Do you lack
the motivation
and drive to
pursue your
dreams? Does
your dream
seem out of
your grasp?

Paul Coelho
had only one
dream. It was
to be a writer.
After many
twists and
turns in life
and at 39
years old, Paul
decided that
he would
leave his
moneymaking
career as a
songwriter
and pursue
the dream he
was set out
for. The
Alchemist is a
best-selling
book that Paul
have lived.
The Alchemist
is an inspiring
fable, a
metaphoric
tale by Paul
Coelho that
reflects his
own journey
and soul. It

teaches us to
listen to our
hearts, follow
our dreams
and go after
what we set
out to be.
"Don't give in
to your fears.
If you do, you
won't be able
to talk to your
heart." - Paul
Coelho This
book is not
just about
realizing your
dreams and
going for it.
This book will
take you on a
journey of
self-discovery,
as you learn
to
acknowledge
what your
heart tells you
and be drawn
by what you
really love. As
Paul Coelho

says, giving in to your fears will only block out the connection we have with our hearts. The Alchemist serves as a great reminder to reconnect with our hearts, search within ourselves for what we really want and rescue our abandoned dreams. Get ready, for you will not be the same again. P.S. P.S. If you truly want to learn more about finding your dreams and gaining directions in life, this book

trail for generations to come. Bethany Hamilton Follow Your Dreams, Little One All Groan Up: Searching for Self, Faith, and A Freaking Job! is the story of the GenY/Millennia I generation told through the individual story of author Paul Angone. twentysometh ing post-college audience with raw honesty, humor, and hope. *Capture Your Dreams - Record Your Thoughts* Createspace Independent Publishing Platform "Dreams are made to be followed. Life is meant to be lived" - The Alchemist Broken dreams is a story of a boy and his childhood in a conservative society. Little Boy travel's from home to different paths of life in

search of his dream. His dream of building a hospital in his poor village keeps him awake all the night. In the midst of this, he falls in love with a girl, but destiny had written something else for him. He ends up with another girl which does not work for him. Confused and dedicated at the same time, he works day and night for his dream and ultimately finds a way to fulfill it. In the end he wins the race

against time. But love ends-up his life. It is well said that "where there is a will, there is a way". One should never give-up to achieve the dreams. Keep dreaming and keep following them. If you try, doors open and those dreams become reality. So dream and live your life. There is nothing impossible in this world.
