Discover the best kept secrets that real estate investment courses don't want you to know about You don't need to be rich to start your real estate business. You don't need to become a real estate agent first before investing in real estate. You don't need to be suckered into courses or seminars to create massive passive income from rental properties. These are just a few of the harmful lies and myths that keep aspiring real estate investors from ever achieving the financial freedom they truly desire... One of the most effective ways of achieving generational wealth is through real estate investing. It's how successful businessmen like Robert Kiyosaki, Grant Cardone, and even Arnold Schwarzenegger (believe it or not), made millions! But the problem is, no matter how much real estate can make you filthy rich, without the right knowledge that these people have, real estate can also make you poor... not just 'poor' but 'hopelessly-in-debt poor'. However, by getting to know the ins and outs of the business, as well as uncovering the fatal mistakes that even experienced real estate investors make, you can be sure the effort you put into real estate investing will pay off immensely. In Rental Property Investing, you will discover: How to successfully flip properties for quick and predictable profits The key to investigating properties to find out which one is right for you and your investment goals How to retire early by creating long-term wealth with rental properties How to become the Alpha of a conversation and take full control of deals The best landscaping theme that your prospective tenants will find irresistible The detrimental scams you need to avoid that prey on beginners and expert investors alike The secret to making tenants miraculously respectful (that stressed landlords would beg to know) Just how massive your ROI can potentially be... using easy-to-follow mathematical formulas Safe exit strategies for when you have enough money and want to retire or move on to other ventures The pros and cons of hiring certain personalities in your real estate team that can make or break your business Money management techniques that will allow you to start real estate investing without emptying your savings account And much more! This is not a get rich quick scheme -- this is a collection of doable, practical, and tested steps, information, and tips that can potentially set off your first highly rewarding real estate investment. Even if you think that all the 'good deals' have already been taken, or that you missed the 'best time' to buy a property, Rental Property Investing will show you that anybody with the

proper knowledge can get started investing for massive gains. Don't let fear or inexperience get in the way of you and your dreams of becoming a successful real estate investor -- get in the know-how today! If you want to launch your real estate business without having to experience the mistakes beginners (and even experts) make, then scroll up and click the "Add to Cart" button right now.

Real estate investing is the answer to help you live your best life! Whether you want to supplement your income, build your retirement, or switch careers, you know you want to make more money to build your dream life. Are you unhappy where you are, but need more income to get you where you want to go? Do you have a strong desire to advance but aren't sure how to do so? Maybe you're an existing real estate investor who wants to grow and scale your business to the next level, but you

need guidance to do it. That's where Glenn and Amber Schworm come in. Whether you have a lot of money or none at all, great credit or bad credit, the average person can create wealth with real estate investing. The Schworms can teach you how—and it's not as complicated as you think! It is, without a doubt, the best and most effective way for average people to build wealth for themselves. People think real estate investment is risky, but it's not if you have the right education, systems, and tools. This book takes you through every step, and in the end, you'll have a hard asset that will help you make money. Our process turns real estate investing into a science. If you invest in the stock market, you can lose it all overnight—but with real estate, you have a hard asset. It dramatically reduces the risk factor. Think about the power of that! Glenn and Amber Schworm are passionate about helping everyday people create their best life through real estate investing. They've flipped over seven hundred houses with complete success valued at over \$65 million and counting, and still actively flip over one hundred houses a year. Through coaching and mentoring, they have taught thousands of people their simple home flipping formula at their Home Flipping Workshop. With this book, they can help you too.
