The Nordic Secrets to a Happy Life C & R Crime Over the course of a year, Esther Rutter - who grew up on a sheep farm in Suffolk, and learned to spin, weave and knit as a child - travels the length of the British Isles, to tell the story of wool's long history here. She unearths fascinating histories of communities whose lives were shaped by wool, from the mill workers of the Border countries, to the English market towns built on profits of the wool trade, and the Highland communities cleared for sheep farming; and finds tradition and innovation intermingling in today's knitwear industries. Along the way, she explores wool's rich culture by knitting and crafting culturally significant garments from our history - among them gloves, a scarf, a baby blanket, socks and a fisherman's jumper - reminding us of the value of craft and our intimate relationship with wool. This *Golden Fleece* is at once a meditation on the craft and history of knitting, and a fascinating exploration of wool's influence on our landscape, history and culture.
Page Street Publishing

An easy and relatively quick crochet pattern for a crossover sweater that can be customized as a vest, cardigan or long-sleeved pullover sweater with cross-front panels. The sizes are based on width from shoulder to shoulder. Fit is loose throughout the waist and hips given the open crossover panels in the front. The sleeves, if added, are slightly tapered and long. The majority of the sweater is done with simple repeated patterns using basic stitches. An easy weekend project that will provide a great layering piece for year-round wear. [Timeless Knitwear with a Modern Twist](#) Guild of Master Craftsmen Publications Limited New England's seasons call for plenty of warm knitwear, and New England Knits provides an irresistible collection of beautiful designs. Inspired by autumn and winter in New England (where the savvy knitter is never far from a sweater between September and March), the book is divided into three themes: Walk in the Woods, Around the Town, and Along the coast. Within each section readers will find a variety of flattering, wearable sweaters and accessories

(including hats, mittens, scarves, bags, and shawls). Projects by guest designers from Classic Elite, Berroco, and the Fiber Company provide round out the collection.

Don't let those hard- or soft-boiled eggs go cold in their little egg cups-wrap them up in a tiny knit "jacket!" These whimsical works of art offer endless fun and kitschy possibilities, and this illustrated guide features 30 egg-cellent projects, from rustic to chic to kid-friendly. The designs are perfect for beginning knitters just building their skills and a terrific way to use up those scraps of yarn that every crafter has lying around.

A True Story of Disaster and Survival on the Antarctic Seas Creative Publishing int'l

When one of mystery writer Antonia Darcy's admiring readers, Bee Ardleigh, becomes over friendly, Antonia finds it just a bit of a bore. But when she and husband Major Hugh Payne are persuaded to visit Bee at Millbrook House, they begin to suspect it's something more sinister. Is the lovely Bee, newly wed, really an invalid? Where does her female

live-in companion go on her frequent outings? Why would the mortally ill master of nearby Ospreys estate decide to change his will and leave his vast fortune to Beatrice? Hugh and Antonia become embroiled in a gruesome death in their perilous pursuit of the truth. Praise for R.T. Raichev

'Fascinating and surreal.' Lady Antonia Fraser 'All so ingenious.' Emma Tennant 'Clever and complex.' Francis Wyndham 'Splendidly old-fashioned sleuthery ... skilfully probes the surface smoothness of country houses ...couldn't put it down.' Hugh Massingberd 'This auspicious first in a new mystery series from Raichev ... Agatha Christie fans will find much to like in this traditional whodunit.' Publishers Weekly 'The kind of old-school English mysteries that fans of Christie and Sayers love ... but this will be pleasing to more than traditionalists, because it adds a P. D. Jamesian subtlety to the comfortable Christie formula. Antonia Darcy is a terrific sleuth, and Raichev is a very clever writer, indeed.' Booklist

With a little luck and a pack of pugs, anything is paws-ible! When True Winter comes, it's time for the Great Northern Race!

The best sled teams in the world must reach a mysterious man called the Snowfather. He will grant one wish to the winners.

Young racers Sika and Shen want to win more than anything. But they don't have big sled dogs—all they have is sixty-six yappy, yippy puppy pugs. Can this unlikely team make their dreams come true? For early chapter book readers who are ready for something longer, the Not-So-Impossible Tales are packed with humor,

action, and color illustrations on almost every page. A New York Public Library Best Book for Kids, 2016 "A madcap, magical blend of fluff and other good stuff."—Kirkus Reviews, starred review
Modern Crochet Sweaters Courier Corporation
 Knitting instruction and relationship therapy all in one—with lots of laughs along the way. For as long as women have been knitting, they've been knitting garments for men—only to have men hide their lovingly created pieces in drawers and closets. Men aren't being intentionally cruel; they're just not comfortable in knitwear made with bright colors, itchy yarn, or flashy designs. So what's a knitter to do? Understand the male psyche, says knitting instructor Bruce Weinstein. In *Knits Men Want* he presents ten hilarious essays, each based on a rule that helps women knit for men successfully. "Men Are Babies" explains why guys need to wear soft fabrics. "Men Hate Fittings" describes how to create a sweater based on one that's in his wardrobe. Following each essay is a timeless master pattern, from socks, hats, and scarves to an array of

sweaters, all in a range of sizes and most written for multiple gauges. With this book in hand, women finally have the secret to knitting garments that men will appreciate and actually wear.

