To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman doesn't want

to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know. From, Your Secret Not Admirer

I don't know who to believe, but I know that this place is full of lies and secrets. Easton Bay has risked everything to protect me, but that doesn't mean that he didn't do what they had accused him of. I am in love with him. I am supposed to be his wife, but this changes everything. The King has turned on him. I'm Easton's only hope. But it's only a matter of time before they turn on me, too. Is my fate sealed? *Previously published as Throne of York Praise for Charlotte Byrd "Decadent, delicious, & dangerously addictive!" - Amazon Review ★★★★★ "Titillation so masterfully woven, no reader can resist its pull. A completely heartbreaking and utterly gripping page-turner
Duke University Press

The war is over and blackouts are a thing of the past, except in the village of Melchester, where the local council has refused to

sully its streets with unsightly lamps. The night is pitch black, but hardly quiet. Young lovers are rendezvousing, a police constable is helping himself to a few of his neighbor's partridges, and a poet is going to visit his beloved, a new verse on his lips. She will never hear it, sadly, for the young man is stopped along his way - stopped forever, by the tight grip of the garrote. The local constabulary wastes no time reaching out to Scotland Yard, which sends its best man: the easygoing detective-inspector Littlejohn. In Melchester he will find unspeakable secrets - and one citizen whose soul is as dark as the village night.

'UNPUTDOWNABLE.' Book Reviews by Shalini, □□□□□ They find her just as the sun is beginning to rise in the early morning mist. They had begun at dawn, the group of searchers keen to get going. A missing child spurred everyone on. In the end, it was a flash of colour, a bright neon pink that caught her eye. They had been looking for pink. Nothing tests your faith like being a mother. The first time your children walk to school alone, their first sleepover, when they finally fly the nest. As a parent, you have to believe that everything will be OK. It's why, when Lydia's sixteen-year-old daughter Zoe goes on a school camping trip, she has no idea of the horrors that will unfold. It's why, when Lydia gets a call saying that her daughter has disappeared, she refuses to give up. As she searches the mountains, her voice hoarse from calling Zoe's name, she imagines finding her. She envisions being flooded with relief as she throws her arms around her child,

saying, 'you gave us such a scare'. She pictures her precious girl safely tucked in bed that evening. It's why, when they find Zoe's body, Lydia can barely believe it. It is unthinkable. Her little girl has gone. Something terrible happened, she is sure of it. Something made Zoe get out of her sleeping bag in the middle of the night, walk out of the warmth and safety of the cabin, into the darkness of the mountains. Driven by the memory of her youngest child, Lydia needs to find out the truth. What kind of mother would she be if she didn't? A heartbreaking, redemptive and beautifully crafted novel which brings to life a mother's worst nightmare, questioning how well we ever really know the people we love the most. Fans of Jodi Picoult, Kerry Fisher and Liane Moriarty will be blown away by this stirring, unforgettable tale. Readers absolutely love *The Girl Who Never Come Home*: 'Just like wow! So powerful and sad! I have never read a story quite like this one... I am truly blown away... Lots of twists and turns that I never saw coming... So very emotional that I had to have a box of tissues by my side. I stayed up until 5am so that I could finish this book.' Red Headed Book Lady, [REDACTED] 'Wow, what a heartbreaking book... A real page-turner.' NetGalley Reviewer, [REDACTED] 'Brilliant... UNPUTDOWNABLE... So powerful that I had to take a few breaths to calm my heart down... A heart-wrenching tale... to read in one go. How could I stop myself? Like the mother Lydia, I needed to know what happened to Zoé. I had to take a few minutes hugging myself before I could write this review... Left me awed. And the emotions... Oh the feelings, they left me overwhelmed. My heart just overflowed.' Book Reviews by Shalini, [REDACTED] 'I've read many of Nicole Trope's books and this one was by far the best. I'm telling you this woman does not

disappoint... I'm a big fan of Nicole Trope and all her books. I don't eat or sleep until it is finished. This one was no exception. I couldn't put this down for the life of me. I had to find out what happened to poor Zoe and why. I can't say enough good things... Definitely going to be in my top reads of the year.' Blue Moon Blogger, [REDACTED] 'Will shock you to your very core! 5+ stars! Another stunning MUST-READ from the mastermind... Masterpiece! Scott Sebastian is a liar. Fitting, since I'm a liar too. Yet there's no place for me in his glittering world of half-truths. With all our secrets in the open, I should stop trying. What I've learned should send me running far away. I can't keep pining for a man in love if I'm not the woman he's in love with. But it's not that easy to

escape the Sebastians. I already knew they owned this city. Now I'll find out if they also own their son.

