New York Times bestselling author Beth Harbison whips together a witty and charming--and delicious--story about the secrets we keep, the friends we make, and the food we cook. **MUST LOVE BUTTER: The Cookbook Club** is now open to members. Foodies come join us! No diets! No skipping dessert! Margo Everson sees the call out for the cookbook club and knows she's found her people. Recently dumped by her self-absorbed husband, who frankly isn't much of a loss, she has little to show for her marriage but his 'parting gift'—a dilapidated old farm house—and a collection of well-loved cookbooks Aja Alexander just hopes her new-found friends won't notice that that every time she looks at food, she gets queasy. It's hard hiding a pregnancy, especially one she can't bring herself to share with her wealthy boyfriend and his snooty mother. Trista Walker left the cutthroat world of the law behind and decided her fate was to open a restaurant...not the most secure choice ever. But there she could she indulge her passion for creating delectable meals and make money at the same time. The women bond immediately, but it's not all popovers with melted brie and blackberry jam. Margo's farm house is about to fall down around her ears; Trista's restaurant needs a makeover and rat-removal fast; and as for Aja, just how long can you hide a baby bump anyway? In this delightful novel, these women form bonds that go beyond a love grilled garlic and soy sauce shrimp. Because what is more important in life than friendship...and food?

**Bitch, Please. I'm From Burlington.** HarperCollins

Aristotle and Dante Discover the Secrets of the Universe meets I'll Give You the Sun in an exhilarating and emotional novel about the growing relationship between two teenage boys, told through the letters they write to one another. Jonathan Hopkirk and Adam "Kurl" Kurlansky are partnered in English class, writing letters to one another in a weekly pen pal assignment. With each letter, the two begin to develop a friendship that eventually grows into love. But with homophobia, bullying, and devastating family secrets, Jonathan and Kurl struggle to overcome their conflicts and hold onto their relationship...and each other. This rare and special novel celebrates love and life with engaging characters and stunning language, making it perfect for fans of Jandy Nelson, Nina LaCour, and David Levithan.

The author of *Beyond Enkription* and the rest of *The Burlington Files* series is Bill Fairclough who was born in England in 1950. In 1978 he founded a

niche global intelligence organisation known as "Faire Sans Dire." The series is based on Bill Fairclough's life and some of Faire Sans Dire's activities. Beyond Enkription is the first novel in the series of six novels to be published. The series covers events involving Bill, his beguiling family and his double-dealing colleagues ranging from the First World War to 9/11, the related Nisha incidents and beyond. The series even covers new revelations about the Edward Snowden affair and has been or is being written with film adaptation in mind. Nevertheless each book is or will be a standalone novel albeit each one might comprise several films and/or television series. The first novel is set in 1974 in the heart of the Cold War. It is about a wayward accountant, Edward Burlington aka Bill Fairclough. In 1974 he is unwittingly working as an agent for MI6 by night whilst auditing beans during the day and is nearly murdered not just once but four times between March and June 1974. For his own safety Edward is underhandedly despatched to work as an accountant in Nassau only to be recruited by the CIA and face more death defying moments in the Bahamas, Brazil and Haiti before the year's end. Meanwhile his family are sucked inexorably into the perfidious mess and intrigue surrounding Edward's double life and their own machinations. The repercussions of the Burlington family's activities resonate from Kinshasa to Islamabad via Washington and Westminster and back. Nothing is what it seems to be in this treacherous novel where disinformation is the norm. Beyond Enkription is a family yarn and history; a spy novel and espionage reference book; a mystery and suspense thriller and more besides: a realistic tale of a dynastic duplicitous family that knows instinctively the knack of survival. The brutal opening contrasts well with the tantalising and duplicitous Prologue yet the physicality of the opening chapter is arguably far less vicious than the cerebral scheming that ensues. The book is a distinctive memorable and realistic read full of captivating characters. Its intertwined plots would have challenged Aristotle's intellect. So, when you read it, if you don't think so then you may have lost the plot! As one connoisseur put it succinctly ... "question everything you assume isn't disinformation." Critics described Beyond Enkription as "A compelling, provocative and beguiling spy novel: a must for connoisseurs ..." and "Brutal ab initio, cerebral thereafter but forever realistic ..." As for its realism you can always contrast Bill Fairclough's past on WikiTree or LinkedIn with Edward Burlington. Just how real can you get? We hope you enjoy reading it and succeed in differentiating between fact, fiction and disinformation. Please see <http://www.theburlingtonfiles.org>, <http://www.fairesansdire.org>, <http://uk.linkedin.com/in/billfairclough> and <http://www.wikitree.com/index.php?title=Fairclough-119&public=1> for more information ... assuming the authorities haven't closed down our websites by now and the other websites haven't tried to extinguish all evidence of knowledge of The Burlington Files!

