed choices for both meat and fiber. With their small size and gentle dispositions, sheep are one of the easier livestock species to raise and offer varied marketing opportunities, including meat, wool, and milk. Detailed instructions and graphics lead readers through every essential procedure, including shearing, building a lambing shed, breeding and lambing, butchering, and marketing.

Breeds, Care, Marketing Storey Publishing

Covering everything from feeding, housing, and collecting eggs to quirky behaviors and humane treatment, Caughey's engaging advice helps children understand the best ways to care for their chickens. Spark enthusiasm with creative activities like chicken forts and a veggie piñata for the flock, and feed more than the imagination with egg-centric dishes like Mexican egg pizza.

The Urban Farm Store's Guide to Chicken Keeping READ BOOKS

Expert advice on selecting breeds, caring for chicks, producing eggs, raising broilers, feeding, troubleshooting, and much more.

How to Speak Chicken Chelsea Green Publishing

Your Backyard is the New Farm! Whether you want two chickens or two hundred, this manual will guide you along your journey to successfully raising chickens.

Breeds, Care, Health Storey Publishing

Poultry Breeds is a fresh field guide of feathered friends with stunning photos highlighting the beauty and unique attributes of 104 chicken, duck, goose, and turkey breeds. Each profile outlines the bird's history, physical characteristics, and common uses, with specially noted fun facts sprinkled throughout. This pocket-size, browsable guide is easy to use, and author Carol Ekarius knows her birds: she has been writing about livestock for nearly 20 years and has raised her own for decades.

The Beginner's Guide to Raising Chickens Storey Publishing

Explains the advantages of chickens, ducks, and geese, describes popular breeds, and provides practical advice on breeding, housing requirements, feed, and health care

Storey's Illustrated Guide to Poultry Breeds Storey Publishing

Whether you're running a farm or interested in keeping a few backyard birds, Storey's Guide to Raising Poultry covers everything you need to know to successfully raise your own chickens, turkeys, waterfowl, and more. Stressing humane practices throughout, Glenn Drowns provides expert advice on breed selection, housing, feeding, behavior, breeding, health care, and processing your own meat and eggs. With tips on raising specialty species like doves, ostriches, and peafowl, you'll be inspired to experiment with new breeds and add diversity to your poultry operation.

Breeds, Care, Dairying, Marketing Storey Publishing

Serious poultry farmers and backyard bird raisers have relied on this best-selling reference for more than 20 years. The fourth edition of Gail Damerow's comprehensive handbook is now completely

revised and redesigned, making it more accessible and informative than ever. You'll get the most up-to-date details on shelter, food, health care, eggs, chicks, and meat, and recent research into chicken behavior and communication makes the sections on flock management truly authoritative. New color photos and illustrations provide more specificity and information about chicken breeds, anatomy, and health.

Storey's Guide to Raising Dairy Goats, 5th Edition Storey Publishing

A guide to raising one chicken or one hundred. It features topics from starting a backyard flock to putting eggs on the table.

Ten Years of Success Storey Publishing

Jenna Woginrich chronicles the life journey of three chickens (Amelia, Honey, and Tilda) from fluffy, newly hatched bundles to grown hens laying eggs of their own. As you watch these chickens grow, you'll learn everything you need to know about chicken behavior, feeding, housing, and health care. This playfully informative guide will inspire you to confidently raise your own feathered flock.

Guide to Raising Chickens Simon and Schuster

A beginner's guide to ruling the roost and raising happy backyard chickens The Beginner's Guide to Raising Chickens makes it easy to start keeping these surprisingly smart birds right in your own backyard. From constructing coops to rearing chicks, you'll learn everything you need to know to make sure your chickens stay happy and healthy all year round. Which breed of chicken is right for you? What's the best bedding material? What sort of feed should you use? Expert chicken keeper Anne Kuo answers these questions—and many others—in this fun and friendly reference book that will get you excited to raise your new feathered friends. This book on raising chickens guides you through: Getting from the chicken to the egg—Find out how to raise chicks, keep your birds safe from predators, introduce new birds to the flock, and more. Creating a custom coop—Build the perfect home for raising chickens with detailed backyard coop construction guides. Expert care advice—Learn how to identify different behaviors in your chicken, help solve egg shortages, and navigate a range of potential surprises with confidence. Get your first flock started successfully with The Beginner's Guide to Raising Chickens.

Storey's Guide to Raising Poultry Norton Creek Press

The most comprehensive guide to date on raising all-natural poultry for the small-scale farmer, homesteader, and professional grower. The Small-Scale Poultry Flock offers a practical and integrative model for working with chickens and other domestic fowl, based entirely on natural systems. Readers will find information on growing (and sourcing) feed on a small scale, brooding (and breeding) at home, and using poultry as insect and weed managers in the garden and orchard. Ussery's model presents an entirely sustainable system that can be adapted and utilized in a variety of scales, and will prove invaluable for beginner homesteaders, growers looking to incorporate poultry into their farm, or poultry farmers seeking to close their loop. Ussery offers extensive information on: The definition of an integrated poultry flock (imitation of natural systems, integrating patterns, and closing the circle) Everything you need to know about your basic chicken (including distinctive points about anatomy and behavior that are critical to management) Extended information on poultry health and holistic health care, with a focus on prevention Planning your flock (flock size, choosing breeds, fowl useful for egg vs. meat production, sourcing stock) How to breed and brood the flock (including breeding for genetic conservation), including the most complete guide to working with broody hens available anywhere Making and mixing your own feed (with tips on equipment, storage, basic ingredients, technique, grinding and mixing) Providing more of the flock's feed from sources grown or self-foraged on the homestead or farm, including production of live protein feeds using earthworms and soldier grubs Using poultry to increase soil fertility, control crop

damaging insects, and to make compost-including systems for pasturing and for tillage of cover crops and weeds Recipes for great egg and poultry dishes (including Ussey's famous chicken stock!) And one of the best step-by-step poultry butchering guides available, complete with extensive illustrative photos. No other book on raising poultry takes an entirely whole-systems approach, or discusses producing homegrown feed and breeding in such detail. This is a truly invaluable guide that will lead farmers and homesteaders into a new world of self-reliance and enjoyment.