"This book underscores what we have long known—Gurganus stands among the best writers of our time." —Ann Patchett

Through memorable language and bawdy humor, Gurganus returns to his mythological Falls, North Carolina, home of Widow. This first work in a decade offers three novellas mirroring today's face-lifted South, a zone revolutionized around freer sexuality, looser family ties, and superior telecommunications, yet it celebrates those locals who have chosen to stay local. In doing so, *Local Souls* uncovers certain old habits—adultery, incest, obsession—still very much alive in our New South, a "Winesburg, Ohio" with high-speed Internet. Wells Tower says of Gurganus, "No living writer knows more about how humans matter to each other." Such ties of love produce hilarious, if wrenching, complications: "Fear Not" gives us a banker's daughter seeking the child she was forced to surrender when barely fifteen, only to find an adult rescuer she might have invented. In "Saints Have Mothers," a beloved high school valedictorian disappears during a trip to Africa, granting her ambitious mother a postponed fame that turns against her. And in a dramatic "Decoy," the doctor-patient friendship between two married men breaks toward desire just as a biblical flood shatters their neighborhood and rearranges their fates. Gurganus finds fresh pathos in ancient tensions: between marriage and Eros, parenthood and personal fulfillment. He writes about erotic hunger and social embarrassment with Twain's knife-edged glee. By loving Falls, Gurganus dramatizes the passing of Hawthorne's small-town

nation into those Twitter-nourished lives we now expect and relish. Four decades ago, John Cheever pronounced Allan Gurganus "the most technically gifted and morally responsive writer of his generation." *Local Souls* confirms Cheever's prescient faith. It deepens the luster of Gurganus's reputation for compassion and laughter. His black comedy leaves us with lasting affection for his characters and the aching aftermath of human consequences. Here is a universal work about a village.

A Novel Cinnamon Crane

"This heartfelt, witty addition to women's fiction will appeal to fans of Elizabeth Berg and Anna Quindlen." (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow's fourth

novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, *The Widow Waltz* explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, "What is family, really?"

The Czech Reader brings together more than 150 primary texts and illustrations to convey the dramatic history of the Czechs, from the emergence of the Czech state in the tenth century, through the creation of Czechoslovakia in 1918 and the Czech Republic in 1993, into the twenty-first century. The Czechs have preserved their language, traditions, and customs, despite their incorporation into the Holy Roman Empire, the Habsburg Empire, the Austro-Hungarian Empire, the Third Reich, and the Eastern Bloc. Organized chronologically, the selections in The Czech Reader include the letter to the Czech people written by the religious reformer and national hero Jan Hus in 1415, and Charter 77, the fundamental document of an influential anticommunist initiative launched in 1977 in reaction to the arrest of the Plastic People of the Universe, an underground rock band. There is a speech given in 1941 by Reinhard Heydrich, a senior Nazi official and Deputy Reich Protector of Bohemia and Moravia, as well as one written by Václav Havel in 1984 for an occasion abroad, but read by the Czech-born British dramatist Tom Stoppard, since Havel, the dissident playwright and future national leader, was not allowed to leave Czechoslovakia. Among the songs, poems, folklore, fiction, plays, paintings, and photographs of monuments and architectural landmarks are "Let Us Rejoice," the most famous chorus from Bedřich Smetana's comic opera *The Bartered*

Bride; a letter the composer Antonín Dvořák sent from New York, where he directed the National Conservatory of Music in the 1890s; a story by Franz Kafka; and an excerpt from Milan Kundera's *The Joke*. Intended for travelers, students, and scholars alike, *The Czech Reader* is a rich introduction to the turbulent history and resilient culture of the Czech people.
