The full powers of Chaos are revealed as the Horus Heresy blazes towards Terra. For too long had the Vth Legion ranged out beyond the sight of the wider Imperium, remaining ignorant of the Warmaster's rebellion and the war that inevitably followed. Only once their primarch, Jaghatai Khan, had satisfied himself that the path before them was just and true did the White Scars choose a side, taking the fight to the traitors on every front. But, four years later, the Legion's unfettered spirit has been broken by relentless attritional warfare against the Death Guard and the Emperor's Children. The Khan's Stormseers must find a clear route to Terra if they are to take part in the final, apocalyptic battle.

Abandoned by their kinsmen and hounded into the Alaxxes Nebula, Leman Russ and his Space Wolves face the Alpha Legion fleet for one last, glorious battle. The Space Wolves were set upon by the forces of the Alpha Legion before they had even recovered from the Razing of Prospero. Hounded to the edge of the Alaxxes Nebula, in desperation Leman Russ called out to his primarch brothers and their Legions for aid. None came. Now, with their fleet stranded and supplies dwindling, the warriors of the Rout face almost certain death amidst the rust-red clouds of the nebula. But what a glorious end it shall be, worthy of the sagas of old, for Alpharius's sons will soon learn that a cornered wolf is always the most deadly.

In this enchanting sequel to the number one bestseller *The Five People You Meet in Heaven*, Mitch Albom tells the story of Eddie's heavenly reunion with Annie—the little girl he saved on earth—in an unforgettable novel of how our lives and losses intersect. Fifteen years ago, in Mitch Albom's beloved novel, *The Five People You Meet in Heaven*, the world fell in love with Eddie, a grizzled war veteran- turned-amusement park mechanic who died saving the life of a young girl named Annie. Eddie's journey to heaven taught him that every life matters. Now, in this magical sequel, Mitch Albom reveals Annie's story. The accident that killed Eddie left an indelible mark on Annie. It took her left hand, which needed to be surgically reattached. Injured, scarred, and unable to remember why, Annie's life is forever changed by a guilt-ravaged mother who whisks her away from the world she knew. Bullied by her peers and haunted by something she cannot recall, Annie struggles to find acceptance as she grows. When, as a young woman, she reconnects with Paulo, her childhood love, she believes she has finally found happiness. As the novel opens, Annie is marrying Paulo. But when her wedding night day ends in an unimaginable accident, Annie finds herself on her own heavenly journey—and an inevitable reunion with Eddie, one of the five people who will show her how her life mattered in ways she could not have fathomed. Poignant and beautiful, filled with unexpected twists, *The Next Person You Meet in Heaven* reminds us that not only does every life matter, but that every ending is also a beginning—we only need to open our eyes to see it.

From the author of the acclaimed *Dinner with Persephone* comes a radically original novel about four women who invite us to imagine the divine

anew: what if “a woman's point of view” were also God's? Patricia Storace's *Eve* begins by telling us her version of what happened in Eden, and by revealing that our familiar constellations conceal other heavens we have never allowed ourselves to see. Each of the four subsequent chapters is the story of one of these new zodiacs, featuring images central to women: a knife, a cauldron, a garden, a pair of embracing lovers. The four women whose stories they tell are Job's daughter, the Queen of Sheba, a polytheistic cook, and a transformed Sarah, wife of Abraham. Storace brilliantly reimagines the worlds of these women, freeing them from the old tales in which they were trapped and putting them in the foreground of their stories and of the Old Testament itself.

Bestselling author and mystic Lorna Byrne teaches us how to have more compassion for both ourselves and others and to see all the love around us in this powerful and moving book—perfect for fans of Louise Hay and Doreen Virtue. Lorna Byrne, an Irish mystic, has been seeing angels since she was a baby, but she sees even more than that. In *Love from Heaven*, she reveals for the first time that she sees love as a physical force. Lorna first became conscious that the angels were teaching her about love when she was five years old, and today she can see how love manifests in each of us. She sees that newborn babies are full of pure love and that many teenagers and adults seem surrounded at the heart level by a transparent but ironlike band, which restricts that love. We are all pure love, but nine out of ten of us have locked away most of this love within ourselves. This love remains there, though—indestructible and ready to be released, if only we can learn to love ourselves first. *Love from Heaven* will transform the way you think about love, stir up the love within, and make you more compassionate, leading to a happier life for you and those around you.