[The Joy of Keeping Chickens](#) Storey Publishing

Gail Damerow shows you how to incubate, hatch, and brood baby chickens, ducklings, goslings, turkey poults, and guinea keets. With advice on everything from selecting a breed and choosing the best incubator to feeding and caring for newborn chicks in a brooder, this comprehensive guide also covers issues like embryo development, panting chicks, and a variety of common birth defects. Whether you want to hatch three eggs or one hundred, you'll find all the information you need to make your poultry-raising operation a success.

[The Backyard Chicken Bible](#) Williamson Books

For backyard chicken keepers and large-scale farmers alike, the single greatest challenge is protecting poultry from predators. What's Killing My Chickens? is the essential guide to identifying the culprit and ensuring safety for the flock. Often, by the time an attack is discovered, the predator has already left the scene. Best-selling author and chicken expert Gail Damerow uses the style of a detective manual to teach readers how to follow clues such as tracks, trails, scat, and other signs to identify the attacker. Predator profiles describe key habits of each one and best techniques for blocking their access to the coop and yard, including removing attractants, using poultry guardians and lighting, and installing the most effective type of fencing. This empowering book offers essential knowledge, and peace of mind, for every chicken keeper. This publication conforms to the EPUB Accessibility specification at WCAG 2.0 Level AA.

[Backyard Chickens: A Practical Handbook to Raising Chickens](#) Storey Publishing

A comprehensive guidebook for those interested in raising poultry on pasture, this reference is organized in an easy-to-use format with topics ranging from brooding to processing, laying hens to broilers and turkeys, shelter designs, and marketing. (Technology-Agriculture)

[An Illustrated Reference](#) Storey Kids

If self-sufficiency and raising your own food is important to you, this book will help you pull together a complete farm-to-table experience. Gone are the days when grandma headed to the chicken coop in search of dinner. In this day and age, when fewer and fewer people know where their food comes from, *How to Raise Chickens for Meat* helps families take control of their food supply once again. Divided into four easy-to-navigate sections, *How to Raise Chickens for Meat* is packed with practical information. The first section, Getting Started, includes information on breed specifics, timing, and

quantity. This section will help you analyze options and make informed decisions as you get started. The second section, Care & Feeding, dives into the specifics of keeping your flock healthy. Learn how to set up a brooder, what to feed your chickens, how to safely pasture them, and how to keep your flock stress-free. The third section, Butchering, prepares you for one of the more challenging parts of raising chickens for meat. It addresses some of the emotions you may feel along with the actual process of butchering and provides practical tips to make it easier. It also discusses alternative options if you don't want to process your own chickens. The book concludes with cooking tips and delicious tried and true farm-to-table recipes to impress even the most doubtful family member! *How to Raise Chickens for Meat* is the resource your homestead library has been missing.

[An Absolute Beginner's Guide to Keeping Backyard Chickens](#) Storey Publishing

Discover how raising your own meat goats can be a fun and profitable endeavor. Offering plenty of tips for creating an economically viable operation and identifying niche markets for your products, Storey's Guide to Raising Meat Goats shows you how to care for a thriving and productive herd full of healthy and happy animals.

[Chickens, Ducks, Geese, Turkeys: The Pocket Guide to 104 Essential Breeds](#) Storey Publishing

The Backyard Chicken Handbook is an authoritative guide, from a fourth-generation chicken keeper, bringing simple yet practical knowledge which covers all aspects of raising healthy and happy chickens. This handbook covers: selecting the perfect chicken breed, feeding your hens, healthy egg laying, chicken behavior (including bullying) and how-to treat common chicken health issues. The handbook is suited to both first time keepers and veterans by providing varying degrees of detail to keep both readers engaged. Full color photos and illustrations throughout provide specific examples of chicken anatomy, health and behavior.

[Storey's Guide to Raising Chickens, 4th Edition](#) Storey Publishing

For 17 years readers have turned to Storey Books for advice on raising animals. Our Modern Way series of six books has sold more than 1,000,000 copies. In an effort to provide readers with the best how-to animal books on the market we are completely updating all six Modern Way titles and reintroducing them as part of our Guide to Raising series. Written by experts, these guides give novice and experienced livestock farmers all they need to know to successfully keep and profit from animals. Each book includes information on selection, housing, space requirements, breeding and birthing techniques, feeding, behavior, and health concerns and remedies for illness. The books also address the business of raising animals -- processing meat, milk, eggs, and more. The authors were chosen not only for their expertise but also for their ability to explain the ins and outs of animal husbandry in an inviting and authoritative manner. Whether readers are ready to start an entire herd or flock or are considering purchasing their first animal, Storey's Guide to Raising series offers vital information; each book is an indispensable reference.