A Booktrib "Romance to get you in the swing for Wedding Season" of 2019 A Book Riot "Five New Diverse Romantic Comedies" Bustle's "21 new summer novels to spice up your summer reading" To Leila Abid's traditional Indian parents, finding a husband is as easy as match, meet, marry. Yes, she wants to marry, but after 26 years of singledom, even Leila is starting to get nervous. And to make matters worse, her parents are panicking, the neighbors are talking, and she's wondering, are her expectations just too high? But for Leila, a marriage of arrangement clashes with her lifelong dreams of a Bollywood romance, where real love happens before marriage, not the other way around. So she decides it's time to stop dreaming and start dating. It's an impossible mission of satisfying her parents' expectations, while also fulfilling her own western ideals of love. But after a series of speed dates, blind dates, online dates and even ambush dates, the sparks just don't fly! Now, with the marriage clock ticking, and her 3-month deadline looming in the horizon, Leila must face the consequences of what might happen if she doesn't find "the one..."

*Caring for Mind, Body, and Soul* New Burlington Book

The New York Times bestselling novel from the author of the Reverend Curtis Black series... ADDICTION. DECEPTION. PRETTY PICTURES HIDE UGLY SECRETS. Denise and Derrek Shaw are the perfect American couple. Happily married for fifteen years, they have a wonderful daughter, Mackenzie, successful careers, and a beautiful home in a posh Chicago suburb. They are attractive, respected . . . and hiding a shocking secret: a dangerous addiction to drugs. It started innocently enough. Denise occasionally used prescription drugs to help her deal with the long hours and demanding nature of her job. Derrek, also under pressure at work, began using cocaine socially with some of his colleagues. They can quit whenever they want to. At least, that's what Denise would like to believe . . . As her job becomes more stressful, Denise can no longer get through the day without a fix. Derrek realizes his harmless habit has become anything but, and desperately wants to get clean. However, his attempts are derailed when there is a sudden family tragedy. Once soul mates, now this husband and wife are quickly losing the immense love that had been the cornerstone of their marriage. With her parents spiraling out of control, Mackenzie makes an unexpected move to take matters into her own hands. Is her sacrifice too late-or is there still hope? Is there a final chance to save the Shaw family?

THE USA TODAY BESTSELLER New York Times bestseller Julia Spencer-Fleming returns to her beloved Clare Fergusson/Russ Van Alstyne mystery series with new crimes that span decades in *Hid from Our Eyes*. "New parents Clare Fergusson and police chief Russ Van Alstyne tackle three copycat murders and one testy baby in this riveting addition to an acclaimed series" —People magazine 1952. Millers Kill Police Chief Harry McNeil is called to a crime scene where a woman in a party dress has been murdered with no obvious cause of death. 1972. Millers Kill Police Chief Jack Liddle is called to a murder scene of a woman that's very similar to one he worked as a trooper in the 50s. The only difference is this time, they have a suspect. Young Vietnam War veteran Russ van Alstyne found the body while riding his motorcycle and is quickly pegged as the prime focus of the investigation. Present-day. Millers Kill Police Chief Russ van Alstyne gets a 911 call that a young woman has been found dead in a party dress, the same MO as the crime he was accused of in the 70s. The pressure is on for Russ to solve the murder before he's removed from the case. Russ will enlist the help of his police squad and Reverend Clare Fergusson, who is already juggling the tasks of being a new mother to her and Russ's baby and running St. Alban's Church, to finally solve these crimes. Readers have waited years for this newest book and Julia Spencer-Fleming delivers with the exquisite skill and craftsmanship that have made her such a success.