NEW YORK TIMES EDITORS' CHOICE • Set in Senegal, this modern-day *Oliver Twist* is a meditation on the power of love and the strength that can emerge when we have no other choice but to survive. “I loved this book because it is a story about generations of parents and children saving one another with a love so powerful that it transcends distance, time, and reason.”—Ann Napolitano, New York Times bestselling author of *Dear Edward* Six-year-old Ibrahimah loves snatching pastries from his mother's kitchen, harvesting string beans with his father, and searching for sea glass with his sisters. But when he is approached in his rural village one day by Marabout Ahmed, a seemingly kind stranger and highly regarded teacher, the tides of his life turn forever. Ibrahimah is sent to the capital city of Dakar to join his cousin Étienne in studying the Koran under Marabout Ahmed for a year, but instead of the days of learning that Ibrahimah's parents imagine, the young boys, called Talibé, are forced to beg in the streets in order to line their teacher's pockets. To make it back home, Étienne and Ibrahimah must help each other survive both the dangers posed by their Marabout, and the darker sides of Dakar: threats of black-market organ traders, rival packs of Talibé, and mounting student protest on the streets. Drawn from real incidents and transporting readers between rural and urban Senegal, *No Heaven for Good Boys* is a tale of hope, resilience, and the affirming power of love.

#1 NEW YORK TIMES BESTSELLER • From the author of *Small Great Things* and *A Spark of Light* comes a “powerful” (*The Washington Post*) novel about the choices that alter the course of our lives. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE Everything changes in a single moment for Dawn Edelstein. She's on a plane when the flight attendant makes an announcement: Prepare for a crash landing. She braces herself as thoughts flash through her mind. The shocking thing is, the thoughts are not of her husband but of a man she last saw fifteen years ago: Wyatt Armstrong. Dawn, miraculously, survives the crash, but so do all the doubts that have suddenly been raised. She has led a good life. Back in Boston, there is her husband, Brian, their beloved daughter, and her work as a death doula, in which she helps ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a career Dawn once studied for but was forced to abandon when life suddenly intervened. And now, when it seems that fate is offering her second chances, she is not as sure of the choice she once made. After the crash landing, the airline ensures that the survivors are seen by a doctor, then offers transportation to wherever they want to go. The obvious destination is to fly home, but she could take another path: return to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on *The Book of Two Ways*—the first known map of the afterlife. As the story unfolds, Dawn's two possible futures unspool side by side, as do the secrets and doubts long buried with them. Dawn must confront the questions she's never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our choices make us? And who would you be if you hadn't turned out to be the person you are right now?

In the autumn of 1873, one of the worst yellow fever epidemics in U.S. history swept through Shreveport. As the deadly scourge claimed a quarter of the town's population, the dedicated efforts of five missionary priests offered a call to hope, even as they laid down their own lives in the struggle. True martyrdom is vanishingly rare, extolled as the highest possible sacrifice, yet Shreveport bore abundant witness through these five saintly priests. Their heroism in the midst of this tragic chapter is captured here by a trio of authors, winding a narrative that transcends history to reveal complex themes of virtue, sacrifice and response in times of human crisis and suffering.

In this "captivating" crime novel (People), Texas Ranger Darren Mathews is on the hunt for a missing child -- but it's the boy's family of white

supremacists who are his real target. 9-year-old Levi King knew he should have left for home sooner; now he's alone in the darkness of vast Caddo Lake, in a boat whose motor just died. A sudden noise distracts him - and all goes dark. Darren Mathews is trying to emerge from another kind of darkness; after the events of his previous investigation, his marriage is in a precarious state of re-building, and his career and reputation lie in the hands of his mother, who's never exactly had his best interests at heart. Now she holds the key to his freedom, and she's not above a little maternal blackmail to press her advantage. An unlikely possibility of rescue arrives in the form of a case down Highway 59, in a small lakeside town where the local economy thrives on nostalgia for ante-bellum Texas - and some of the era's racial attitudes still thrive as well. Levi's disappearance has links to Darren's last case, and to a wealthy businesswoman, the boy's grandmother, who seems more concerned about the fate of her business than that of her grandson. Darren has to battle centuries-old suspicions and prejudices, as well as threats that have been reignited in the current political climate, as he races to find the boy, and to save himself. An immersive, gripping account of the rise and fall of Iran's glamorous Pahlavi dynasty, written with the cooperation of the late Shah's widow, Empress Farah, Iranian revolutionaries and US officials from the Carter administration In this remarkably human portrait of one of the twentieth century's most complicated personalities, Mohammad Reza Pahlavi, Andrew Scott Cooper traces the Shah's life from childhood through his ascension to the throne in 1941. He draws the turbulence of the post-war era during which the Shah survived assassination attempts and coup plots to build a modern, pro-Western state and launch Iran onto the world stage as one of the world's top five powers. Readers get the story of the Shah's political career alongside the story of his courtship and marriage to Farah Diba, who became a power in her own right, the beloved family they created, and an exclusive look at life inside the palace during the Iranian Revolution. Cooper's investigative account ultimately delivers the fall of the Pahlavi dynasty through the eyes of those who were there: leading Iranian revolutionaries; President Jimmy Carter and White House officials; US Ambassador William Sullivan and his staff in the American embassy in Tehran; American families caught up in the drama; even Empress Farah herself, and the rest of the Iranian Imperial family. Intimate and sweeping at once, *The Fall of Heaven* recreates in stunning detail the dramatic and final days of one of the world's most legendary ruling families, the unseating of which helped set the stage for the current state of the Middle East.