A Different Kind of Love

Story Ryland Peters &

Small

The patterns and fabrics of American knitting are an intricate, and intimate, part of the nation's history, reflecting the styles and the interests, the concerns and the comforts that touched every homebody, every newborn and newlywed, every homesick patriot in the field. This is the history that Knitting America celebrates. The first fully detailed, full-color, comprehensive history of knitting in

America from colonial times to the present, the book conveys the social and historical realities that the craft embodied as well as the emotional narrative that unfolded at the hands of the nation's knitters. With vintage patterns and designs typical of each era, *Knitting America* comprises a knitted history of American society. Here are the trends and the shortages, the historical happenings and the social movements, the advertising and economic developments that affected knitting and style. Also included are 20 historic knitting patterns for today's knitters.

Beautifully illustrated with vintage pattern booklets, posters, postcards, black-and-white historical photographs, and contemporary color photographs of knitted pieces in private collections and in museums, this book is a treasure of history and craft, an exquisite view of America through the handiwork of its knitters.

The "Danish coziness" philosophy is fast becoming the new "French living" in terms of aspirational lifestyle books and blogs. There are countless viral articles comparing the happiness levels of Americans versus Danes. Their homes are more homey; their people are more cheerful. It's an attitude that defies definition, but there is a name for this slow-moving, stress-free mindset: *hygge* (pronounced "hoo-ga"). *Hygge* values the idea of cherishing yourself: candlelight, bakeries, and dinner with friends; a celebration of experiences over possessions, as well as being kind to yourself and treasuring a sense of community. *How to Hygge* by chef and author Signe Johansen is a fresh, informative, lighthearted, fully illustrated how-to guide to *hygge*. It's a combination of recipes, helpful tips for cozy living at home, and cabin porn: essential elements of

living the Danish way—which, incidentally, encourages a daily dose of “healthy hedonism.” Who can resist that?

 Jane of Lantern Hill
 Lucy Maud Montgomery
 Jane of Lantern Hill is a novel by Canadian author L. M. Montgomery. The book was adapted into a 1990 telefilm, *Lantern Hill*, by Sullivan Films, the producer of the highly popular *Anne of Green Gables* television miniseries and the television series *Road to Avonlea*.
 Montgomery began formulating an idea on May 11, 1936, began writing on August 21, and wrote the last chapter on February 3, 1937. She finished typing up the manuscript on February 25, as she could not hire a typist to do it for her. This novel was dedicated to "JL", her companion cat. The novel was written at Montgomery's house, "Journey's End"; the environment influenced

Montgomery's writing to create a

 Gorgeous cable knits with a contemporary twist
 Cables and other traditional Aran patterns are perennially popular with knitters, as not only do they look great but they are interesting patterns to knit. Well-known Rowan Yarn designer Martin Storey adds a modern twist to these classic patterns in this beautifully photographed collection of desirable wearables and accessories. The designs have a pared-down contemporary simplicity and soft color palette that is sure to appeal to knitters of all ages and different levels of experience. Featuring a versatile range of garments and accessories, including shrugs, sweaters, hats, scarves, mitts and more--

all made in natural yarns from Rowan that are cozy and inviting. The twenty-five patterns range from relatively simple to challenging--something for every knitter to enjoy!

Over 35 Magical Mini Makes
 Penguin
 From the New York Times--bestselling author of the Kurt Wallander novels: An “absorbing” and “chilling” historical mystery “dripping with evil atmosphere” (The Times, London).
 December 12, 1945. The Third Reich lies in ruins as a British warplane lands in Bückeberg, Germany. A man carrying a small black bag quickly disembarks and travels to Hamelin, where he disappears behind the prison gates. Early the next day, England’s most experienced hangman executes twelve war criminals. Fifty-four years later, retired policeman Herbert Molin is found brutally slaughtered on his remote farm in Härjedalen, Sweden. The police discover strange tracks in the blood on the floor . . . as if someone had been practicing the tango. Stefan Lindman is a young police officer who has just been diagnosed with cancer of the tongue. When he reads about the murder of his former

colleague, he decides to travel north and find out what happened. Soon he is enmeshed in a puzzling investigation with no witnesses and no discernible motives. Terrified of the illness that could take his life,

Lindman becomes more and more reckless as he uncovers the links between Molin's death, World War II, and an underground neo-Nazi network. Mankell's impeccably researched historical thriller is "a

worthy successor to the Wallander whodunits" (The Sunday Telegraph). "[Mankell] never fails to find a deep vein of humanity within the perpetually furrowed brows of his troubled cops." —Booklist