This is the first history of the Green Mountain State's largest city, home of the state university, and commercial and retail center for a majority of Vermonters, and enjoyed by the Quebecois who live just across the Canadian border. It is a story that outlines the development of a small village nestled between a river and a lake that became one of New England's urban jewels: the economic "engines" that nurtured the community; the various ethnic groups that settled in Burlington; and the political shifts that announced cultural changes. Burlington: A History of Vermont's Queen City provides the stories of the people, places, and events that resulted in the buildings, streets and neighborhoods of today. With 28 photographs, an 1898 city map, and extensive index.

Roger Fry (1866-1934) is best known as a champion of Post-Impressionism and a pioneer of Modernist art criticism. But his first love was early Italian painting, on which he became a recognized authority, publishing a monograph on Giovanni Bellini in 1899. Even after the Post-Impressionist exhibitions in 1910 and 1912 and the foundation of the Omega Workshops, Fry continued to write and lecture on Italian art right up until his death. He looked at modernism through Quattrocento eyes rather than the other way around, as is often wrongly assumed. It is impossible not to be struck by how fresh and immediately readable his writings are, how pioneering in some ways his approach remains. His work on Italian art modifies the received view of him as a pure formalist. Apart from a famous article on Giotto which Fry republished in *Vision and Design* (1920), the writings on Italian art are relatively little known, and a selection of the best of them is republished here, thus introducing an important aspect of Fry's many-sided work to a new audience. The first part of the book sets Fry's writing on Italian art into context by combining intellectual biography with the history of art history, art criticism and art institutions. It draws on new documentary material, including Fry's travel notebooks, which contain sketches and brilliant observations taken down in front of works of art. By exploring the whole range of Fry's published and unpublished writings, the author is able to refute erroneous received ideas - that he was uninterested in color, for example. The influence of his Italian lectures and publications on such figures as E.M. Forster, Kenneth Clark and Michael Baxandall is also examined. The second part consists of writings by Fry - each with an introductory text by the author and fully illustrated in color. Included in this volume are some of the unpublished lectures that his biographer Virginia Woolf suggested would make a fascinating book of extracts. Four long pieces are of outstanding interest - on Uccello, Piero della Francesca, Baldovinetti and Piero di Cosimo, all artists whose critical status was radically re-examined in the twentieth century. Fry had a close and lifelong connection with *The Burlington Magazine*, as co-founder, contributor, saviour-fundraiser, editor (1909-1919) and adviser. Roger Fry and Italian Art is appropriately the first in a series of books on art history to be published by *The Burlington Magazine* and Ad Ilissvm in association - to be announced in due course.

THE LATEST NOVEL FROM YA SENSATION BETHANY C. MORROW Meet Naema Bradshaw: a beautiful Eloko, once Portland-famous, now infamous, as she navigates a personal and public reckoning where confronting the limits of her privilege will show Naema what her magic really is, and who it makes her. Teen influencer Naema Bradshaw has it all: she's famous, stylish, gorgeous--and she's an Eloko, a charismatic person gifted with a melody that people adore. Everyone loves her--until she's cast as the villain who exposed a Siren to the whole world. Dragged by the media, and canceled by

her fans, no one understands her side: not her boyfriend, not her friends, not even her fellow Eloko. Villified by those closest to her, Naema heads to the Southwest where she is determined to stage a comeback... to her family, her real self, and the truth about her magic. What she finds is a new community in a flourishing group of online fans who support her. At first, it feels like it used to--the fandom, the adoration, the community that takes her side--but when her online advocates start targeting other Black girls, Naema will realize that--for Black girls like her--even the privilege of fame has its limits. And only Naema can discover the true purpose of her power, and how to use it. "A watery and melodic crossroads of the real and the mythic, *A Chorus Rises* lures readers with its seductive and beautifully Black siren song. An enthralling tale of Black girl magic and searing social commentary ready to rattle the bones." —Dhonielle Clayton, New York Times bestselling author of *The Belles* series *A Chorus Rises* is a timely confrontation of the evolving nature of popularity in a society that chooses "exceptions" and rewards "model minorities."
